

THIRD READING SUMMARY SHEET

ZONING CASE NUMBER: C14-2007-0259; Govalle/Johnston Terrace Vertical Mixed Use—Opt-In/Opt/Out Application

REQUEST:

Conduct a public hearing and approve second/third readings of an ordinance amending Chapter 25-2 of the Austin City Code by rezoning selected tracts within the Govalle/Johnston Terrace Neighborhood Planning Area with the vertical mixed use building “V” designation and amending the boundary of the vertical mixed use overlay district to exclude selected tracts.

The Govalle/Johnston Terrace Combined Neighborhood Planning Area is bounded by Pleasant Valley and Webberville Roads to the west; Oak Springs, Airport Boulevard, and the Austin Northwestern Railroad to the north; US 183 to the east; and the Colorado River to the south. (Boggy Creek; Colorado River; Fort Branch; Tannehill Branch; Town Lake watersheds)

DEPARTMENT COMMENTS:

The VMU Overlay District includes approximately 36.645 acres (including tract 9B—which is a separate case). The Govalle/Johnston Terrace Neighborhood Planning Team recommended amending the boundaries of the VMU Overlay district to exclude all 36.645 acres from the district. The recommendation is consistent with the Future Land Use Map adopted in March 2003 which designates these areas as commercial and office. If the Planning Commission or City Council recommends applying the vertical mixed use building (V) designation to any of these properties, a plan amendment would be required.

Note: Refer to “issues” for updated recommendation.

ISSUES:

A petition has been validated in opposition of amending the boundaries of the VMU Overlay District for the following properties:

- Portion of Tract 3 (TCAD #191213)
- Portion of Tract 6B (TCAD #189955)
- Tract 15 (TCAD #189901)

In addition, the property owners have requested that all bonuses (Dimensional Standards, Parking Reduction and Additional Uses in Office Districts) be applied to these tracts.

On October 8, 2008, the Neighborhood Planning Contact Team submitted a letter stating they support the property owners request for the vertical mixed use building (V) designation with all bonuses on the properties listed above.

APPLICANT: City of Austin, Neighborhood Planning & Zoning Department

AGENT: City of Austin, Neighborhood Planning & Zoning Department (Melissa Laursen)

DATE OF FIRST READING: August 21, 2008.

DATE OF 2nd READING: November 6, 2008

DATE OF 3rd READING: November 20, 2008

CITY COUNCIL ACTION:

August 21, 2008: The public hearing was closed and first reading of the ordinance was approved with the following motions:

- Motion 1 approved to amend the boundaries of the VMU Overlay District to exclude tracts 1, 2A, 2B, 6A, 7, 8 and 12.
- Motion 2 approved vertical mixed use building (V) zoning with parking reduction, and additional uses in office districts for tracts 3, 4, 5, 6B, 9A, 10, 11, 13, 14A, 14B, and 15.
- Motion 3 was to apply an affordability level of 60% of the Median Family Income (MFI) requirement for rental units in a vertical mixed use building

Approved on Council Member Martinez' motion, Mayor Pro Tem McCracken's second on a 6-1 vote. Council Member Morrison voted nay.

October 2, 2008: This item was postponed to November 6, 2008 at the staff's request (consent). 5-0. Mayor Pro Tem McCracken and Council Member Shade.

November 6, 2008: Second reading of the ordinance was approved with the following motions:

- Motion 1 approved to amend the boundaries of the VMU Overlay District to exclude tracts 1, 2A, 2B, 6A, 7, 8 and 12.
- Motion 2 approved vertical mixed use building (V) zoning with parking reduction, and additional uses in office districts for tracts 3, 4, 5, 6B, 9A, 10, 11, 13, 14A, 14B, and 15.
- Motion 3 was to apply an affordability level of 60% of the Median Family Income (MFI) requirement for rental units in a vertical mixed use building

Approved on Council Member Martinez' motion, Council Member Leffingwell's second on a 7-0 vote.

STAFF COMMENTS:

The VMU Overlay District includes approximately 36.645 acres (including tract 9B—which is a separate case). The Govalle/Johnston Terrace Neighborhood Planning Team recommended amending the boundaries of the VMU Overlay district to exclude all 36.645 acres from the district. The recommendation is consistent with the Future Land Use Map adopted in March 2003 which designates these areas as commercial and office. If the Planning Commission or City Council recommends applying the vertical mixed use building (V) designation to any of these properties, a plan amendment would be required.

On October 8, 2008, the Neighborhood Planning Contact Team submitted a letter stating they support the property owners request for the vertical mixed use building (V) designation with all bonuses on the following properties:

- Portion of Tract 3 (TCAD #191213)
- Portion of Tract 6B (TCAD #189955)
- Tract 15 (TCAD #189901)

NEIGHBORHOOD RECOMMENDATION

The Govalle/Johnston Terrace Neighborhood Planning Team Review Committee met on two occasions, May 7, 2007 and May 29, 2007 to make recommendations on the vertical mixed use opt-in/opt-out process. On both occasions, a consensus was reached to amend the boundaries of the VMU Overlay district to exclude all properties from the district. The Review Committee will request that property owners meet an affordability level of 60% of the median family income and/or lower at the time of an individual rezoning request.

