

RESOLUTION NO. 20081120-037

WHEREAS, Council approved Resolution No. 030227-49 on February 27, 2003, designating 4th Street for alignment of the Lance Armstrong Bikeway (LAB) in the downtown area; and

WHEREAS, a realignment of the LAB is warranted due to changes in current and future plans for the downtown area, and because preliminary engineering indicates the realignment is more feasible; and

WHEREAS, the realignment will provide a viable and direct facility for bicyclists, minimize on-street parking loss for commercial stakeholders, minimize future rail/transit conflicts, and accommodate future rail and traffic operations; and

WHEREAS, the Urban Transportation Commission, the Bicycle Advisory Council, the Downtown Austin Alliance and the Austin Warehouse District Merchants Association approve of the staff-recommended realignment; **NOW, THEREFORE**,

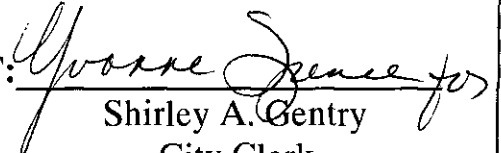

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

The Lance Armstrong Bikeway shall retain the 4th Street alignment from Trinity Street to Comal Street, but is realigned to follow 3rd Street from

the terminus of 3rd Street at Shoal Creek to Trinity Street, transitioning north to 4th Street on Trinity Street.
