We the undersigned property owners and residents who own property or live in proximity to a proposed development of a multistory transitional housing facility on approximately 5 acres at 5908 Manor Road, Austin, Texas, hereby request that this development not be allowed to take place. Our neighborhood is at a tipping point. We have more than our share of homeless shelters, halfway houses for parolees and sex offenders, transitional housing, Section 8 housing, etc. We are concerned about our neighborhood, our homes, our property values, and the safety of our families.