On October 8, 2008, the Neighborhood Planning Contact Team submitted a letter stating they support the property owners request for the vertical mixed use building (V) designation with all bonuses on the following properties:

- Portion of Tract 3 (TCAD #191213)
- Portion of Tract 6B (TCAD #189955)
- Tract 15 (TCAD #189901)

BACKGROUND

On August 31, 2006, the City Council adopted the "Design Standards & Mixed Use" ordinance as Subchapter E of Chapter 25-2 of the City Code. Most of the provisions of the ordinance went into effect on January 13, 2007. However, a separate process and schedule was established within the ordinance for Vertical Mixed Use.

The VMU Opt-In/Opt-Out process provides an opportunity for neighborhoods to offer recommendations regarding the location and development standards for Vertical Mixed Use Buildings. The primary focus of this process is on property fronting certain major arterials defined as Core Transit Corridors; however, other properties may also be eligible for VMU. With some exceptions, properties fronting on a Core Transit Corridor are eligible for VMU unless "opted-out". Properties not fronting on the Core Transit Corridors are not eligible for VMU unless "opted-in".

As part of the Vertical Mixed Use (VMU) Opt-In/Opt-Out process the city of Austin was divided into approximately 80 neighborhood planning and/or VMU application areas. Over the next several months each of the application areas affected by the VMU process will be the subject of a zoning case. The Planning Commission will review these cases and provide recommendations to the City Council who will make the final determination as to the applicability of VMU. Zoning case C14-2007-0259 is the final step in the Vertical Mixed Use Opt-In/Opt-Out process for the Govalle/Johnston Terrace application area. A more detailed overview of Vertical Mixed Use and the Opt-In/Opt-Out process is provided in Attachment 6.

Impervious Cover

The maximum impervious cover limits for the proposed zoning districts are as follows:

LI, Limited Industrial Services

80 %

CS, Commercial Services	95 %
CS-1, Commercial – Liquor Sales	95 %
W/LO, Warehouse Limited Office	70%
GR, Community Commercial	90 %
LR, Neighborhood Commercial	80 %
LO, Limited Office	70 %
MH, Mobile Home	N / A
MF-4, Multifamily Residence Moderate – High Density	70%
MF-3, Multi-family Residence (Medium Density)	65 %
MF-2, Multi-family Residence (Low Density)	60 %
SF-6, Townhouse & Condominium Residence	55%
SF-5, Urban Family Residence	55%
SF-3, Family Residence	45 %
SF-2, Single Family Residence – Standard Lot	45 %
P, Public	varies (refer to the <u>Land Development Code</u>)

The maximum amount of impervious cover is determined as the more restrictive figure of the zoning district and watershed class.

Transportation

Additional right-of-way (ROW) necessary for future roadway improvements within the proposed zoning may be required during the subdivision review process or the site plan review process.

Since the rezoning of this area is being initiated by the City of Austin through the neighborhood planning process and does not reflect a specific development proposal, no trip generation calculations are provided on a tract-by-tract basis for any proposed land uses as would typically be provided.

A Traffic Impact Analysis (TIA) will be required during the site plan review stage for any proposed land use that would generate over 2,000 vehicle trips per day. Additional ROW, participation in roadway improvements, and/or limitation on development intensity may also be recommended based on review of the TIA.

Water and Wastewater

The area is served with City of Austin water and wastewater utilities. If water or wastewater utility improvements, or offsite main extension, or system upgrades, or utility relocation, or adjustment are required, the landowner, at own expense, will be responsible for providing. Also, the water and wastewater utility plan must be reviewed and approved by the Austin Water Utility. The plan must be in accordance with the City design criteria. The utility construction must be inspected by the City. The landowner must pay the associated City fees.

Compatibility Standards

Any development which occurs in an SF-6 or less restrictive zoning district which is located 540-feet or less from property in an SF-5 or more restrictive zoning district/use will be subject to compatibility development regulations.

Hi Melissa,

FYI, as you can see, Mr. Hodge has requested that his property be included (remain) as an "opt in" to the staff recommendation for VMU. He is one of only two property owners in Govalle/Johnston Terrace who to date who has requested to "opt in". The other is Saldana Homes (Marie Rocha-Saldana). I spoke with her and she said she has already made the request to you in another letter.

The Review Committee for the Govalle/Johnston Terrace Neighborhood Plan maintains our position to "opt out" of the plan, with the exception of these two requests. There have been no other requests by any other property owners for VMU.

Therefore we request that staff make **only these two properties** part of your VMU recommendation for our planning area.

thanks,

Daniel Llanes

RE: Verticle Mixed Use Opt-in/Opt-Out Process

Dear Mr. Heil:

The Govalle/Johnston Terrace Neighborhood Planning Team met on January 30th, 2008 at the Oak Springs Library to review our neighborhoods decision on the Verticle Mixed Use Opt-in/Opt-Out Process. The Govalle/Johnston Terrace Neighborhood Planning Team reaffirmed its decision to Opt-out of VMU process and to take each case on a case-by-case basis.

