ARTICLE II

INTEREST RATE MODES, INTEREST RATES AND PAYMENT

Part 2.1 Denominations; Medium, Method and Place of Payment of Principal and Interest. Interest on Bonds of a subseries issued in the Commercial Paper Mode, the Daily Mode or Weekly Mode is calculated on the basis of a 365/366-day year for the actual number of days elapsed to the Interest Payment Date. Interest on Bonds of a subseries issued in the Auction Rate Mode with an Auction Period over 180 days, the Term Rate Mode or Fixed Rate Mode is calculated on the basis of a 360-day year composed of twelve 30-day months. Interest on Bonds of a subseries issued in the Auction Rate Mode with an Auction Period of 180 days or less is calculated on the basis of a 360-day year for the actual number of days elapsed to the Interest Payment Date.

The interest rates for Bonds of a subseries contained in the records of the Paying Agent/Registrar are conclusive and binding upon the City, the Remarketing Agent, the Tender Agent, the Paying Agent/Registrar, the Auction Agent, all Broker-Dealers, the Liquidity Facility Provider, the Credit Facility Provider and the Owners.

The payment of the Purchase Price of Bonds of a subseries on any Purchase Date or Mandatory Purchase Date, as the case may be, will be made by wire transfer in immediately available funds by the Tender Agent to the account specified by the Owner in a written direction received by the Tender Agent or, if no such account number is furnished, by check mailed by the Tender Agent to the Owner at the address appearing on the books required to be kept by the Paying Agent/Registrar pursuant to the Ordinance. Any such direction will remain in effect until revoked or revised by such Owner by an instrument in writing delivered to the Paying Agent/Registrar or the Tender Agent, as the case may be.

Notwithstanding the provisions of Parts 2.2 through 2.7, inclusive, each Liquidity Provider Bond bears interest on the outstanding principal amount thereof, and on the amount (if any) of accrued and unpaid interest thereon, at the Liquidity Provider Interest Rate for each day from and including the date such Bond becomes a Liquidity Provider Bond to, but not including, the date such Bond is paid in full or is remarketed. The Owner of a Bond of a subseries other than the

Liquidity Facility Provider or its permitted assignee will be paid (and is obligated to pay as part of the price paid by such Owner in connection with the remarketing to it of such Bonds) interest thereon for an Interest Period only in the amount that would have accrued thereon at the rate or rates established pursuant to Parts 2.2, through 2.7, as applicable, regardless of whether such Bond was a Liquidity Provider Bond during any portion of such Interest Period. Accrued interest in respect to any Liquidity Provider Bond is payable to the Liquidity Facility Provider or its permitted assignee on each Interest Payment Date applicable thereto; provided that any fees, or Excess Interest (as such term is defined in the Reimbursement Agreement), due to the Liquidity Facility Provider or its permitted assignee shall be paid by the City as provided in Reimbursement Agreement.

No Bond of a subseries may bear interest at an interest rate higher than the Maximum Rate.

Part 2.2 Determination of Interest Rates and Interest Periods During Commercial Paper Mode. Interest Periods in a Commercial Paper Mode are of such duration, of at least one day and not more than 270 days, ending on a day next preceding a Business Day or the Maturity Date, as the Remarketing Agent determines in accordance with the provisions of this Part 2.2. In making the determinations with respect to Interest Periods, subject to the limitations imposed by the preceding sentence, the Remarketing Agent shall on each Rate Determination Date select for each Bond of a subseries then subject to such adjustment the Interest Period which, if implemented on such Rate Determination Date, would result in the Remarketing Agent being able to remarket such Bond at par in the secondary market at the lowest interest rate then available and for the longest Interest Period available at such rate, provided that if on any Rate Determination Date, the Remarketing Agent determines that current or anticipated future market conditions or anticipated future events are such that a different Interest Period would result in a lower average interest cost on such Bond, then the Remarketing Agent shall select the Interest Period which in the judgment of the Remarketing Agent would permit such Bond to achieve such lower average interest cost; provided, however, that if the Remarketing Agent receives notice from the City that any Bond of a subseries is to be changed from the Commercial Paper Mode to any other Mode or if it is to be purchased pursuant to Part 4.5, the Remarketing Agent shall, with respect to such Bond, select Interest Periods which do not extend beyond the Mandatory Purchase Date.

By 11:45 a.m. on each Rate Determination Date, the Remarketing Agent, with respect to each Commercial Paper Rate Bond that is subject to adjustment on such date, will determine an interest rate for the Interest Period then selected for

such Bond and, no later than 11:45 a.m., must give notice by Electronic Means to the Paying Agent/Registrar of the applicable Interest Period, Purchase Date and interest rate.

Anything in this Appendix A to the contrary notwithstanding, to the extent a Liquidity Facility and/or Credit Facility is in effect, no Interest Period may be implemented and no interest rate for such Interest Period may be determined if it would cause the principal of and interest on Bonds in the Commercial Paper Mode to be Outstanding immediately thereafter to be in excess of the Available Amount therefor. No remarketing of Bonds in the Commercial Paper Mode may be given effect by the Paying Agent/Registrar if it would cause such limitation to be exceeded.

By acceptance of any Commercial Paper Rate Bond, the Owner thereof is deemed to have agreed, during each Interest Period, to the interest rate (including the Alternate Rate, if applicable), Interest Period and Purchase Date then applicable thereto and to have further agreed to tender such Bond to the Tender Agent for purchase on the next succeeding Purchase Date at the Purchase Price. Such Owner further acknowledges that if funds for such purchase are on deposit with the Tender Agent on such Purchase Date, such Owner has no rights under the Ordinance other than to receive the payment of such Purchase Price and that interest ceases to accrue to such Owner on such Purchase Date.

Part 2.3 Determination of Interest Rate During Daily Mode. The interest rate for any Bond of a subseries in the Daily Mode is the rate of interest per annum determined by the Remarketing Agent on or before 9:30 a.m. on the Rate Determination Date as the minimum rate of interest that, in the opinion of the Remarketing Agent, would, under then existing market conditions, result in the sale of the Bonds of the subseries in the Daily Mode on the Rate Determination Date at a price equal to the principal amount thereof, plus accrued interest, if any. The Remarketing Agent shall make the rate available by Electronic Means to each other Notice Party by 10:30 a.m. on the Rate Determination Date. With respect to any day that is not a Business Day, the interest rate is the same rate as the interest rate established for the immediately preceding Business Day. The determination of each interest rate by the Remarketing Agent, in the absence of manifest error, is conclusive and binding upon the Remarketing Agent, the Tender Agent, the Paying Agent/Registrar, the Liquidity Facility Provider, the Credit Facility Provider, the City and the Owners.

Part 2.4 Determination of Interest Rate During Weekly Mode. To the extent the Bonds of a subseries are initially issued in a Weekly Mode, the

interest rate for Bonds of such subseries for the initial Interest Period is the rate of interest per annum set forth in the Bond Purchase Agreement. For any Interest Period that is not an initial Interest Period, the interest rate for Bonds of a subseries in a Weekly Mode for each such Interest Period is the rate of interest per annum determined by each Remarketing Agent on and as of the applicable Rate Determination Date or, in the case of an optional tender of Bonds, the optional tender date, as the minimum rate of interest that, in the opinion of the Remarketing Agent, would, under then existing market conditions, result in the sale of the Bonds of the subseries in the Weekly Mode on the Rate Determination Date or the optional tender date, as applicable, at a price equal to the principal amount thereof, plus accrued interest, if any. The Remarketing Agent shall make the rate available by Electronic Means to each other Notice Party by 5:00 p.m. on the Rate Determination Date or the optional tender date, as applicable. The determination of each interest rate by the Remarketing Agent is conclusive and binding, in the absence of manifest error, upon the Remarketing Agent, the Tender Agent, the Paying Agent/Registrar, the Liquidity Facility Provider, the Credit Facility Provider, the City and the Owners.

Part 2.5 Determination of Term Rate(s) and Fixed Rate.

