

ORDINANCE NO. 20081023-014

AN ORDINANCE ANNEXING, FOR FULL PURPOSES, ADDITIONAL TERRITORY ADJACENT TO THE CITY LIMITS OF THE CITY OF AUSTIN REFERRED TO AS THE "ANDERSON MILL ROAD MUNICIPAL ANNEXATION PLAN AREA", CONSISTING OF APPROXIMATELY 183 ACRES OF LAND OUT OF THE WILLIAM FRAMPTON SURVEY NO. 122, ABSTRACT NO. 230 IN TRAVIS AND WILLIAMSON COUNTIES, TEXAS; THE S. A. & M. G. RAILROAD CO. SURVEY NO. 801, ABSTRACT NO. 748 AND THE A. E. LIVINGSTON SURVEY NO. 155, ABSTRACT NO. 477 IN TRAVIS COUNTY, TEXAS; AND APPROVING A SERVICE PLAN.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

PART 1. The Council finds that:

- (A) Notice of the two public hearings concerning annexation of the territory described in Exhibit A was published in a newspaper of general circulation in the City of Austin and in the area to be annexed, and on the City of Austin internet website.
- (B) The public hearings were held on October 30, 2006 at Hope Presbyterian Church and November 2, 2006 at the Austin City Hall, 301 West 2nd Street, Austin, Texas.
- (C) The public hearings were concluded after providing an opportunity for all persons present to be heard with respect to the proposed annexation. A proposed Service Plan was made available and explained at the public hearings required by state law.
- (D) The annexation, for full purposes, of the territory described in Exhibit A serves the interest of the current and future residents of the City of Austin.
- (E) All procedural requirements imposed by state law for the full purpose annexation of the territory described in Exhibit A have been met.

PART 2. The present boundary limits of the City are amended to include the following territory which is within the extraterritorial jurisdiction and adjacent to the city limits of the City of Austin in Travis and Williamson Counties, Texas, and which is annexed into the City for the full purposes:

183 acres of land, more or less, out of the William Frampton Survey No. 122, Abstract No. 230 in Travis and Williamson Counties, Texas; the S. A. & M. G.

EXHIBIT A

C7a-08-001

Area to be annexed.

Approximately 183 acres of land out of the William Frampton Survey No. 122, Abstract No. 230 in Travis and Williamson County, Texas, the S. A. & M. G. Railroad Co. Survey No. 801, Abstract No. 748 and the A. E. Livingston Survey No. 155, Abstract No. 477 in Travis County, Texas.

(Anderson Mill Estates Section 1, Anderson Mill Estates Section 2, Anderson Mill Estates Section 3, Resubdivision of Lots 26 & 27, Block D Anderson Mill Estates Section 3, Anderson Mill Estates Section 4, The Amended Plat of Lots 13 & 14 Block B Anderson Mill Estates Section 4, Anderson Mill Oaks Addition, The Parke at Anderson Mill and Courtyard Homes at Anderson Oaks)

(Portion of Anderson Mill Road)

LEGAL DESCRIPTION

LEGAL DESCRIPTION FOR APPROXIMATELY 183 ACRES OF LAND OUT OF THE WILLIAM FRAMPTON SURVEY NO. 122, ABSTRACT NO. 230 IN TRAVIS AND WILLIAMSON COUNTY, TEXAS, THE S. A. & M. G. RAILROAD SURVEY NO. 801, ABSTRACT NO. 748 AND THE A. E. LIVINGSTON SURVEY NO. 155, ABSTRACT NO. 477 IN TRAVIS COUNTY, TEXAS, OF WHICH APPROXIMATELY 183 ACRES OF LAND ARE TO BE TAKEN INTO AND MADE A PART OF THE CITY OF AUSTIN, SAID APPROXIMATELY 183 ACRES BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS:

BEGINNING at the intersection of the present corporate limit line of the City of Austin as adopted by Ordinance No. 971204-H (Case No. C7a-97-007) with another corporate limit line of the City of Austin as adopted by Ordinance No. 880107-P (Case No. C7a-87-001), same being on the north line of Lot 1, Block A, Resubdivision of Canyon Creek Trailhead Reserve and Lot 130A, Block B, Canyon Creek Section 20, a subdivision of record in Book 99, Pages 117-118 of the Plat Records of Travis County, Texas at the southeast corner of Lot 10, Block D, Anderson Mill Estates, Section 3, a subdivision of record in Book 75, Page 117 of the Plat Records of Travis County, Texas, also being the southwest corner of Lot 66, Block B, Spicewood at Bullcreek, Section Four, a subdivision of record in Book 87, Pages 180B-181A of the Plat Records of Travis County, Texas, for the southeast corner of the herein described tract;

