C14-2008-0112 (4209 Clawson)

Mr. Patterson,

The South Lamar Neighborhood Association is officially requesting a postponement of this hearing scheduled for October 16th because it conflicts with our regular neighborhood association meeting. Our request is for it to be scheduled on November 20, because we have another case scheduled for that same night. Therefore we strongly prefer November 20th. This only skips one possible alternative date, November 6th. SLNA has not been in contact with the applicant on the issue of postponement.

Thank you for your attention to this matter. Please let me know the official outcome.

Nancy Maclaine  
South Lamar Neighborhood Association  
President, 2008