(a) Term Rates. The Term Rate to be effective for the Interest Period commencing on any Mode Change Date after which Bonds of a subseries will bear interest at a Term Rate or any Purchase Date while Bonds of a subseries are in the Term Rate Mode is determined by the Remarketing Agent. No later than 4:00 p.m. on the Business Day next preceding the Mode Change Date or the Purchase Date, as the case may be, the Remarketing Agent shall determine the Term Rate and shall make the Term Rate available by Electronic Means to each other Notice Party. The Term Rate shall be the minimum rate that would result in a sale of the Bonds of the subseries at a price equal to the principal amount thereof plus premium, if any, on the Rate Determination Date, taking into consideration the duration of the Interest Period, which is established by the City.

(b) Fixed Rate. The Fixed Rate to be effective for the Interest Period commencing on any Mode Change Date after which Bonds of a subseries will bear interest at a Fixed Rate, is determined by the Remarketing Agent. No later than 4:00 p.m. on the Business Day next preceding the Mode Change Date, the Remarketing Agent shall determine the Fixed Rate and shall make the Fixed Rate available by Electronic Means to each other Notice Party. The Fixed Rate is the minimum rate that, in the sole judgment of the Remarketing Agent, would result in a sale of the Bonds

of the subseries at a price equal to the principal amount thereof on the Rate Determination Date taking into consideration the duration of the Interest Period.

(c) Failure to Establish Term Rate or Fixed Rate. If, for any reason, a Term Rate or Fixed Rate cannot be established on a Mode Change Date or Purchase Date, as the case may be, the Bonds of the subseries affected, other than Bonds of a subseries in an Auction Rate Mode, will be changed automatically to the Weekly Mode on the Purchase Date. Notwithstanding the foregoing, if the Bonds of a subseries are in a Term Rate Mode and there is a failure to pay the Purchase Price of the Bonds of such subseries on the Purchase Date, the Bonds of such subseries bear interest at the Maximum Rate from the failed Purchase Date to the date that all such Bonds are successfully remarketed (the “Delayed Remarketing Period”) until such Purchase Price is paid.

Part 2.6 Alternate Rate for Interest Calculation. If (i) the Remarketing Agent fails to determine the interest rate(s) or Interest Periods for the Bonds of a subseries, or (ii) the method of determining the interest rate(s) or Interest Periods with respect to the Bonds of a subseries is held unenforceable by a court of law of competent jurisdiction, the Bonds of a subseries, other than Bonds of a subseries in an Auction Rate Mode, shall thereupon, (i) in the case of Commercial Paper Rate Bonds and Bonds in the Daily Mode and Term Rate Mode, be automatically converted to a Weekly Rate Mode, and (ii) in the case of Bonds in the Weekly Rate Mode, or Bonds to be converted to the Weekly Mode pursuant to clause (i) above and such Weekly Rate Mode has failed to be determined, bear interest at the Alternate Rate for subsequent Interest Periods, in each case until the Remarketing Agent again makes such determination or until there is delivered to the City and the Paying Agent/Registrar a Favorable Opinion of Bond Counsel. Notwithstanding the foregoing, if the Bonds of a subseries are in a Term Rate Mode and there has been a failure to pay the Purchase Price of the Bonds of such subseries on the Purchase Date, the Bonds of such subseries shall bear interest in accordance with Part 2.8(c)(7).

Part 2.7 Determination of Interest Rate and Auction Period During Auction Rate Mode.

(a) During any Auction Rate Mode, the Bonds of a subseries bear interest at the Auction Period Rate for each Auction Period determined as set forth in this Part 2.7 and Exhibit 1 hereto. The provisions of such Exhibit 1

constitute an integral part of this Appendix and the Ordinance and have the same force and effect as if set forth in this Appendix A or the Ordinance.

If the Mode applicable to the Bonds of a subseries is changed to an Auction Rate Mode, the initial Auction Period immediately after such change commences from and includes the Mode Change Date and expires on and includes the initial Auction Date. The initial Auction Date (which is the day of the week on which Auctions will generally be conducted) immediately after any change in the Mode applicable to the Bonds of a subseries to an Auction Rate Mode, is the date determined and certified to the Paying Agent/Registrar (with a copy to the Remarketing Agent, the Broker-Dealer(s), the Auction Agent and the Credit Facility Provider (if any)) by the City on or before the Mode Change Date. The Auction Period Rate for any initial Auction Period immediately after any change in the Mode applicable to the Bonds of a subseries to an Auction Rate Mode is the rate of interest per annum determined and certified to the Paying Agent/Registrar (with a copy to the City, the Remarketing Agent, the Auction Agent, the other Broker-Dealers, if any, and the Credit Facility Provider (if any)) by the Broker-Dealer designated by the City on a date not later than the Mode Change Date as the minimum rate of interest which, in the opinion of such Broker-Dealer, would be necessary as of such date to market Bonds of a subseries in an Auction Rate Mode in a secondary market transaction at a price equal to the principal amount thereof; provided that such interest rate may not exceed the Maximum Rate. After the initial Auction Period, each Auction Period is an Auction Period certified to the Paying Agent/Registrar (with a copy to the Remarketing Agent, the Broker-Dealer(s), the Auction Agent and the Credit Facility Provider (if any)) by the City on or before the Mode Change Date, unless such Auction Period is adjusted or changed to a daily, 7-day, 28-day, 35-day, three-month, six-month or a Special Auction Period in accordance with Exhibit 1 hereto. For any other Auction Period that is not an initial Auction Period, the Auction Period Rate is the rate of interest determined in accordance with Exhibit 1.

(b) During any Auction Rate Mode, upon the occurrence of (i) a default of the City in the payment of principal, Sinking Fund Installment, interest or premium on any Bond of a subseries in the Auction Rate Mode after the same becomes due, whether at maturity, upon call for redemption or on an Interest Payment Date and (ii) a default of the Credit Facility Provider under the Credit Facility securing such Bond, if any, the Paying Agent/Registrar must immediately give notice of the occurrence of such

events to the Auction Agent. Immediately after the Credit Facility Provider cures its default under the Credit Facility by making payments that the City failed to make when the same became due, the Paying Agent/Registrar shall give notice of such payment to the Auction Agent.

(c) (1) Less than all of the Bonds of a subseries then subject to a particular Auction Period may be converted to another Auction Period in accordance with Exhibit 1; provided, however, that in such event such subseries is re-designated into two or more further subseries for each separate Auction Period with a new CUSIP number for each such further subseries.

(2) If less than all of the Bonds of a subseries then subject to a particular Auction Period are converted to another Auction Period in accordance with Exhibit 1, then the Auction Agent will select in its discretion the particular Bonds of a subseries or portions thereof which are to be converted to a new Auction Period subject to the provisions hereof regarding Authorized Denominations of Bonds of a subseries subject to such Mode.

(3) All Bonds of any subseries must be in the same Auction Period, except to the extent that the Bonds of any subseries are issued in or re-designated into two or more further subseries. If the Bonds of any subseries are issued in or re-designated into two or more further subseries, then all Bonds within any subseries must be in the same Auction Period.

Part 2.8 Changes in Mode.

(a) Changes. Any Mode, other than a Fixed Rate Mode, may be changed to any other Mode at the times and in the manner hereinafter provided. Subsequent to such change in Mode, the Bonds of the subseries may again be changed to a different Mode at the times and in the manner hereinafter provided. Any Bonds of a subseries converted to a Fixed Rate Mode may not be changed to any other Mode.

(b) Notice of Intention to Change Mode. To effect a Mode change, the City shall give written notice (the “Mode Change Notice”) to the Notice Parties of its intention to effect a change in the Mode from the Mode then prevailing (the “Current Mode”) to another Mode (the “New Mode”) specified in such written notice, together with the proposed Mode Change

Date. Such notice must be given at least 20 days prior to the Mode Change Date.

(c) General Provisions Applying to Changes from One Mode to Another.

(1) The Mode Change Date must be a Business Day.