The Govalle/Johnston Team request that the overlay boundaries be amended to exclude the VMU properties located in the Govalle/Johnston Planning Team area.

When the Planning Team begins to work with property owners within the VMU area, we will be requesting the properties meet a 60% and/or lower MFI affordability.

Sincerely,

Daniel Llanes

RE: Postponement for cases: C14-2007-0259 (37.39)

Dear Ms. Laursen:

The Govalle/Johnston Terrace Neighborhood Planning Team is requesting a three week postponement for the above stated case. The above VMU case has not been reviewed by the Govalle/Johnston Terrace Neighborhood Planning Review Team. It was our understanding that when the Govalle/Johnston Terrace Planning Team opted out of VMU that we would get the opportunity to review each properties owner desire, when they chose to use VMU, to present before the Neighborhood Planning Team. It was our desire to review the properties by individual cases, when the owner, if they wished to use the VMU zoning. We were not aware that the VMU zoning would now be looked at as a total block of properties within the VMU corridor. The Neighborhood Planning Review Team, request a three week postponement so that we can meet with Team members and Neighborhood Planning staff.

It is required that all properties that are requesting some type of zoning change or variance must be reviewed by the Review Committee of the Govalle/Johnston Terrace Neighborhood Planning Team. The above properties stated in the above case have not been reviewed by our community representatives on the Review Committee. Therefore, we request a postponement until we have the opportunity to meet.
Sincerely,

Daniel Llanes,
Coordinator, Review Committee
Govalle/Johnston Terrace Neighborhood Planning Team

Tract #15 (thead # 189901)

Teresa Saldaña, Rose Marie S. and Mario A. Rocha
606 Allen St.
Austin, TX 78702

August 19, 2008

City of Austin
Neighborhood Planning and Zoning Department
Melissa Laursen
P. O. Box 1088
Austin, TX 78767-8810

Case Number: NPA-2008-0016.01
RE: Govalle/Johnston Terrace Combined Neighborhood Plan/VMU

Tract 6B partial: 704 Gunter St. (see map attached)
Legal Description: Lot 5*Less SW Tri OLT 17 Div A. Eden Acres No. 2
Property ID: 189955
Parcel No.: 02-0214-0807-0000

The Austin Planning Commission has recommended the above property stay as commercial land use. As the property owner, I do not agree with the above decision from the Planning Commission. I am requesting the property on 704 Gunter Street to be included in the Mix Use-VMU Zoning.

I understand that by changing our land to Mixed Use our options are:

Relaxed site development standards:

- A). Setbacks - no minimum front, street side or interior side yard
- b). Floor to Area Ratio - no floor to area ratio
- c). No Building Coverage
- d). No Minimum Site Area
- e). Off-Street Parking Reductions

Teresa Saldana currently owns two of the four properties adjacent to this tract of land and she is well aware of the Compatibility guidelines. We would like to request to be included in the VMU Zoning Overlay District.

<u>189953</u>	02021408050000	SALDANA TERESA	3409 GONZALES ST
<u>189954</u>	02021408060000	SALDANA TERESA	3413 GONZALES ST
<u>189955</u>	02021408070000	SALDANA TERESA	704 GUNTER ST

The two tracts listed below are recommended by the Planning Commission to be included in the VMU Zoning Overlay District as property owners we approve their conclusion. We propose that all relaxed site development standards should be applied to these two tracts.

Tract 15: 3223 East 7th St. (see map attached)

Legal Description: N 50.46FT OF LOT 6 BLK 1 OLT 18 DIV A EDEN ACRES

INFORMATION ON PUBLIC HEARINGS

THE NEIGHBORHOOD PLANNING AND ZONING DEPARTMENT HAS FILED AN APPLICATION TO IMPLEMENT THE VERTICAL MIXED-USE (VMU) LAND USE REGULATIONS. THIS NOTICE HAS BEEN MAILED TO YOU BECAUSE YOU OWN PROPERTY WITHIN 300 FEET OF A VMU ELIGIBLE PROPERTY OR YOU ARE A CONTACT PERSON FOR A NEIGHBORHOOD ORGANIZATION WHOSE BOUNDARIES INCLUDE A VMU ELIGIBLE PROPERTY.

This request for zoning/rezoning will be reviewed and acted upon at two public hearings: First, before the Planning Commission and then before the City Council. After a public hearing, the Planning Commission reviews and evaluates City staff recommendation and public input and then sends its own recommendation on the proposed VMU land use regulations to the City Council. Meeting dates and locations are shown on this notice.

If you have any questions concerning this notice, please contact the City of Austin Neighborhood Planning and Zoning Department at the number shown on the first page. If you would like to express your support or opposition to this request, you may do so in several ways:

George Adams

COASTIN

NEIGHBORHOOD PLANNING & ZONING

I am requesting a 2 month postponement due to issues of notification between neighborhood association and land owner in the area which were not notified by the neighborhood association.

We need to create time to discuss Vertical Mixed Use on tracts that were left out of the Opt-in, Opt-out process. More land owners are wanting to be Opted-In in this original process.

I own the property at 3300 GONZALES St. and represent several other property in and near this area.
