**Subject:** FW: Sonic #01-2632 S Lamar; OPT-OUT of VMU

Melissa & Planning Commissioners,

I am sending this email asking that you and the Planning Commission allow our Sonic Drive-In property to OPT-OUT of their recommendation to the City Council for VMU Overlay in case C14-2008-0060. We do not wish VMU zoning on our Sonic Drive-In located at 2632 S Lamar. We intend to operate this location as a Sonic Drive-In for the foreseeable future. We have circumstantial evidence that VMU zoning on our near our property will raise the tax valuation with the Travis Central Appraisal District. We must cope with normally rising tax valuations on our properties without the possibility of the Appraisal District suggesting higher value to our property because it has VMU zoning.

I have been told by Andrew Holubeck that the Appraisal District would not raise valuations because of VMU zoning, but our own our own actual experience suggests that this may not directly or indirectly be the case. In any case, we choose to OPT-OUT at this time.

Because of a scheduling conflict, I cannot attend the Planning Commission hearing Tuesday evening August 12<sup>th</sup>. So at the suggestion of Andrew Holubeck, I am sending this email to you and each Planning Commissioner to notify you all of our desire to OPT-OUT. I plan to attend the City Council meeting August 28<sup>th</sup> that has this agenda item scheduled.

Melissa, can you reply with any assurance that this request will be considered before a final recommendation is forwarded by the Planning Commission to the Council?

Thanks.

John

Comments Please do not allow this to happen in ZIPER!  
VMUs belong downtown, not in an area prized for its natural beauty  
and ~~some~~ rare aquifer. The entire charm of this area will be hurt by

Thank you!

Comments Bigger buildings with less off street parking seems bad for the residential parts of the neighborhood.

### INFORMATION ON PUBLIC HEARINGS

THE NEIGHBORHOOD PLANNING AND ZONING DEPARTMENT HAS FILED AN APPLICATION TO IMPLEMENT THE VERTICAL MIXED-USE (VMU) LAND USE REGULATIONS. THIS NOTICE HAS BEEN MAILED TO YOU BECAUSE YOU OWN PROPERTY, ARE A REGISTERED ENVIRONMENTAL OR NEIGHBORHOOD ORGANIZATION, OR HAVE A UTILITY SERVICE ADDRESS WITHIN 500 FEET OF A VMU ELIGIBLE PROPERTY.

This request for zoning/rezoning will be reviewed and acted upon at two public hearings: First, before the Planning Commission and then before the City Council. After a public hearing, the Planning Commission reviews and evaluates City staff recommendation and public input and then sends its own recommendation on the proposed VMU land use regulations to the City Council. Meeting dates and locations are shown on this notice.

During its public hearing, the board or commission may postpone or continue an applicant's hearing to a later date. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

- 1) We already have overflow parking on Kinney Road (east side of Lamar from music events held in the back parking area at 2310 S. Lamar (west side of Lamar).
- 2) During SXSW the overflow parking from multiple events held in outdoor parking lots on the west side of Lamar extended onto Del Curto and Iva Lane as well as onto Kinney Rd. — both sides of the street.
- 3) It is dangerous for people to be crossing S. Lamar at these locations because there are No Traffic Lights at either Kinney Rd. or Del Curto, the traffic is heavy, and the speed limit is fast.

## INFORMATION ON PUBLIC HEARINGS

THE NEIGHBORHOOD PLANNING AND ZONING DEPARTMENT HAS FILED AN APPLICATION TO IMPLEMENT THE VERTICAL MIXED-USE (VMU) LAND USE REGULATIONS. THIS NOTICE HAS BEEN MAILED TO YOU BECAUSE YOU OWN PROPERTY, ARE A REGISTERED ENVIRONMENTAL OR NEIGHBORHOOD ORGANIZATION, OR HAVE A UTILITY SERVICE ADDRESS WITHIN 500 FEET OF A VMU ELIGIBLE PROPERTY.

This request for zoning/rezoning will be reviewed and acted upon at two public hearings: First, before the Planning Commission and then before the City Council. After a public hearing, the Planning Commission reviews and evaluates City staff recommendation and public input and then sends its own recommendation on the proposed VMU land use regulations to the City Council. Meeting dates and locations are shown on this notice.

During its public hearing, the board or commission may postpone or continue an applicant's hearing to a later date. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.