(2) Additionally, the Mode Change Date:

(A) from the Commercial Paper Mode is the last Purchase Date for the Commercial Paper Rate Bonds with respect to which a change is to be made;

(B) from a Term Rate Mode is the Purchase Date of the current Interest Period; and

(C) from an Auction Rate Mode is the Interest Payment Date following the last day of an Auction Period.

(3) On or prior to the date the City provides the notice to the Notice Parties pursuant to Part 2.8(b) hereof, the City shall deliver to the Paying Agent/Registrar a letter from counsel satisfactory to the Paying Agent/Registrar and addressed to the Paying Agent/Registrar (with a copy to all other Notice Parties) to the effect that such counsel expects to be able to deliver a Favorable Opinion of Bond Counsel on the Mode Change Date.

(4) No change in Mode will become effective unless all conditions precedent thereto are met and the following items are delivered to the Paying Agent/Registrar and the Remarketing Agent by 11:00 a.m. or such later time as is acceptable to the City, the Paying Agent/Registrar and the Remarketing Agent, on the Mode Change Date:

(A) except for a change in Mode pursuant to Parts 2.5(c), 2.6 or Part 2.8(c)(6), a Favorable Opinion of Bond Counsel dated the Mode Change Date;

(B) if required, unless Tender Agent and Remarketing Agreements are already effective, executed copies of Tender Agent and Remarketing Agreements;

(C) a certificate of an authorized officer of the Tender Agent to the effect that all of the Bonds of a subseries tendered or deemed tendered, unless otherwise redeemed, have been purchased at a price at least equal to the Purchase Price thereof;

(D) with respect to a change in the Mode to an Auction Rate Mode, an executed copy of an Auction Agreement and one or more Broker-Dealer Agreements.

(5) If all conditions to the Mode change are met, the Interest Period(s) or the Auction Period for the New Mode commences on the Mode Change Date and the Interest Rate(s) (together, in the case of a change to the Commercial Paper Mode, with the Interest Period(s)) shall be determined by the Remarketing Agent in the manner provided in Parts 2.2 through 2.7, as applicable.

(6) With respect to a change in the Mode from any Mode (other than an Auction Rate Mode or a Term Rate Mode) to any other Mode, if the foregoing conditions have not been satisfied by the Mode Change Date, the New Mode shall not take effect and (1) no purchase or tender of Bonds shall be consummated on the Mandatory Purchase Date, (2) the Tender Agent shall return all tendered Bonds to the Owner thereof, and (3) the Tender Agent will return all remarketing proceeds to the Remarketing Agent for return to the Persons who provided such funds. The Bonds of the subseries that are the subject of the Mode Change Notice are changed to Bonds in the Weekly Mode on the failed Mode Change Date; provided, however, if such Bonds are in the Weekly Mode, the interest rate shall be determined in accordance with this Ordinance on and as of the failed Mode Change Date.

(7) With respect to a change in the Mode from a Term Rate Mode to any other Mode, if the foregoing conditions have not been satisfied by the Mode Change Date, the New Mode shall not take effect and (1) no purchase or tender of Bonds shall be consummated on the Mandatory Purchase Date, (2) the Tender Agent shall return all tendered Bonds to the Owner thereof, and (3) the Tender Agent will return all remarketing proceeds to the Remarketing Agent for return to the Persons providing the money. On each Business Day following the failed remarketing, the Remarketing Agent will continue to use its best efforts to remarket the applicable Bonds into the Mode

designated by the City (or such other Mode as the City thereafter designates to the Remarketing Agent and the prospective Owners). When the Remarketing Agent advises the City, the Paying Agent/Registrar, and the Tender Agent that it believes in good faith that it is able to remarket all of the Bonds into the designated Mode, the Paying Agent/Registrar will give notice meeting the requirements of Part 4.6(f) for a notice of a Mode Conversion Date to the Holders of such Bonds not later than five days prior to the new Mandatory Purchase Date. During the Delayed Remarketing Period, the Bonds will pay interest to the Owners thereof (i) as if in the Term Rate Mode on May 15 and November 15 and (ii) the new Mandatory Purchase Date, and will bear interest at the Tax Exempt Maximum Rate.

(8) With respect to a change in the Mode from an Auction Rate Mode to any other Mode, in the event the foregoing conditions have not been satisfied, the Bonds of a subseries that are subject to the Mode Change Notice will not be subject to mandatory tender for purchase, will continue to bear interest in the Auction Rate Mode and the Auction Period Rate for the Auction Period commencing on the failed Mode Change Date is equal to the Maximum Auction Rate as determined on the Auction Date for such Auction Period and the Auction Period commencing on the failed Mode Change Date is a seven-day Auction Period. Thereafter, the Auction Period Rate for each succeeding Auction Period is determined in accordance with Exhibit 1 and each Auction Period is a seven-day Auction Period until the length of the Auction Period is changed in accordance with Exhibit 1.

(d) Serial Bonds. In the notice given pursuant to Part 2.8(b) hereof in connection with any change of Bonds of a subseries to the Term Rate Mode or Fixed Rate Mode, the City may provide that all or some of such Bonds shall be Serial Bonds. The principal amount of Serial Bonds due on any date is equal to the sinking fund installment specified for such date in the Ordinance, and the remaining sinking fund installments continue to be Sinking Fund Installments for the Bonds of the subseries due on the Maturity Date, unless the City specifies otherwise in the notice. The interest rate for the Serial Bonds maturing on a particular date may differ from the interest rate or rates established for other Bonds.

(e) Partial Mode Changes and Further Subseries Designations.

(1) Less than all of the Bonds of a subseries then subject to a particular Mode may be converted to another Mode pursuant to this Part 2.8 hereof; provided, however, that in such event such subseries shall be re-designated into two or more further subseries for each separate Mode with a new CUSIP number for each further subseries.

(2) If less than all of the Bonds of a subseries then subject to a particular Mode are converted to another Mode pursuant to this Part 2.8 hereof, the particular Bonds of a subseries or portions thereof which are to be converted to a New Mode shall be selected by the Paying Agent/Registrar in its discretion subject to the provisions hereof regarding Authorized Denominations of Bonds of a subseries subject to such New Mode.

ARTICLE IV

PURCHASE OF BONDS

Part 4.1 Optional Tenders of Bonds in Daily Mode and Weekly Mode.

(a) Any Bond of a subseries (or portions thereof in Authorized Denominations) in the Daily Mode that is not a Liquidity Provider Bond is subject to purchase, on the demand of the Owner thereof, at a price equal to the Purchase Price on any Business Day (such purchase to be made on the Business Day upon which such demand is made), upon irrevocable notice submitted by Electronic Means to the Tender Agent and the Remarketing Agent (promptly confirmed in writing by such Owner, delivered to the Tender Agent and the Remarketing Agent by telecopier by 11:00 a.m. at their respective offices set forth in Part 13.07 of the Ordinance) which states the number and principal amount of such Bond being tendered and the Purchase Date. Such tender notice, once transmitted to the Tender Agent, is irrevocable with respect to the tender for which such tender notice was delivered and such tender shall occur on the Business Day specified in such tender notice. The Tender Agent shall, as soon as practicable, notify the

Paying Agent/Registrar of the principal amount of Bonds of the subseries being tendered. The contents of any such irrevocable telephonic tender notice is conclusive and binding on all parties.

(b) The Owners of Bonds of a subseries in a Weekly Mode that are not Liquidity Provider Bonds and are not owned by or on behalf of the City may elect to have such Bonds (or portions thereof in Authorized Denominations) purchased at a price equal to the Purchase Price upon irrevocable notice submitted by Electronic Means to the Tender Agent and the Remarketing Agent, promptly confirmed in writing to the Tender Agent and Remarketing Agent at their respective offices set forth in Part 13.07 of the Ordinance, not later than 4:00 p.m. on a Business Day not less than seven days before the Purchase Date specified by the Owner. Such notice shall (i) state the number and the principal amount of such Bond being tendered and (ii) state that such Bond shall be purchased on the Purchase Date so specified by the Owner. The Tender Agent shall notify the Remarketing Agent, Paying Agent/Registrar, City, and any Liquidity Facility Provider by 11:00 a.m. on the next succeeding Business Day of the receipt of any notice pursuant to this paragraph.