THENCE, in a northwesterly direction with the present corporate limit line of the City of Austin as adopted by Ordinance No. 880107-P (Case No. C7a-87-001), in part along the southerly line of said Anderson Mill Estates, Section 3 and in the southerly line of the Resubdivision of Lots 26 & 27, Block D, Anderson Mill Estates Section 3, a subdivision of record in Book 77, Pages 116-117 of the Plat Records of Travis County, Texas common in part along the north line of the said Resubdivision of Canyon Creek Trailhead Reserve and Lot 130A, Block B, Canyon Creek Section 20 and Canyon Creek Section One, a subdivision of record in Book 85, Page 150B-151B of the Plat Records of Travis County, Texas to a point at the southwest corner of Lot 3, Block H of said Anderson Mill Section 3, same being the northwest corner of Lot 10, Block E of said Canyon Creek Section One, also being the most easterly southeast corner of Lot 9, Block E of said Canyon Creek Section One, for the southwest corner of the herein described tract;

THENCE, in a northeasterly direction, continuing with the present corporate limit line of the City of Austin as adopted by Ordinance No. 880107-P (Case No. C7a-87-001) along the common dividing line of said Anderson Mill Estates Section 3 and said Canyon Creek Section One to a point in the present corporate limit line of the City of Austin as adopted by Ordinance No. 960124-F (Case No. C7a-96-007) and the south line of Lot 36, Block A, Laurel Canyon Subdivision Phase II, a subdivision of record in Book 100, Pages 154-156 of the Plat Records of Travis

County, Texas at an outside ell corner of said Lot 3, Block H of Anderson Mill Section 3;

THENCE, in a southeasterly and northeasterly direction with the present corporate limit line of the City of Austin as adopted by Ordinance No. 960124-F (Case No. C7a-96-007), in part along the northwesterly line of said Anderson Mill Estates Section 3 and Anderson Mill Estates Section 2, a subdivision of record in Book 65, Page 59 of the Plat Records of Travis County, Texas common in part with the southeasterly line of said Laurel Canyon Subdivision Phase II and Laurel Canyon Subdivision Phase I, a subdivision of record in Book 97, Pages 96-98 of the Plat Records of Travis County, Texas to a point at the westerly common corner of Lots 3 and 4, Block A of said Anderson Mill Estates Section 2, same being the northeast corner of Lot 3, Block B of said Laurel Canyon Subdivision Phase I, also being the southeast corner of Lot 12, Anderson Mill Oaks Addition, a subdivision of record in Book 16, Page 96 of the Plat Records of Travis County, Texas, for an inside ell corner of the herein described tract;

THENCE, in a northwesterly direction continuing with present corporate limit line of the City of Austin as adopted by Ordinance No. 960124-F (Case No. C7a-96-007) along the southerly line of said Anderson Mill Oaks Addition common with the northerly line of said Laurel Canyon Subdivision Phase I to a point in the present corporate limit line of the City of Austin as adopted by Ordinance No. 960124-G (Case No. C7a-96-008) at the southwest corner of Lot 6 of said Anderson Mill Oaks Addition, same being the southerly common corner of Lots 28 and 29, Block C, The Estates of Brentwood, a subdivision of record in Book 97, Pages 214-216 of the Plat Records of Travis County, Texas, for an outside ell corner of the herein described tract;

THENCE, in a northeasterly direction with the present corporate limit line of the City of Austin as adopted by Ordinance No. 960124-G (Case No. C7a-96-008) along the northwesterly line of said Anderson Mill Oaks Addition common with the southeasterly line of said The Estates of Brentwood to a point in the south right-of-way line of Anderson Mill Road at the northeast corner of Lot 15, Block C of said The Estates of Brentwood, for an inside ell corner of the herein described tract;

