The City of Austin and Travis County entered into an Interlocal Cooperation Agreement dated March 4, 2002 and amended by Interlocal Cooperation Agreement dated December 11, 2007, agreeing to extend Tuscany Way from Ferguson Lane at Sprinkle Road to Exchange Drive, making a continuous connection from Ferguson Road to US 290 E. This connection will provide an alternative route for traffic wanting to go north and south across US 290 E without having to go through the Walnut Place neighborhood on Springdale Road.

The design plans for the Tuscany/Ferguson (Sprinkle Cutoff to Tuscany Way) Project require the acquisition of a right of way of 244,676.5 square feet, drainage easements of 101,074 square feet and temporary working space easement of 3,245 square feet of land across property located at Ferguson Lane and Sprinkle Road, Austin, Travis County, Texas.

An independent third party appraisal has established the fair-market value of the proposed right of way and easements at \$785,070. The owners have agreed to accept the City of Austin's offer for the right of way, drainage easements and temporary working space easement.