(c) Notwithstanding anything herein to the contrary, during any period that the Bonds of a subseries are issued registered in the name of DTC or a nominee thereof pursuant to the Ordinance, (i) any notice of tender delivered pursuant to this Part shall identify the DTC participant through whom the beneficial owner will direct transfer; (ii) on or before the Purchase Date, the beneficial owner must direct (or if the beneficial owner is not a DTC participant, cause its DTC participant to direct) the transfer of said Bond on the records of DTC; and (iii) it shall not be necessary for Bonds of a subseries to be physically delivered on the date specified for purchase thereof, but such purchase shall be made as if such Bonds had been so delivered, and the Purchase Price thereof shall be paid to DTC. In accepting a notice of tender of any Bond of a subseries pursuant to this Part, the Paying Agent/Registrar and the Tender Agent may conclusively assume that the Person providing the notice of tender is the beneficial owner of the Bonds being tendered and therefore entitled to tender them. The Paying Agent/Registrar and Tender Agent assume no liability to anyone in accepting a notice of tender from a Person whom it reasonably believes to be such a beneficial owner of the Bonds of the subseries.

Part 4.2 Mandatory Purchase at End of Commercial Paper Mode Interest Periods. Except for Liquidity Provider Bonds, each Bond of a subseries in the Commercial Paper Mode is subject to mandatory tender for purchase on its Purchase Date at the Purchase Price. No notice of such mandatory purchase shall be given to the Owners.

Part 4.3 Mandatory Purchase on Any Mode Change Date. Except for Liquidity Provider Bonds, the Bonds of a subseries to be changed to any Mode from any other Mode are subject to mandatory tender for purchase on the Mode Change Date at the Purchase Price.

Part 4.4 Mandatory Purchase at End of each Term Rate Mode Interest Period. Except for Liquidity Provider Bonds, the Bonds of a subseries in the Term Rate Mode are subject to mandatory tender for purchase on each Purchase Date at the Purchase Price.

Part 4.5 Mandatory Purchase Upon Expiration Date, Termination Tender Date, and Substitution Date. Except for Liquidity Provider Bonds and Bonds owned by or on behalf of the City, the Bonds of a subseries are subject to mandatory tender at the Purchase Price for purchase on:

(a) the second Business Day preceding the Expiration Date of a Credit Facility or Liquidity Facility, which second Business Day is hereinafter referred to as an “Expiration Tender Date”;

(b) the fifth calendar day (or if such day is not a Business Day, the preceding Business Day) following the receipt by the Paying Agent/Registrar of a written notice from the City of a Credit Facility or Liquidity Facility as a result of an event of default or other event which directs the Paying Agent/Registrar to cause a mandatory tender, which fifth calendar day is hereinafter referred to as a “Termination Tender Date”, if the Liquidity Facility permits a draw thereon on the Termination Tender Date; and

(c) the Substitution Date for a Credit Facility or a Liquidity Facility.

Part 4.6 Notice of Mandatory Tender for Purchase.

(a) The Paying Agent/Registrar shall, at least 15 days prior to the Expiration Tender Date with respect to Bonds of a subseries, give notice to the Owners and Notice Parties of the mandatory tender of the Bonds of such

subseries on such Expiration Tender Date if it has not theretofore received confirmation that the Expiration Date has been extended.

(b) Upon receipt of a written notice from the Credit Facility Provider, the Liquidity Facility Provider or the City that the Credit Facility or the Liquidity Facility, as the case may be, will terminate or the obligation of the Credit Facility Provider or Liquidity Facility Provider, as the case may be, to provide a loan thereunder will terminate prior to its Expiration Date, the Paying Agent/Registrar shall within one Business Day give notice to the Owners and any other Notice Parties of the mandatory tender of the Bonds of such subseries that is to occur on such Termination Tender Date if it has not theretofore received from the Credit Facility Provider, the Liquidity Facility Provider or the City, as the case may be, a notice to the Owners stating that the event which resulted in the Credit Facility Provider, the Liquidity Facility Provider or the City giving a notice of the Termination Date has been cured and that the Credit Facility Provider, the Liquidity Facility Provider or the City has rescinded its election to terminate the Credit Facility or Liquidity Facility, as the case may be. Notwithstanding anything to the contrary in subpart (e) below, such notice shall be given by Electronic Means capable of creating a written notice. Any notice given substantially as provided in this subpart is conclusively presumed to have been duly given, whether or not actually received by each Owner.

(c) The Paying Agent/Registrar shall, at least 15 days prior to any Substitution Date with respect to a Liquidity Facility relating to any Bonds, give notice of the mandatory tender of such Bonds that is to occur on such Substitution Date to the Owners and the Notice Parties.

(d) The Paying Agent/Registrar shall, at least 15 days prior to any Mode Change Date or any Purchase Date (other than a Purchase Date for any Commercial Paper Rate Bond or a Purchase Date under Clause (ii) of the definition thereof) give notice to the Owners and the Notice Parties of the mandatory tender for purchase of such Bonds that is to occur on such date.

(e) Except as provided in Part 4.2, notice of any mandatory tender of Bonds of a subseries shall state that such Bonds are to be purchased pursuant to Parts 4.3, 4.4 or 4.5, and except as provided in Part 4.5(b) shall be provided by the Paying Agent/Registrar or caused to be provided by the Paying Agent/Registrar by mailing a copy of the notice of mandatory tender by first-class mail to each Owner of Bonds of the subseries at the respective

addresses shown on the registry books. Each notice of mandatory tender for purchase shall identify the reason for the mandatory tender for purchase, and specify the Mandatory Purchase Date, the Purchase Price, the place and manner of payment, that the Owner has no right to retain such Bonds and that no further interest will accrue from and after the Mandatory Purchase Date to such Owner. Each notice of mandatory tender for purchase caused by a change in the Mode applicable to the Bonds of a subseries shall in addition specify the conditions that have to be satisfied pursuant to Part 2.8 hereof in order for the New Mode to become effective and the consequences that the failure to satisfy any of such conditions would have. In the event a mandatory tender of Bonds of a subseries shall occur at or prior to the same date on which an optional tender for purchase is scheduled to occur, the terms and conditions of the applicable mandatory tender for purchase shall control. The Paying Agent/Registrar shall give a copy of any notice of mandatory tender given by it to the other Notice Parties. Any notice to Owners mailed or given as provided in this Part is conclusively presumed to have been duly given, whether or not the Owner of any Bond receives the notice, and the failure of such Owner to receive any such notice shall not affect the validity of the action described in such notice. Failure by the Paying Agent/Registrar to give a notice as provided in this Part shall not affect the obligation of the Tender Agent to purchase the Bonds of a subseries subject to mandatory tender for purchase on the Mandatory Purchase Date.

Part 4.7 Purchase Fund.

(a) Funds and Accounts. There is hereby created and established, and there shall be maintained as an Eligible Account with the Tender Agent for the Bonds of each subseries, a separate fund to be known as the “Purchase Fund”. The Tender Agent shall further establish a separate account within such Purchase Fund to be known as the “Liquidity Facility Purchase Account” and a separate account within such Purchase Fund to be known as the “Remarketing Proceeds Account”, each of which shall be an Eligible Account. To the extent that the Bonds of a subseries are re-designated into two or more further subseries, the Tender Agent shall establish and maintain a separate Purchase Fund with separate accounts therein for the Bonds of each such further subseries.

(b) Remarketing Proceeds Account. Upon receipt of the proceeds of a remarketing of Bonds of a subseries on a Purchase Date or Mandatory Purchase Date, the Tender Agent shall deposit such proceeds in the related

Remarketing Proceeds Account for application to the payment of the Purchase Price of such Bonds. Notwithstanding the foregoing, upon receipt of the proceeds of a remarketing of Liquidity Provider Bonds, the Tender Agent shall immediately pay such proceeds to or for the account of the related Liquidity Facility Provider to the extent of any amount owing to the Liquidity Facility Provider.