THENCE, in a westerly direction continuing along the present corporate limit line of the City of Austin as adopted by Ordinance No. 960124-G (Case No. C7a-96-008) along the northerly line of said The Estates of Brentwood and the southerly right-of-way line of Anderson Mill Road to a point at its intersection with the southerly prolongation of the westerly line of The Parke at Anderson Mill, a subdivision of record in Document No. 200000078 of the Official Public Records of Travis County, Texas and in Cabinet S, Slides 172-175 of the Plat Records of Williamson County, Texas, for an outside ell corner of the herein described tract;

THENCE, in a northerly direction with the proposed corporate limit line of the City of Austin, crossing said Anderson Mill Road along the said southerly prolongation of the westerly line of The Parke at Anderson Mill, and continuing along the westerly line of said The Parke at Anderson Mill common with easterly line of Village Twenty-Two at Anderson Mill Phase Two, a subdivision of record in Book 79, Pages 357-358 of the Plat Records of Travis County, Texas and in Cabinet D, Slides 321-322 of the Plat Records of Williamson County, Texas to a point at the northwest corner of Lot 13, Block D, The Parke at Anderson Mill, same being the southwest corner of Lot 22, Block L, Village Sixteen at Anderson Mill, a subdivision of record in Cabinet C, Slides 213-214 of the Plat Records of Williamson County, Texas, for the northwest corner of the herein described tract;

THENCE, in an easterly direction with the proposed corporate limit line of the City of Austin along the north line of said The Parke at Anderson Mill common with the southerly line of said Village Sixteen at Anderson Mill to a point in the west line of Lot 19, Block B, Village Thirteen at Anderson Mill, a subdivision of record in Cabinet D, Slides 94-95 of the Plat Records of Williamson County, Texas at the northeast corner of Lot 1, Block E of said The Parke at Anderson Mill, same being the southeast corner of Lot 21, Block B of said Village Sixteen at Anderson Mill, for the northeast corner of the herein described tract;

THENCE, in a southerly direction continuing with the proposed corporate limit line of the City of Austin, in part along the easterly line of said The Parke at Anderson Mill and the Amended Plat of Lots 4 & 5, Blk. A, The Parke

at Anderson Mill, a subdivision of record in Cabinet AA, Slides 140-141 of the Plat Records of Williamson County, Texas common in part with the westerly line of said Village Thirteen at Anderson Mill and Village Nine at Anderson Mill, a subdivision of record in Cabinet D, Slides 106-108 of the Plat Records of Williamson County, Texas and in Book 76, Pages 366-367 of the Plat Records of Travis County, Texas to a point in the north right-of-way line of Anderson Mill Road at the westerly common corner of Lots 10 and 11, Block A of said Village Nine at Anderson Mill, for an inside ell corner of the herein described tract;

THENCE, in a southeasterly direction with the proposed corporate limit line of the City of Austin along the northerly right-of-way line of Anderson Mill Road and the southerly line of said Village Nine at Anderson Mill to a point at the southerly common corner of Lots 1 and 2, Block A of said Village Nine at Anderson Mill, for a outside ell corner of the herein described tract;

THENCE, in a southerly direction continuing with the proposed corporate limit line of the City of Austin, crossing Anderson Mill Road to a point in the present corporate limit line of the City of Austin as adopted by Ordinance No. 971204-H (Case No. C7a-97-007) at the northerly common corner of Lots 3 and 4, Block CH, Spicewood at Balcones Village Section Eight, a subdivision of record in Book 78, Pages 302-303 of the Plat Records of Travis County, Texas, same being the northeast corner of Lot 1, Block C, Anderson Mill Estates Section 4, a subdivision of record in Book 75, Page 398 of the Plat Records of Travis County, Texas, for an angle point of the herein described tract;

THENCE, in a southwesterly direction with the present corporate limit line of the City of Austin as adopted by Ordinance No. 971204-H (Case No. C7a-97-007), in part along the southeasterly line of said Anderson Mill Estates Section 4 and Anderson Mill Estates Section 1, a subdivision of record in Book 62, Page 100 of the Plat Records of Travis County, Texas common with the northwesterly line of said Spicewood at Balcones Village Section Eight to a point at the easterly common corner of Lots 8 and 9, Block C of said Anderson Mill Estates Section 1, same being the southwest corner of Lot 16, Block CH of said Spicewood at Balcones Village Section Eight, also being the northwest corner of Lot 17, Block C of said

