2. F# 8454-0704 Vacation of the 12800 Block of Delcour Dr

Mr. Alex Papavasiliou with the Real Estate Services Division of Public Works explained this portion of the road is currently barricaded and not in use. He said it will be retained as a utility easement and ultimately will become a private driveway. Chair Bucknall asked if the applicant submitted traffic impact analysis (TIA) numbers and asked if neighbors were opposed to the vacation. Applicant Joe Lamos with McShane Company said TIAs were submitted but he did not have the numbers on him. Mr. Papavasiliou said six neighbors within 300 feet were notified of this request and no letters of opposition were received by his office.