(c) Liquidity Facility Purchase Account. Upon receipt by the Tender Agent of the proceeds of any draw on a Liquidity Facility supporting Bonds of a subseries that are transferred to such Tender Agent pursuant to Part 4.1(a) hereof, the Tender Agent shall deposit such moneys in the related Liquidity Facility Purchase Account for application to the payment of the Purchase Price of Bonds of such subseries. Any amounts deposited in the Liquidity Facility Purchase Account for a subseries of Bonds and not needed with respect to any Purchase Date or Mandatory Purchase Date for payment of the Purchase Price for any Bonds of such subseries shall be returned immediately to the Liquidity Facility Provider.

(d) No Investment; Amounts Applied Solely to Related Subseries. Amounts held by the Tender Agent in the Liquidity Facility Purchase Account and the Remarketing Proceeds Account relating to the Bonds of a subseries shall not be deemed as part of the Trust Estate and shall be held uninvested and separate and apart from all other funds and accounts. Amounts so held or available to be drawn under the Liquidity Facility for deposit in a Liquidity Facility Purchase Account shall not be available to pay the Purchase Price of Bonds of any subseries other than Bonds of a subseries that are supported by such Liquidity Facility.

(e) Payment of Purchase Price by Tender Agent. The Tender Agent shall pay the Purchase Price of Bonds of a subseries to their Owners from the moneys in the Liquidity Facility Purchase Account and the Remarketing Proceeds Account in accordance with this Appendix A by 3:30 p.m. on any Purchase Date or Mandatory Purchase Date, as the case may be.

(f) No Lien for Tender Agent. The Tender Agent shall have no lien on amounts in the Liquidity Purchase Account or the Remarketing Proceeds Account for payment of fees or other amounts owed to the Tender Agent.

Part 4.8 Remarketing of Bonds of a Subseries; Notices.

(a) Remarketing of Bonds of a Subseries. The Remarketing Agent(s) for Bonds of a subseries shall offer for sale at par and use its best efforts to find purchasers for (i) all Bonds of such subseries or portions thereof as to which notice of tender pursuant to Part 4.1 has been given and (ii) all Bonds required to be tendered for purchase. To the extent a Liquidity Facility is in effect, no Bonds of a subseries supported by such Liquidity Facility shall be remarketed to the City, or any affiliate of the City, nor may any Liquidity Provider Bonds be remarketed unless the Liquidity Facility has been or will be, immediately upon such remarketing, reinstated by the amount of the reduction that occurred when such Bonds became Liquidity Provider Bonds

(b) Notice of Remarketing; Registration Instructions; New Bonds.

(1) The Remarketing Agent shall notify the Tender Agent by Electronic Means not later than 12:45 p.m. on the Purchase Date or Mandatory Purchase Date of the registration instructions as may be necessary to re-register Bonds; and

(2) Unless otherwise permitted by the Securities Depository and the book-entry-only system applicable to a subseries of Bonds, the Tender Agent shall authenticate and have available for delivery to the Remarketing Agent prior to 2:30 p.m. on the Purchase Date or Mandatory Tender Date new Bonds of the subseries for the respective purchasers thereof.

(c) Transfer of Funds; Draw on Liquidity Facility.

(1) The Remarketing Agent shall at or before 9:30 a.m. on the Purchase Date or Mandatory Purchase Date, as the case may be, (x) notify the City, the Paying Agent/Registrar and the Tender Agent by Electronic Means of the amount of tendered Bonds of the subseries that were not successfully remarketed, and (y) confirm to the Paying Agent/Registrar and the Tender Agent the transfer of the Purchase Price of remarketed Bonds of the subseries to the Tender Agent in immediately available funds at or before 9:45 a.m., such confirmation to include the pertinent Fed Wire reference number.

(2) To the extent a Liquidity Facility is in effect, the Paying Agent/Registrar or the Tender Agent acting on its behalf shall draw on

the Liquidity Facility, in accordance with the terms thereof before 10:30 a.m. on the Purchase Date or Mandatory Purchase Date, as the case may be, in an amount equal to the Purchase Price of all Bonds of the subseries tendered or deemed tendered less the aggregate amount of remarketing proceeds confirmed to the Paying Agent/Registrar and the Tender Agent by the Remarketing Agent pursuant to clause (i) of this subpart and shall cause the proceeds of such draw to be transferred to the Tender Agent by no later than 2:00 p.m. provided notice of such draw is delivered to the Paying Agent/Registrar (or the Tender Agent acting on its behalf) in accordance with the terms of the Credit Facility Agreement. Notwithstanding the foregoing, the Paying Agent/Registrar (or the Tender Agent acting on its behalf) shall draw on the Liquidity Facility, if any, in an amount equal to the Purchase Price of all Bonds of the subseries tendered or deemed tendered for purchase on each Purchase Date or Mandatory Purchase Date, as the case may be, if it does not receive a confirmation from the Remarketing Agent pursuant to clause (i) above of this subpart.

(3) To the extent a Liquidity Facility is in effect, the Tender Agent shall confirm to the City and the Paying Agent/Registrar by 2:45 p.m. on the Purchase Date or Mandatory Purchase Date, receipt of the proceeds of any draw on the Liquidity Facility.

(d) Notice to the City of Liquidity Provider Bond Remarketing. The Remarketing Agent shall notify the City by Electronic Means of any proposed remarketing of Liquidity Provider Bonds by the close of business on the Business Day preceding the proposed date of remarketing of such Liquidity Provider Bonds.

Part 4.9 Source of Funds for Purchase of Bonds of a Subseries. On or before the close of business on the Purchase Date or the Mandatory Purchase Date with respect to Bonds of a subseries, the Tender Agent shall purchase such Bonds from the Owners at the Purchase Price. Unless otherwise provided in the Ordinance or in a certificate of an Authorized Officer of the City delivered to the Paying Agent/Registrar, the Tender Agent and the Remarketing Agent on a Mandatory Purchase Date, funds for the payment of such Purchase Price shall be derived solely from the following sources in the order of priority indicated:

(a) immediately available funds on deposit in the Remarketing Proceeds Account with respect to Bonds of such subseries; and

(b) to the extent a Liquidity Facility is in effect, immediately available funds on deposit in the Liquidity Facility Purchase Account derived from the Liquidity Facility relating to Bonds of such subseries.

Notwithstanding the foregoing, unless otherwise provided in the Ordinance or in a certificate of an Authorized Officer of the City delivered to the Paying Agent/Registrar, the Tender Agent and the Remarketing Agent on a Mandatory Purchase Date (accompanied by an Opinion of Counsel to the effect that such payment will not constitute an avoidable preference under Part 547 of the United States Bankruptcy Code), the City and for so long as the Liquidity Facility Provider is not in default on its payment obligations under the Liquidity Facility may not transfer funds to the Tender Agent for the payment of the Purchase Price of any Bond that is tendered or deemed tendered for purchase in accordance with this Appendix A and the Purchase Price of which is not paid on the Purchase Date or Mandatory Purchase Date from any of the sources identified above. None of the City, the Paying Agent/Registrar, the Tender Agent nor the Remarketing Agent shall have any liability or obligation to pay or, except from the sources identified above, make available such Purchase Price. Unless otherwise provided in the Ordinance or in a certificate of an Authorized Officer of the City delivered to the Paying Agent/Registrar and Tender Agent on a Mandatory Purchase Date, the failure to pay any such Purchase Price for Bonds of a subseries that have been tendered or deemed tendered for purchase from any of the sources identified above shall not constitute an Event of Default under the Ordinance and in the case of such failure none of such Bonds shall be purchased and such Bonds shall remain in the Mode in effect immediately preceding such Purchase Date or Mandatory Purchase Date, as the case may be, unless such Mode is automatically converted to a Weekly Rate Mode pursuant to Part 2.6 hereof, or unless such Bonds are in a Term Mode.