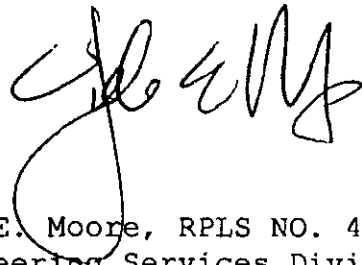

Anderson Mill Estates Section 3, for an inside ell corner of the herein described tract;

THENCE, in a southeasterly direction with the present corporate limit line of the City of Austin as adopted by Ordinance No. 971204-H (Case No. C7a-97-007) along a northerly line of said Anderson Mill Estates Section 3 common with the southerly line of said Spicewood at Balcones Village Section Eight to a point at the northeast corner of Lot 2, Block D of said Anderson Mill Estates Section 3, same being the northwest corner of Lot 1, Block A, Kercheville Estates Section One, a subdivision of record in Book 86, Pages 118B-118C of the Plat Records of Travis County, Texas, for an outside ell corner of the herein described tract;

THENCE, in a southwesterly direction with the present corporate limit line of the City of Austin as adopted by Ordinance No. 971204-H (Case No. C7a-97-007) along the southeasterly line of said Anderson Mill Estates Section 3 common in part with the northwesterly line of said Kercheville Estates Section One and in part with northwesterly line of Kercheville Estates Section Two, a subdivision of record of Book 89, Pages 284-285 of the Plat Records of Travis County, Texas, and in part with the northwesterly line of said Spicewood at Bullcreek, Section Four to the Point of Beginning.

CITY OF AUSTIN ANNEXATION SERVICE PLAN

Case Name: Anderson Mill Road
Municipal Annexation Plan Area
Case Number: C7a-08-001
Date: May 3, 2007

INTRODUCTION

This Service Plan ("Plan") is made by the City of Austin, Texas ("City") pursuant to Chapter 43 of the Texas Local Government Code. This Plan relates to the annexation to the City of a tract of land ("annexation area") known as the Anderson Mill Road Municipal Annexation Plan area. The Anderson Mill Road Municipal Annexation Plan area covers approximately 183 acres and is located on Anderson Mill Road approximately two-thirds of a mile east of the intersection of FM 620 and Anderson Mill Road. Approximately 18 percent of the area is in Williamson County and 82 percent is in Travis County. The entire area was annexed for limited purposes in 1984 as part of the northwest area Upper Bull Creek limited purpose annexation. It is contiguous to the City's full purpose jurisdiction to the west, south and east and adjacent to Anderson Mill MUD to the north.

The annexation area includes land on both sides of Anderson Mill Road. On the south side of the road are the developed Anderson Mill Oaks Addition and Anderson Mill Estates neighborhoods. On the north side of Anderson Mill Road, the area includes the Parke at Anderson Oaks subdivision and the Courtyard Homes at Anderson Oaks condominium project.

The Anderson Mill Road Municipal Annexation Plan area was included in the City of Austin's Municipal Annexation Plan effective December 31, 2005. According to the plan, the Anderson Mill Road area is scheduled for annexation effective December 31, 2008.

EFFECTIVE TERM

This Plan shall be in effect for a ten-year period commencing on the effective date of the annexation, unless otherwise stated in this Plan. Renewal of the Plan shall be at the option of the City. Such option may be exercised by the adoption of an ordinance by the City Council which refers to this Plan and specifically renews this Plan for a stated period of time.

INTENT

It is the intent of the City of Austin that services under this Plan shall provide full municipal services as required and defined by the Texas Local Government Code.

The City reserves the right guaranteed to it by the Texas Local Government Code to amend this Plan if the City Council determines that changed conditions or subsequent occurrence, or any other legally sufficient circumstances exist under the Local Government Code or other Texas laws to make this Plan unworkable or obsolete or unlawful.

SERVICE COMPONENTS

This Plan includes three service components: (1) the Early Action Program, (2) Additional Services, and (3) a Capital Improvement Program.

As used in this Plan, providing services includes having services provided by any method or means by which the City extends municipal services to any other area of the City. This may include causing or allowing private utilities, governmental entities, and other public service organizations to provide such services by contract, in whole or in part. It may also include separate agreements with associations or similar entities.

1. EARLY ACTION PROGRAM

The following services will be provided in the annexation area commencing on the effective date of the annexation, unless otherwise noted.

- a. Police Protection The Austin Police Department (“APD”) will provide protection and law enforcement services in the annexation area. These services include:
- normal patrols and responses;
 - handling of complaints and incident reports;
 - special units, such as, traffic enforcement, criminal investigations, narcotics, gang suppression, and special weapons and tactics team.

