---

Robero Behar and Rosario Marquardt were placed under a Commission Contract to fabricate the final design on June 14, 2008. Under this contract the City is responsible for preparing the site for public art including providing the electrical design and installation to general locations near the site, preparing footings for the artwork and installation of artwork components. The Economic Growth and Redevelopment Services Office is requesting to amend the contract with Robero Behar and Rosario Marquardt to include the site preparation items named above. Funding for this amendment will be allocated from the AIPP contingency for an amount not to exceed \$30,000.