For Bonds in a Term Mode, on each Business Day following the failed remarketing on the applicable Purchase Date, the Remarketing Agent shall continue to use its best efforts to remarket the applicable subseries of Bonds into the Mode Period designated by the City, at the direction of the Authorized Representative (or such other Interest Rate Period as the Paying Agent/Registrar, at the direction of the Authorized Representative shall thereafter designate to the Remarketing Agent). Once the Remarketing Agent has advised the City that it has a good faith belief that it is able to remarket all of the applicable subseries of Bonds into the designated Mode, the Paying Agent/Registrar, at the direction of the Authorized Representative, will give notice by mail to the Owners of such Bonds not later than five Business Days prior to the purchase date, which notice will state (1) that the Mode on such Bonds will continue to be a Term Mode or will be

adjusted to a different Mode on and after the purchase date; (2) that such Bonds will be subject to mandatory tender for purchase on the purchase date; (3) the procedures for such mandatory tender; (4) the purchase price of such Bonds on the purchase date (expressed as a percentage of the principal amount thereof); and (5) the consequences of a failed remarketing.

Part 4.10 Delivery of Bonds. Book-Entry Tenders. Notwithstanding any other provision of this Part 4.10 to the contrary, all tenders for purchase during any period in which the Bonds are registered in the name of Cede & Co. (or the nominee of any successor Securities Depository) shall be subject to the terms and conditions set forth in the Representations Letter and to any regulations promulgated by DTC (or any successor Securities Depository). For so long as the Bonds are registered in the name of Cede & Co., as nominee for DTC, the tender option rights of Holders of Bonds may be exercised only by DTC by giving notice of its election to tender Bonds or portions thereof at the times and in the manner described above. Beneficial Owners will not have any rights to tender Bonds directly to the Tender Agent. Procedures under which a Beneficial Owner may direct a Direct Participant or DTC, or an Indirect Participant of DTC acting through a Direct Participant of DTC, to exercise a tender option right in respect of Bonds or portions thereof in an amount equal to all or a portion of such Beneficial Owner's beneficial ownership interest therein shall be governed by standing instructions and customary practices determined by such Direct Participant or Indirect Participant. For so long as the Bonds are registered in the name of Cede & Co., as nominee for DTC, delivery of Bonds required to be tendered for purchase shall be effected by the transfer on the applicable Purchase Date of a book-entry credit to the account of the Tender Agent of a beneficial interest in such Bonds.

Except as otherwise required or permitted by the book-entry-only system of the Securities Depository, the Bonds of a subseries shall be delivered as follows:

(a) Bonds of a subseries sold by the Remarketing Agent pursuant to Part 4.8 shall be delivered by the Remarketing Agent to the purchasers of those Bonds by 3:30 p.m. on the Purchase Date or the Mandatory Purchase Date, as the case may be.

(b) The Tender Agent shall, as appropriate to the circumstances, either (i) register Bonds of a subseries purchased by the Tender Agent with moneys described in Part 4.9(b), or if any such Bond is not delivered by the Owner thereof, a new Bond of such subseries in replacement of the undelivered Bond, in the name of the Liquidity Facility Provider or, if directed in writing by the Liquidity Facility Provider, its nominee or

designee on the registry books on or before the close of business on the Purchase Date or Mandatory Purchase Date, as the case may be, and shall promptly deliver such Bonds to the custodian, if any, provided for in the Liquidity Facility or as the Liquidity Facility Provider may otherwise direct in writing, and prior to such delivery shall hold such Bonds of such subseries in trust for the benefit of the Liquidity Facility Provider or (ii) cause the beneficial ownership of such Bonds of such subseries to be credited to the account of the Liquidity Facility Provider or, if directed in writing by the Liquidity Facility Provider, its nominee or designee with DTC.

(c) When any Liquidity Provider Bonds of a subseries are remarketed, the Tender Agent shall not release the Bonds so remarketed to the Remarketing Agent until the Tender Agent has received and forwarded to or for the account of the Liquidity Facility Provider the proceeds of such remarketing and (i) the Liquidity Facility has been reinstated by an amount equal to the principal amount of Liquidity Provider Bonds so remarketed plus the interest component of the Available Amount calculated with respect to such principal amount of Bonds, which reinstatement the Tender Agent has confirmed with the Liquidity Facility Provider, or (ii) if the Bonds of a subseries became Liquidity Provider Bonds on a Mandatory Purchase Date and a Liquidity Facility is no longer in effect with respect to Bonds of such subseries after the Mandatory Purchase Date, any draws on such Liquidity Facility and interest thereon have been reimbursed to the Liquidity Facility Provider.

Part 4.11 Delivery and Payment for Purchased Bonds of a Subseries: Undelivered Bonds. Except as otherwise required or permitted by the book-entry-only system of the Securities Depository, the Bonds of a subseries purchased pursuant to this Article shall be delivered (with all necessary endorsements) at or before 3:30 p.m. on the Purchase Date or Mandatory Purchase Date, as the case may be, at the office of the Tender Agent in New York, New York; provided, however, that payment of the Purchase Price of any Bond of a subseries purchased pursuant to Part 4.1 hereof shall be made only if such Bond so delivered to the Tender Agent conforms in all respects to the description thereof in the notice of tender. Payment of the Purchase Price shall be made by wire transfer in immediately available funds by the Tender Agent by the close of business on the Purchase Date or Mandatory Purchase Date, as the case may be, or, if the Owner has not provided or caused to be provided wire transfer instructions, by check mailed to the Owner at the address appearing in the books required to be kept by the Paying Agent/Registrar pursuant to the Ordinance. If Bonds of a subseries to be

purchased are not delivered by the Owners to the Tender Agent by 3:30 p.m. on the Purchase Date or the Mandatory Purchase Date, as the case may be, the Tender Agent shall hold any funds received for the purchase of those Bonds in trust in a separate account and shall pay such funds to the former Owners upon presentation of the Bonds subject to tender. Any such amounts shall be held uninvested. Such undelivered Bonds are deemed tendered and cease to accrue interest as to the former Owners on the Purchase Date or the Mandatory Purchase Date, as the case may be, and moneys representing the Purchase Price shall be available against delivery of those Bonds at the office of the Tender Agent in New York, New York; provided, however, that any funds which are so held by the Tender Agent and which remain unclaimed by the former Owner of any such Bond not presented for purchase for a period of two years after delivery of such funds to the Tender Agent, shall, to the extent permitted by law, upon request in writing by the City and the furnishing of security or indemnity to the Tender Agent's satisfaction, be paid to the City free of any trust or lien and thereafter the former Owner of such Bond shall look only to the City and then only to the extent of the amounts so received by the City without any interest thereon and the Tender Agent shall have no further responsibility with respect to such moneys or payment of the Purchase Price of such Bonds. The Tender Agent shall authenticate a replacement Bond of a subseries for any undelivered Bond of such subseries which may then be remarketed by the Remarketing Agent.

Part 4.12 Draws on Liquidity Facility.

(a) To the extent a Liquidity Facility is in effect with respect to the Bonds of a subseries, on each Purchase Date or Mandatory Purchase Date with respect to Bonds of such subseries, as the case may be, the Paying Agent/Registrar or the Tender Agent shall draw on the Liquidity Facility supporting the Bonds of such subseries in accordance with the terms thereof or if provided in the Liquidity Facility the Paying Agent/Registrar shall cause to have transferred the proceeds of such draw to the Tender Agent so as to have funds deposited with the Tender Agent by 2:00 p.m. on such date in an amount, in immediately available funds, sufficient, together with the proceeds of the remarketing of such Bonds on such date, to enable the Tender Agent to pay the Purchase Price in connection therewith, provided notice of such draw is delivered to the Paying Agent/Registrar in accordance with the terms of the Credit Facility Agreement. The Tender Agent shall deposit said proceeds in the related Liquidity Facility Purchase Account.

(b) Notwithstanding the foregoing provisions of this Part, the Paying Agent/Registrar shall not draw on a Liquidity Facility with respect to

the Purchase Price of Liquidity Provider Bonds or Bonds of a subseries owned by or on behalf of the City, any subsidiary or affiliate of the City, or the Liquidity Facility Provider.

