1) "Gross Revenue" means all money or other consideration paid or payable to the off-airport parking operator ("Operator") There shall be no reduction allowed from Gross Revenues for bad debts, personal property occupation or other ad valorem taxes, loss from theft, the unbundled cost of incidental services provided to the customer or any deduction except as expressly stated below. The following, to the extent properly documented and recorded, are the ONLY amounts that may be deducted from the compilation of Gross Revenue (1) Federal, State, and local excise, sales, and use taxes on parking services that are separately stated, passed through to and collected from the customer, and remitted to the taxing authority by the Operator and (2) The amount of any refunds or adjustments (either cash or credit) granted by the Operator to customers because of unsatisfactory service. Off-Airport parking fees are payable monthly in arrears. The Operator shall submit monthly and annual Gross Revenue reports to the Aviation Department Director on a form prescribed by the Director 2) Facilities in existence include an expanded facility for which a site plan permit was approved on or before October 1, 2005 for purposes of calculating off-airport fees 3) For each succeeding fiscal year the gross revenue percentage fee component for facilities in existence shall increase by 1% each fiscal year, up to a maximum of 10% of gross revenue in Fiscal Year 2010-2011