As part of the planning leading up to this annexation and the concurrent annexation of any adjacent areas, the City will redraw district boundaries, as required, to balance work load and include the annexation area(s). Currently, the City has a goal of 2 officers per 1000 residents.

APD anticipates providing service to the annexation area with an average response time of not more than the City-wide average. As part of its community policing program, APD will meet with residents of the annexation area as requested by the neighborhood association (s) to discuss response time, frequency of patrols and other policing issues in the annexation area. The neighborhood association(s) will also select a representative to serve on the area commander’s forum

- b. Fire Protection The Austin Fire Department (“AFD”) will provide emergency and fire prevention services in the annexation area. These services include:
- fire suppression and rescue,
 - emergency medical services first response for Austin Emergency Medical Services Department on life threatening medical emergencies;
 - hazardous materials mitigation and regulation;
 - emergency prevention and public education efforts,
 - dive rescue;

- technical rescue,
- aircraft/rescue/ firefighting;
- construction plan review,
- inspections; and
- rescue/hazardous materials unit.

AFD will coordinate with the current service providers for this area (Travis County Emergency Service District No. 4 and Williamson County Emergency Service District No. 1) to assure proper function of the hydrants prior to and after the date of annexation. Any hydrants found to be functioning improperly will be reported to the Water and Wastewater Utility for repair.

AFD serves as the first responder on life threatening emergencies for Austin EMS. All AFD personnel are certified at an Emergency Medical Technician (“EMT”) level or higher. All engines (pumpers), ladder trucks, and rescue units carry Automatic External Defibrillators for use with heart attack victims.

- c. Emergency Medical Service The City of Austin/Travis County Emergency Medical Services (“EMS”) Department will provide services in the annexation area

Austin/Travis County EMS will provide the following emergency and safety services to the annexation area:

- emergency dispatch, pre-arrival First Aid instructions and coordination of other public safety support agencies;
- emergency Advanced Life Support (ALS) ambulance response; and
- medical rescue services.

Austin/Travis County EMS is a mobile service provider, with units constantly moving throughout the system area. An ambulance is frequently dispatched from a location outside the station.

The Austin Fire Department will provide emergency medical first response to all patients in a life-threatening situation. All Austin Fire Department personnel are certified at the Emergency Medical Technician (EMT) level or higher and assist EMS personnel providing patient care.

- d. Solid Waste Collection. The Austin Solid Waste Services Department will provide services in the area. Services will be provided by City personnel or by solid waste service providers under contract with the City. Services currently provided in the City for single family residences, including duplex, triplex, and fourplex dwelling units, include:

- garbage collection – scheduled cart collection in accordance with City Pay-As-You-Throw guidelines;
- recycling collection – scheduled curbside collection, materials collected include newspaper, magazines, catalogs, junk mail, corrugated cardboard; tin, steel, and aluminum cans; glass bottles and jars; plastic bottles and containers (#1 and #2);
- yard trimmings collection – scheduled residential collection in paper bags or reusable containers

Commercial garbage collection service for businesses is available on a subscription basis from the City or private service providers.

For the first two years following annexation, residents who lived in the area prior to the effective date of the annexation may continue to utilize the services of privately owned solid waste service providers in accordance with provisions of the Texas Local Government Code.

- e. Maintenance of Water and Wastewater Facilities. Water and wastewater service will be provided to areas that are not within the certificated service area of another utility through existing facilities located within or adjacent to the area. The facilities will be maintained and operated by the City's Austin Water Utility as governed by standard policies and procedures, and under the provisions of the attached City service extension policy.
- f. Maintenance of Roads and Streets, Including Street Lighting. The Street and Bridge Division of the Public Works Department will maintain public streets over which the City has jurisdiction. These services include:
 - emergency pavement repair;
 - ice and snow monitoring of major thoroughfares,
 - preventative street maintenance activities include crack seal, sealcoat, slurry seal, and PM overlay; and
 - repair maintenance of public streets on an as-needed basis. Repair maintenance operations include pothole repair, filling depressions (level up), spot surface replacement, spot full-depth repair, and utility cut repairs.