ARTICLE V

LIQUIDITY FACILITIES AND CREDIT FACILITIES

Part 5.1 Liquidity Facility and Credit Facility.

(a) Subject to the terms of the existing Credit Facility or Liquidity Facility, as applicable, at any time the City may provide for the delivery to the Paying Agent/Registrar of (i) an initial and an Alternate Liquidity Facility with respect to the Bonds of any subseries, and/or (ii) an initial and an Alternate Credit Facility with respect to the Bonds of any subseries. The City shall not obtain a Liquidity Facility for the Bonds of a subseries or provide for the delivery of a Liquidity Facility for the Bonds of a subseries to the Paying Agent/Registrar without the prior written consent of the Credit Facility Provider for the Bonds of such subseries. Any such Liquidity Facility or Credit Facility shall provide that a Termination Date which permits the Paying Agent/Registrar to make on the Termination Tender Date a draw under the Liquidity Facility or the Credit Facility, as the case may be, shall not occur unless written notice thereof is given to the Paying Agent/Registrar and the Tender Agent at least 15 days prior to the Termination Tender Date. To the extent that any Liquidity Facility or Credit Facility permits the City thereof to assign its obligation thereunder, such Liquidity Facility or Credit Facility, as the case may be, shall provide that such assignment shall not be effective unless a written notice of such assignment is given to the Paying Agent/Registrar and the Tender Agent at least 16 days prior to the effective date of such assignment. On or prior to the date on which an Alternate Liquidity Facility, or an initial or an Alternate Credit Facility, is obtained or delivered to the Paying Agent/Registrar, the City shall furnish to the Paying Agent/Registrar a Favorable Opinion of Bond Counsel as set forth in subpart (c)(ii) herein. As provided in Part 4.5 hereof, all Outstanding Bonds of the subseries to which such Liquidity Facility or Credit Facility relates will become subject to mandatory tender for purchase on the Substitution Date.

(b) At the direction of the City, the Paying Agent/Registrar shall execute and deliver any instrument that, upon such execution and delivery

by the Paying Agent/Registrar, would constitute a “Credit Facility” or “Liquidity Facility.”

(c) The City shall deliver to the Paying Agent/Registrar, the Tender Agent, the Credit Facility Provider and the Remarketing Agent a copy of each Liquidity Facility or Credit Facility obtained pursuant to this article on the effective date of such Liquidity Facility or Credit Facility. If at any time there shall have been delivered to the Paying Agent/Registrar (i) an Alternate Credit Facility or Alternate Liquidity Facility in substitution for the Credit Facility or Liquidity Facility with respect to Bonds of a subseries then in effect and (ii) a Favorable Opinion of Bond Counsel, then, providing that any condition to substitution contained in the existing Credit Facility or Liquidity Facility shall have been satisfied, the Paying Agent/Registrar shall accept such Alternate Credit Facility or Alternate Liquidity Facility and, subject to subpart (d) of this Part, shall surrender the Credit Facility or Liquidity Facility then in effect to the Credit Facility Provider or Liquidity Facility Provider on the effective date of the Alternate Credit Facility or Alternate Liquidity Facility. In the event of an extension of the Expiration Date, the City shall give the Paying Agent/Registrar, the Tender Agent, the Credit Facility Provider and the Remarketing Agent a written notice of the new Expiration Date at least 16 days prior to the Expiration Tender Date. In the event of a substitution of a Liquidity Facility with an Alternate Liquidity Facility or of a Credit Facility with an Alternate Credit Facility, the City shall give the Paying Agent/Registrar, the Tender Agent and the Remarketing Agent a written notice of the Substitution Date at least 16 days prior to such Substitution Date. The City shall give the Paying Agent/Registrar, Tender Agent and the Remarketing Agent a written notice of its election to terminate the Credit Facility or the Liquidity Facility at least 16 days prior to the Termination Tender Date resulting from its election to terminate such Credit Facility or Liquidity Facility.

(d) In no event shall the Paying Agent/Registrar surrender or cancel a Liquidity Facility relating to the Bonds of any subseries unless it has received funds, either from proceeds of remarketing or a draw under such Liquidity Facility to be surrendered or cancelled, sufficient to pay the Purchase Price of such Bonds to the applicable Mandatory Purchase Date. In no event shall the Paying Agent/Registrar surrender or cancel a Credit Facility relating to the Bonds of any subseries unless it has received funds sufficient to pay the Purchase Price of such Bonds to the applicable Mandatory Purchase Date.

(e) The Paying Agent/Registrar shall not sell, assign or otherwise transfer the Credit Facility or Liquidity Facility, except to a successor Paying Agent/Registrar hereunder and in accordance with the terms of the Credit Facility or Liquidity Facility and the Ordinance.

(f) To the extent that both the Liquidity Facility Provider for the Bonds of a subseries is not at the same time also the Credit Facility Provider with respect to such Bonds and the Credit Facility Provider is an insurance company, neither the City, nor the Paying Agent/Registrar shall consent to the substitution of a new Credit Facility Provider for the then-existing Credit Facility Provider, or the surrender, cancellation, termination, amendment or modification of the then-existing Credit Facility, without the prior written consent of the Liquidity Facility Provider.

(g) On or prior to the Substitution Date, no drawing under an Alternate Liquidity Facility shall be made by the Paying Agent/Registrar if the predecessor Liquidity Facility is effective and available to make drawings thereunder on the date of such drawing. After the Substitution Date, no drawing under a predecessor Liquidity Facility shall be made by the Paying Agent/Registrar if the Alternate Liquidity Facility is effective and available to make drawings thereunder on the date of such drawing.

(h) In connection with a mandatory tender for purchase upon substitution of an Alternate Credit Facility or Liquidity Facility pursuant to Part 4.5(iv), the City may provide that any Credit Facility or Liquidity Facility is terminated on and after such substitution, and that provided that no amounts are then owed to the Credit Facility Provider or Liquidity Facility Provider and that no Liquidity Provider Bonds are then held under the Liquidity Facility, the rights of the Liquidity Facility Provider or Credit Facility Provider under the Ordinance and with respect to the Bonds thereafter cease.

Part 5.2 Direct-Pay Liquidity Facility Drawing Account.

(a) If a Direct-Pay Liquidity Facility is in effect with respect to the Bonds of any subseries, there is hereby created and established, and there shall be maintained as an Eligible Account with the Paying Agent/Registrar for the Bonds of each subseries, a separate fund to be known as “City of Austin, Texas, Hotel Occupancy Tax Subordinate Lien Variable Rate Revenue Refunding Bonds, Series 2008 Direct-Pay Liquidity Facility Drawing Account” (the “Direct-Pay Liquidity Facility Drawing Account”).

(b) The City shall make payments of principal and redemption price of and interest on the Bonds of a subseries in accordance with the Ordinance into the Bond Fund and transfer such amounts to the respective paying agent/registrar in accordance with Part 5.05 of the Ordinance as and when the same becomes due and payable regardless of whether a Direct-Pay Liquidity Facility is in effect with respect to the Bonds of such subseries.

(c) If a Direct-Pay Liquidity Facility is in effect with respect to the Bonds of a subseries, the Paying Agent/Registrar shall take all action necessary to draw or make a claim on the related Direct-Pay Liquidity Facility in such amounts, at such times, and in such manner as is necessary to pay the principal and redemption price (including, to the extent amounts are available therefor under the Direct-Pay Liquidity Facility, from Sinking Fund Installments) of and interest on all Bonds payable therefrom as and when the same becomes due and payable. The Paying Agent/Registrar shall promptly deposit into the related Direct-Pay Liquidity Facility Drawing Account all moneys so drawn by the Paying Agent/Registrar under the related Direct-Pay Liquidity Facility, which may not be with any other moneys held by Paying Agent/Registrar and which must be applied to the payment of such principal, redemption price and interest. If such a draw is required, the provision of indemnification under the Paying Agent/Registrar Agreement may not be a condition precedent to such draw or any payment therefrom, including payment of Purchase Price. Further, if a Direct-Pay Liquidity Facility is in effect, the provision of indemnification under the Paying Agent/Registrar Agreement may not be a condition precedent to causing a mandatory tender hereunder or carrying out the provisions of this Ordinance to effectuate such mandatory tender.

