On motion of Alderman Moore the Clerk was directed to notify the Sanitary Committee to submit at the next meeting of the Council a report from said Committee on the ordinance amending the plumbing ordinance.

Alderman Shumate for the paving Committee presented the following reports, which were read & adopted
 Austin, Texas, Oct 17, 1905.

Paving Committee report to the Hon W. S. Shelley, Mayor & City Council of the City of Austin Gentlemen:

M. B. Batten

We, your Paving Committee, heretofore appointed under the authority of the City Council and by the Mayor, beg leave to report, that under an ordinance passed on the 10th of March 1905, and approved on the 11th day of March 1905, We, on the 10th day of October, 1905, issued by M. B. Batten notice to meet with the said paving Committee on the 17th day of October, 1905, notifying him to appear before said Committee on the 17th day of October, 1905, and to offer any objections he might have as to the bid and contract of P. A. Brown should not be accepted as to the work of paving East Side Street and, especially, in front of the W. B. Pickwick Hotel, in Block 68, City of Austin, and in accordance with the said

Committee as to the proportionate share of costs to be borne by the said McButtich for such paving of said East Sixth Street. And at said meeting no said objection was offered as to why said Contract should not be adopted and it appeared to the Committee that the reasonable amount and proportionate share of costs to be paid by the said McButtich for such paving is \$234.00.

He, therefore, recommends that, unless the said McButtich ratify and adopt this action in ascertaining such proportionate share to be paid by him within ten days from this date, the City Attorney be instructed to institute the necessary proceedings in accordance with the ordinance above referred to.

Respectfully Submitted

J. H. Thumate

J. D. Smith

E. W. Moore
