Stephen,

We have made many attempts to reach out to the neighbors and have not heard back from them. We want the opportunity to meet with them to discuss the issues and try and reach a solution. After the Commission meeting were are now aware of the issues and believe we can address them in a manner that would be a benefit to everyone involved. I'm hopeful that the neighbors would be willing to meet prior to a council meeting. As the case is set for November 6th, we believe additional time is warranted for us to meet with the neighbors, if they are willing to meet.

Please accept this email as a request for postponement to December 11th.
