PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date, or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

Comments: *'CS' is a great idea. Let the property owner develop his property the way he wants. Restrictions to usage should include hours of operation for noise consideration only. Otherwise, they paid for it, let them use it! Maybe require fence or natural screening.*

Comments: PEACEFUL HILL & RALPH

Ablanedo are well overdue for
appropriate development. 'cs' is a
perfect fit for the area. There
should be some consideration
regarding hours of operation because
this is directly across from the old
PARKRIDGE subdivision.

Comments: This is a transitional area. I feel that the development as commercial use will help the rest of the area to develop. Also, commercial use gives the landowners a change to earn income to pay the ridiculous property taxes they are burdened with.

Re: Owner: Randall L. Smitheal Family Trust
Case Number C14-2008-0217
Property Subject to Petition: 8524 Peaceful Hill
Hearing Date: December 18, 2008

Dear Wendy:

The Park Ridge Homeowners' Association and the owners of the above property have not been able to meet concerning a proposed restrictive covenant Park Ridge will require the Owner enter into in order for Park Ridge to agree to the requested zoning change. Therefore, we respectfully request that the hearing be rescheduled to the next hearing date in January, 2009 to allow time for the drafting of the private restrictive covenant. We would appreciate it if you would consent to this request by having the appropriate person sign below and return a copy of this letter to us by return email or facsimile at (512) 457-7001.

Please feel free to call me or Gloria Meraz, Park Ridge HOA President, at (512) 457-7095 with any questions. As always, thank you for your assistance in this matter.

Sincerely,