(d) Subject to the immediately succeeding paragraph, on each principal installment due date or Redemption Date, as the case may be, and Interest Payment Date, the Paying Agent/Registrar shall make payments of principal or redemption price of and interest on the Bonds of a subseries for which a drawing on the Credit Facility has been made to their Owners in accordance with the Ordinance. Amounts of such drawing are not available to pay principal or the redemption price of or interest on Bonds of any subseries other than Bonds of a subseries which are supported by such Direct-Pay Liquidity Facility.

If a Direct-Pay Liquidity Facility is in effect with respect to the Bonds of any subseries, notwithstanding the immediately preceding paragraph, the Paying Agent/Registrar shall make payments of principal or redemption price of and

interest on the Bonds of such subseries to their Owners in the manner provided for in the Ordinance from the moneys deposited in the related Direct-Pay Liquidity Facility Drawing Account pursuant to subpart (c) of this Part. If sufficient funds are not available in the related Direct-Pay Liquidity Facility Drawing Account, and the Liquidity Facility Provider has failed to honor a properly presented drawing, the Paying Agent/Registrar shall apply other moneys, if any, transferred by the City from the Bond Fund, including but not limited to the City's payments pursuant to subpart (b) of this Part (excluding moneys available in any other Direct-Pay Liquidity Facility Drawing Account established with respect to any other subseries of Bonds), to the extent necessary to make such payment. If the principal or redemption price of and interest on the Bonds of a subseries has been paid in full when due and all payments required to be made under the Direct-Pay Liquidity Facility have been made, the Paying Agent/Registrar shall apply remaining moneys, if any, transferred by the City from the Bond Fund, including but not limited to the City's payments pursuant to subpart (b) of this Part (excluding moneys available in any other Direct-Pay Liquidity Facility Drawing Account established with respect to any other subseries of Bonds) in an amount not to exceed the amount of the draw or borrowing under the Direct-Pay Liquidity Facility to reimburse Liquidity Facility Provider.

(e) Amounts held in each Direct-Pay Liquidity Facility Drawing Account must be held uninvested and separate and apart from all other funds and accounts. The Paying Agent/Registrar shall have no lien on amounts in the Direct-Pay Facility Drawing Account or any account of the Purchase Fund for payment of fees or other amounts owed to the Paying Agent/Registrar.

(f) Notwithstanding the foregoing provisions of this Part, the Paying Agent/Registrar shall not draw on a Direct-Pay Liquidity Facility with respect to principal of or interest on Liquidity Provider Bonds.

Part 5.3 No Draws Under Credit Facility or Direct-Pay Liquidity Facility for City. Unless permitted under the Credit Facility or Direct-Pay Liquidity Facility, the Paying Agent/Registrar may make no drawings under the Credit Facility or Direct-Pay Liquidity Facility for payment of regularly scheduled principal of or interest on Bonds owned by or on behalf of the City or any affiliate or agent of the City.

The City shall appoint and employ the services of a Remarketing Agent prior to any Purchase Date or Mode Change Date while the Bonds of any subseries are in the Term Rate Mode or the Auction Rate Mode.

Any Remarketing Agent may at any time resign and be discharged of the duties and obligations created by the Ordinance by giving notice to the related Liquidity Facility Provider, the Paying Agent/Registrar, the City, the related Credit Facility Provider and the Tender Agent in accordance with the Remarketing Agreement. Any Remarketing Agent may be removed at any time, at the direction of the City, by an instrument filed with the Paying Agent/Registrar, the related Remarketing Agent and the related Tender Agent in accordance with the Remarketing Agreement.

Any Remarketing Agent and any successor Remarketing Agent shall be selected by the City, with the prior written consent of the Credit Facility Provider, and shall be a member of the National Association of Securities Dealers, Inc., shall have a capitalization of at least \$15,000,000, and shall be authorized by law to perform all the duties set forth in the Ordinance. The City's delivery to the Paying Agent/Registrar of a Certificate setting forth the effective date of the appointment of a Remarketing Agent and the name, address and telephone number of such Remarketing Agent is conclusive evidence that (i) such Remarketing Agent has been appointed and is qualified to act as Remarketing Agent under the terms of the Ordinance and (ii) if applicable, the predecessor Remarketing Agent has been removed in accordance with the provisions of the Ordinance.

Each Remarketing Agent shall keep such books and records as are consistent with prudent industry practice and make such books and records available for inspection by the City, the Paying Agent/Registrar, the related Credit Facility Provider and the related Liquidity Facility Provider at all reasonable times.

Part 6.2 Tender Agent. The City shall appoint and employ the services of the Tender Agent while the Bonds of any subseries are in the Daily Mode, the Weekly Mode or the Commercial Paper Mode. The City shall appoint and employ the services of the Tender Agent prior to any Purchase Date or Mode Change Date while the Bonds of any subseries are in the Term Rate Mode or the Auction Rate Mode.

The Tender Agent may at any time resign and be discharged of the duties and obligations created by the Ordinance by giving at least 15 days' notice to the related Liquidity Facility Provider, the Paying Agent/Registrar, the City and the related Credit Facility Provider, provided that a successor Tender Agent is appointed and acting hereunder on or prior to the effective date of such resignation or discharge, any Liquidity Facility has been transferred to such successor Tender Agent, and the City has received from such successor written notice of acceptance of the duties of Tender Agent. The Tender Agent may be removed at any time, at the direction of the City, by an instrument filed with the Paying Agent/Registrar and the related Remarketing Agent and upon at least 15 days' notice to the Tender Agent, provided that a successor Tender Agent is appointed and acting hereunder on or prior to the effective date of such removal, any Liquidity Facility has been transferred to such successor Tender Agent, and the City has received from such successor written notice of acceptance of the duties of Tender Agent, which may be in the form of a new Tender Agent Agreement.

A successor Tender Agent shall be selected by the City, with the prior written consent of any Credit Facility Provider, and shall be a bank or other financial institution that satisfies the qualifications set forth in the Ordinance for a Paying Agent/Registrar. The City's delivery to the Paying Agent/Registrar of a Certificate setting forth the effective date of the appointment of a Tender Agent and the name, address and telephone number of such Tender Agent shall be conclusive evidence that (i) such Tender Agent has been appointed and is qualified to act as Tender Agent under the terms of the Ordinance and (ii) if applicable, the predecessor Tender Agent has been removed in accordance with the provisions of the Ordinance.

The Tender Agent shall keep such books and records as are consistent with prudent industry practice and make such books and records available for inspection by the City, the Paying Agent/Registrar, the related Credit Facility Provider and the related Liquidity Facility Provider at all reasonable times.

The Tender Agent shall be a fiduciary. Unless otherwise provided, the Paying Agent/Registrar is deemed the Tender Agent for purposes of this Appendix A and Exhibit 1 hereto.

Part 6.3 Auction Agent. The City shall direct the Paying Agent/Registrar in writing to appoint and employ the services of an Auction Agent while the Bonds of any subseries are in the Auction Rate Mode. The Paying Agent/Registrar shall upon such direction appoint the Auction Agent. No appointment of the Auction Agent for the Bonds of a subseries is effective without

the consent of the Credit Facility Provider for the Bonds of such subseries. Such consent is deemed to have been given if such Credit Facility Provider delivers the Credit Facility on the Closing Date or Mode Change Date, as the case may be, or unreasonably withholds its consent. The Paying Agent/Registrar shall have the right to remove the Auction Agent as provided in the Auction Agreement. The Paying Agent/Registrar shall, upon a written direction of the Credit Facility Provider for the Bonds of a subseries, remove the Auction Agent for the Bonds of such subseries if the Auction Agent fails to comply with its obligations under the Auction Agreement.

Part 6.4 Broker-Dealers. The City shall appoint and employ the services of one or more Broker-Dealers for the Bonds of each subseries that are in the Auction Rate Mode.