The area is fully developed with existing residential streets. Any necessary street or bridge rehabilitation or reconstruction will be considered on a City-wide priority basis. The existing streets are performing adequately to serve the area at a comparable level of service to other City of Austin residential areas. Streets that have been dedicated and accepted for maintenance will be included in the City's preventative maintenance program. Preventative maintenance projects are prioritized on a City-wide basis and scheduled based on a variety of factors, including surface condition (distresses), rideability (smoothness), age, traffic volume, functional classification, and available funding.

If necessary, the Transportation Division of the Transportation and Public Works Department will also provide regulatory signage services in the annexation area. Traffic signal, stop, and all other regulatory studies are conducted in conjunction with growth of traffic volumes. All regulatory signs and signals are installed when warranted following an engineering study. Faded, vandalized, or missing signs are replaced as needed. "CALL BACK" service provided 24 hours a day, 365 days a year for emergency repair of critical regulatory signs.

Unless posted otherwise, the speed limit on residential streets is 30mph. Within six months of the effective date of annexation, the Transportation Division shall conduct engineering investigation for all streets in the area including Centennial Trail and Glass Mountain Trail to determine which streets are eligible for 25 mph speed limit under House Bill 87 requirements

For major arterials and collectors, the repainting of street markings is on a two year frequency. All improved intersections and roadways are striped upon improvement. All roadways are restriped and remarked as needed.

Street lighting will be maintained in accordance with state law. The City will pay the cost of electricity for public streetlights. The Parkes at Anderson Oaks subdivision was developed with decorative public streetlights. As public streetlights need to be replaced, the City will replace them with like or equivalent poles and fixtures. Specific poles will vary according to availability of poles and fixtures.

- g. Maintenance of Parks, Playgrounds, and Swimming Pools. At this time, there are no public recreational facilities in the area.

Recreational facilities and area amenities, including parks, pools, and medians, that are privately owned, maintained, or operated will be unaffected by the annexation.

- h. Maintenance of Any Other Publicly-Owned Facility, Building, or Service. Should the City acquire any other facilities, buildings, or services necessary for municipal services located within the annexation area, an appropriate City department will provide maintenance services for them.

2. ADDITIONAL SERVICES

Certain services, in addition to the above services, will be provided within the annexation area. They are as follows:

- a. Watershed Protection and Development Review Department. The City of Austin's Watershed Protection and Development Review Department will provide drainage maintenance services in the annexation area. Drainage planning and maintenance are fee-based services. Services currently provided by the department, in accordance with and as limited by applicable codes, laws, ordinances and special agreements, include:
- water quality protection: environmental impact assessments; aquatic endangered species protection, city compliance with state and federal water quality regulations; pollution detection, tracking and forecasting; stormwater quality education; stormwater treatment; water quality education; pollution prevention and reduction;
 - watershed protection master planning for flood hazard mitigation, streambank restoration and erosion control, and water quality protection;
 - land development review and inspection: land development review and assistance; environmental inspection;
 - building development regulations: commercial building plan review; permit center; permit inspections;
 - flood hazard mitigation: voluntary floodplain home buyout program; regional stormwater management evaluation; creek flood hazard mitigation; localized flood hazard mitigation; flood early warning system, floodplain management;
 - streambank restoration and erosion management: streambank restoration and erosion management services; and

- infrastructure and waterway maintenance creek vegetation control; erosion repair; open waterway maintenance; pond inspection and maintenance; storm drain cleaning; storm drain rehabilitation; Town Lake cleanup

Within 60 days of the effective date of the annexation, the Watershed Protection and Development Review Department will initiate a study to investigate possible solutions to pre-existing drainage conditions on Centennial Trail and Sierra Blanca Drive. WPDR will coordinate the study with the Anderson Mill Estates Homeowners association.

