

Notification of issuance of a Request for Qualifications (RFQ) for the subject services was sent to 294 firms on March 21, 2008. The RFQ was obtained by 60 firms, and eleven firms submitted qualification statements. One of the firms is a certified M/WBE firm.

RECOMMENDED FIRM: INTERA INCORPORATED, AUSTIN, TX – Total Participation:

NON M/WBE – PRIME

Intera Incorporated, Austin, TX

MBE TOTAL – SUBCONSULTANT

African American

(FB) Group Solutions RJW, Austin, TX

(community development consulting, communications: public relations consulting)

Hispanic

(MH) Crespo Consulting Services, Inc., Austin, TX

(engineers-environmental, geographic information systems-GIS, testing and monitoring services, air, gas, and waste, hydrological services, environmental impact studies, site assessment, environmental, utilities: gas, water, electric consulting, environmental consulting, site assessment and site field observation, designing services, pollution control engineering services, drainage engineering, civil engineering)

(FH) MWM Design Group, Inc., Austin, TX

(land surveying, hydrological services, environmental impact studies, site assessment, environmental, surveying, traffic and transportation engineering services, landscape architecture and additional engineering services)

(MH) Magnacore Drilling, Allen, TX

(boring, drilling, testing and soundings, testing and monitoring)

Asian/Native American

(MA) CAS Consulting and Services, Inc., Austin, TX

(video scanning of sewers, waterwells, ect., mapping services, site assessment, designing, site assessment and site field observation, geotechnical-soils, drafting services, transportation consulting, project scheduling, construction, site assessment and site field observation, traffic and transportations engineering, and additional engineering services)

(MA) DHL Analytical, Inc., Round Rock, TX

(chemical laboratory services, laboratory services for hazardous waste and envrio, laboratory and field testing services-not otherwise)

(FA) Eclipse Enviro & Engineering, Austin, TX

(geologist, hydrological services, environmental impact studies, conservation/resource management, soil, environmental, site inspection, civil engineering, and additional engineering services)

WBE TOTAL – SUBCONSULTANT

(FW) Holt Engineering Inc., Austin, TX

(well services, laboratory and field testing services, hydrological services, geotechnical-soils)

(FW) Hicks & Co. Environmental, Austin, TX

(environmental impact studies, feasibility studies, environmental consulting, community development consulting, archeological consulting, analytical studies and surveys-consulting)
(FW) Landmark Surveying, LP, Austin, TX
(land surveying, surveying services, computer aided design services, drafting services)
(FW) Vortex Drilling, Inc., San Antonio, TX
(boring, drilling, testing and soundings, well services)

NON M/WBE TOTAL – SUBCONSULTANT

PBS&J, Austin, TX

(energy conservation, safety engineering, boring, drilling testing and soundings, geotechnical-soils, environmental consulting, and additional environmental and engineering services)

URS, Austin, TX

(environmental engineering, civil engineering, solid wastes, disposal systems, engineering consulting, energy conservation; new energy sources)

Zephyr, Austin, TX

(safety engineering and accident studies, OSHA studies, testing services, environmental/ engineering consulting and services, and additional educational and safety training services)

RECOMMENDED FIRM: TRC ENVIRONMENTAL CORP., AUSTIN, TX – Total Participation:

NON M/WBE – PRIME

TRC Environmental Corp., Austin, TX

MBE TOTAL – SUBCONSULTANT

African American

(MB) The Cadman Design and Building Group, Cedar Park, TX

(computer aided design services)

(MB) HVJ Associates, Inc., Austin, TX

(boring, drilling, testing and soundings, environmental consulting, computer aided design services, environmental impact studies, laboratory and field testing services)

(MB) Unified Environmental Solutions, Inc., Leander, TX

(environmental engineering, pollution control engineering)

Hispanic

(MH) Crespo Consulting Services, Inc., Austin, TX

(environmental consulting, civil engineering, environmental engineering, pollution control engineering, environmental impact studies, hydrological services, testing and monitoring services)

(MH) Ecological Communications Corporation, Austin, TX

(environmental consulting, environmental impact studies)

(FH) MWM Design Group, Inc., Austin, TX

(civil engineering, pollution control engineering, environmental impact studies, hydrological services, survey-not aerial or reseach)

(FH) Estilo Communications, Austin, TX

(environmental impact studies)

Asian/Native American

(MA) DHL Analytical, Round Rock, TX

(laboratory services for hazardous waste and enviro, chemical laboratory services)

(FA) Eclipse Environmental, Austin, TX

(environmental consulting, civil engineering, environmental engineering, pollution control engineering, environmental impact studies, hydrological services)

WBE TOTAL – SUBCONSULTANT

(FW) Baer Engineering and Environmental Consulting, Inc., Austin, TX

(environmental consulting, civil engineering, environmental engineering, environmental impact studies)

(FW) Glenrose Engineering, Inc., Austin, TX

(environmental consulting, environmental engineering, testing and monitoring services, air, gas and waste)

(FW) Hicks & Co. Environmental, Austin, TX

(environmental consulting, environmental impact studies)

(FW) Hill Country Environmental, Inc., Austin, TX

(environmental consulting, computer aided design services, civil engineering, environmental engineering, pollution control engineering, environmental impact studies, hydrological services, laboratory services for hazardous waste and enviro)

(FW) Holt Engineering, Inc., Austin, TX

(geotechnical-soils, hydrological services, laboratory and field testing services)

(FW) Zara Environmental Enterprise, Buda, TX

(specialists in endangered karst species)

NON M/WBE TOTAL – SUBCONSULTANT

RPS JDC, Austin, TX

(air quality; environmental compliance/EMS: EMS data management)
