Mayor Will Wynn and City Council Members:

Our company is representing several clients within the University Area Neighborhood Plan.

I am unable to attend tonight's hearing because tonight is my 15<sup>th</sup> year wedding anniversary. I cannot miss my anniversary dinner.

Could you please consider delaying action on parking ratios for the UANP until your next public hearing? I will attend the next public hearing and provide further information on this matter as soon as possible.

Your time and consideration of this request is sincerely appreciated.