- b. Library. Upon annexation, residents may utilize all Austin Public Library facilities.
- c. Austin Health and Human Services Department/Travis County Health Department. Upon annexation, the following additional services will be available from the Department.
- investigation of public health related complaints including food-borne illness, recreational water quality, and public swimming pools and spas;
 - enforcement of the City's smoking in public places ordinance and the minor's access to tobacco ordinance,
 - inspection of food establishments, child care facilities;
 - investigation of reported elevated blood lead levels in children;
 - animal services including leash law, pet licensing, and rabies control, and
 - rodent and vector control consultation.
- d. Austin Energy. Austin Energy will continue to provide electric utility service to all areas which the City is authorized to serve by the Public Utility Commission of Texas.
- e. Anti-litter Services. The Austin Solid Waste Services Department will provide anti-litter services in the annexed area. Anti-litter is a fee-based service. Services currently provided in the City include:
- bulky item collection – twice per year; a notice to customers is provided in advance of the pickup date;
 - large brush collection – twice per year, a notice to customers is provided in advance of the pickup date;
 - street sweeping service – approximately six (6) times per year for streets with curb and gutter;
 - dead animal collection – dead animals are removed from roadways upon request,
 - household hazardous waste drop-off facility – use of facility on regularly scheduled days of operation; and
 - tall weed and grass and litter abatement programs.
- f. Other Services. All other City Departments with jurisdiction in the area will provide services according to City policy and procedure.

3. CAPITAL IMPROVEMENTS PROGRAM

The City will initiate the construction of capital improvements necessary for providing municipal services for the annexation area as necessary.

Each component of the Capital Improvement Program is subject to the City providing the related service directly. In the event that the related service is provided through a contract service provider, the capital improvement may not be constructed or acquired by the City but may be provided by the contract provider. The City may also lease buildings in lieu of construction of any necessary buildings

- a. Police Protection. No capital improvements are necessary at this time to provide police services.
- b. Fire Protection. No capital improvements are necessary at this time to provide fire services.
- c. Emergency Medical Service. No capital improvements are necessary at this time to provide EMS services.
- d. Solid Waste Collection. No capital improvements are necessary at this time to provide solid waste collection services
- e. Water and Wastewater Facilities. Capital improvements are necessary to provide water and wastewater service, which will be designed and constructed in accordance with City standards. Because of the time required to construct the necessary water and wastewater facilities, the facilities cannot be reasonably provided within two and one half years of the effective date of annexation.

A large portion of this annexation area is currently served by aging private water wells and on-site septic systems. The Austin Water Utility is aware of the potential of extreme difficulties for citizens that may encounter failing wells or septic systems. Therefore, the following schedule for the improvements is proposed: on or before the effective date of annexation, the City will commence preliminary engineering leading to construction of water and wastewater facilities to serve legally subdivided and occupied lots that are using on-site septic tanks. The construction bid phase will begin within six months and construction will begin within one year of the effective date and will be substantially complete within four and one half years of the effective date of annexation.

The City's Capital Recovery Fee will be waived in accordance with Sec 25-9-345 of the City Code. Property owners will be responsible for all other fees. Currently, these fees include; a drop-in (tap) fee for water service, a charge for a water meter, a wastewater inspection fee, a plumbing permit fee and a septic tank abandonment fee.

Water and wastewater services to any new development and subdivisions will be provided according to the standard policies and procedures of the Austin Water Utility, which may require the developer of a new subdivision to install water and wastewater lines. The extension of water and sewer service will be provided in accordance with the attached water and wastewater service extension policy

The City of Austin Water and Wastewater Utility will use the process identified in Section 25-9-4 of the City Code, as amended, for determining whether to allow the continued use of an on-site sewage disposal system.

Construction will be conducted in accordance with City standards regarding the prevention of Oak Wilt.

Restoration of streets and curbs will be in conformance with the street repair policies in force at the time the contract is awarded and details for individual areas will be available during design.

Construction contracts will provide for the restoration of private driveways and curbs to their preconstruction state and for the restoration/replacement of private landscaping to the extent practicable within the context of the project. As noted below, individual property owners will participate in the selection of the location of service connections.

The design and construction of the project will not negatively impact existing drainage in the right-of-way of Centennial Drive. Currently, drainage pipes convey spring flow within the ROW to an adjacent slough.

When an engineering firm is hired, the firm will produce a schedule for all stages from preliminary engineering through project completion. The City will contact the homeowners association, neighborhood association, or other designated representative groups for comment at the following stages of the project:

- during preliminary engineering report preparation;
- during design of connections from mains to property owner location;
- during final design,
- when construction contract bid award is sent for recommendation to the Water and Wastewater Commission, and for approval to City Council; and
- when construction begins.

The city will attempt to contact individual property owners as follows:

- during design phase for the property owner to mark their own recommendation for the service connections;
- at the beginning of construction;
- when the contractor marks the location of each service; and
- when the project is accepted by the City so the owner knows when they may apply for the service connection.

