

PUBLIC HEARING INFORMATION

The proposed amendment will be reviewed and acted upon at two public hearings first, before the Planning Commission and then before the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed amendment. You may also contact a registered neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During a public hearing, the board or commission may postpone or continue an application's hearing to a later date, or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a plan amendment request, or approve an alternative to the amendment requested.

It's important to the area
to leave alone the way
it is.

It does not need to be built
out with condos townhomes
Apts or any thing else.

Just let it be!