- f. Roads and Streets. No road or street related capital improvements are necessary at this time.
- g. Parks, Playgrounds and Swimming Pools. No capital improvements are necessary at this time to provide services.
- h. Watershed Protection Department. No capital improvements are necessary at this time to provide services.
- i. Street Lighting. No capital improvements are necessary at this time to provide services. Street lighting in new and existing subdivisions will be installed and maintained in accordance with the applicable standard policies and procedures.

- j. Other Publicly Owned Facilities, Building or Services: Additional Services In general, other City functions and services, and the additional services described above, can be provided for the annexation area by using existing capital improvements. Additional capital improvements are not necessary to provide such City services.
- k. Capital Improvements Planning. The annexation area will be included with other territory in connection with planning for new or expanded facilities, functions, and services.

AMENDMENT: GOVERNING LAW

This Plan may not be amended or repealed except as provided by the Texas Local Government Code or other controlling law. Neither changes in the methods or means of implementing any part of the service programs nor changes in the responsibilities of the various departments of the City shall constitute amendments to this Plan, and the City reserves the right to make such changes. This Plan is subject to and shall be interpreted in accordance with the Constitution and laws of the United States of America and the State of Texas, the Texas Local Government Code, and the orders, rules and regulations of governmental bodies and officers having jurisdiction.

FORCE MAJEURE

In case of an emergency, such as force majeure as that term is defined in this Plan, in which the City is forced to temporarily divert its personnel and resources away from the annexation area for humanitarian purposes or protection of the general public, the City obligates itself to take all reasonable measures to restore services to the annexation area of the level described in this Plan as soon as possible. Force majeure shall include, but not be limited to, acts of God, acts of the public enemy, war, blockages, insurrection, riots, epidemics, landslides, lightning, earthquakes, fires, storms, floods, washouts, droughts, tornadoes, hurricanes, arrest and restraint of government, explosions, collisions, and other inability of the City, whether similar to those enumerated or otherwise, which is not within the control of the City. Unavailability or shortage of funds shall not constitute force majeure for purposes of this Plan.

SUMMARY OF THE WATER AND WASTEWATER UTILITY SERVICE EXTENSION POLICY

The following information is a summary of the Austin Water Utility Service Extension Policy, Chapters 25-1 through 25-5 and 25-9 of the 2006 Austin Code of Ordinances, in conformance with the Texas Local Government Code requirement that the Plan have a summary of the service extension policy.

Water and wastewater service is only provided to lots that have been properly subdivided and platted or are a legal lot. For property that is required by subdivision regulations to construct water or wastewater facilities connecting to the City system, funding and construction of those facilities will remain the responsibility of the developer. If the specific undeveloped property does not have City water or wastewater service fronting the property, the owner may make an application for an extension of service to the Director of the Austin Water Utility for review. If the Director determines that adequate capacity is available, or will be, and if the project does not include City cost participation or reimbursement, and if the proposed facilities are a logical extension of the City's water and wastewater system and the requested extension otherwise meets the requirements

of Chapter 25-9, the extension size, capacity, and routing may be approved by the Director for funding and construction by the developer.

Depending on the size of the new facilities and other conditions, with City Council approval, the City may reimburse the developer for part of the cost of constructing certain facilities. With City Council approval, the City may cost participate by reimbursing costs associated with the oversize capacity of wastewater mains larger than 8 inches but less than 18 inches in diameter, and of water mains greater than 12 inches but less than 24 inches in diameter. With City Council approval, the City may reimburse to the developer the construction cost of the full capacity of wastewater facilities 18 inches in diameter or larger, and water facilities 24 inches in diameter or larger, as well as other facilities such as reservoirs or pumps. The actual calculation of the cost participation and reimbursement amounts, including limits and the schedules for the payments, are included in the Land Development Code.

For lots that have water or wastewater lines in the street fronting the lot, the owner may receive water or wastewater service by applying for a tap permit and paying any required fees. The new customers will be required to pay the impact fees and all connection fees. However, if the tap is purchased within two years of the completion of the line by the City, the impact fee will be waived.

As long as a property is using a septic system, the property owner remains responsible for the operation and maintenance of the septic system. If the septic system fails before the City sewer service is extended to the property, the property owner must repair the system. Under certain circumstances the Austin/Travis County Health and Human Services Department may require connection to the City sewer facilities.

This policy is set by the City Council and can be amended in the future by ordinance.
