

**ORDINANCE NO. 20081211-062**

**AN ORDINANCE AMENDING CITY CODE CHAPTER 2-9C RELATING TO THE MINORITY-OWNED AND WOMEN-OWNED BUSINESS ENTERPRISE PROCUREMENT PROGRAM.**

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:**

**PART 1.** Section 2-9C-1 of the City Code is amended to add new paragraphs (P), (Q), and (R), and renumber the remaining paragraphs accordingly.

**§ 2-9C-1 FINDINGS.**

- (P) In 2006, the City updated the ordinance to repeal City Code Chapter 2-9 and replace it with four distinct chapters addressing separate aspects of the program: Ordinance 20060608-058 adding Chapter 2-9A. Minority-Owned and Women-Owned Business Enterprise Procurement Program: Construction; Ordinance 20060608-059 adding Chapter 2-9B. Minority-Owned and Women-Owned Business Enterprise Procurement Program: Professional Services; Ordinance 20060608-060 adding Chapter 2-9C. Minority-Owned and Women-Owned Business Enterprise Procurement Program: Nonprofessional Services; and Ordinance 20060608-061 adding Chapter 2-9D. Minority-Owned and Women-Owned Business Enterprise Procurement Program: Commodities.
- (Q) As the City updated the ordinance, the City commissioned Colette Holt & Associates in late 2005 and NERA Economic Consulting in late 2006 to conduct an updated availability analysis and other statistical and anecdotal investigations regarding the presence of disparities in the City's marketplace. The results of these efforts are consolidated in the May 2008 report entitled "*Race, Sex, and Business Enterprise: Evidence from the City of Austin*".
- (R) Based on the evidence from the 2008 study, the City determined that:

  - (1) There are identifiable adverse and statistically significant disparities in business formation and business owner earnings for all M/WBE types in the City's marketplace.

- (2) There are identifiable adverse and statistically significant disparities in access to capital for all M/WBE types in the City's marketplace.
- (3) Despite the City's efforts to create equal opportunities in its marketplace, the evidence continues to indicate that, absent the programs authorized under this ordinance, MBEs and WBEs would be underutilized on City contracts relative to their availability.
- (4) Austin's program continues to be narrowly tailored.

**PART 2.** Section 2-9C-4 of the City Code is amended to read:

**§ 2-9C-4 DEFINITIONS.**

For the purpose of this chapter the following definitions shall apply. With the exception of specifically defined terms set forth herein, all words shall have their ordinary and usual meanings. In the event of conflict, the specific definition set out herein shall presumptively, but not conclusively prevail over the ordinary and usual meanings.

- (1) **ADVERSE DECISION.** An Adverse Decision includes a notice of violation, denial of certification, decertification, sanction or similar action taken by SMBR [~~DSMBR~~], a Contract Awarding Authority, or other City official under the Program with respect to a Firm or Business Enterprise.
- (2) **AFFILIATE.** A person or entity is an Affiliate of another person or entity that directly or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the person or entity. In determining affiliation, the City shall consider all appropriate factors, including common ownership, common management, and contractual relationships. Affiliates must be considered together in determining whether a firm is a MBE/WBE.
- (3) **ANNUAL PARTICIPATION GOALS.** The targeted levels established by the city council for the annual aggregate participation of MBEs and WBEs in City contracts with respect to Nonprofessional Services procurement, as set forth in Section 2-9C-3 (*Establishment of Program*), and as may be amended from time to time.

- (4) **AUSTIN METROPOLITAN STATISTICAL AREA.** The specific area defined by the Census Bureau, which is presently limited to Travis, Williamson, Hays, Bastrop and Caldwell Counties.
- (5) **BID.** A complete, properly signed response to a competitive bidding Solicitation issued by the City, submitted on the prescribed forms required by the relevant Contract Awarding Authority, to perform or provide labor, materials, equipment, supplies or services to or for the City for a stated price.
- (6) **BIDDER.** A person, Firm or Business Enterprise that submits a Bid in response to a Solicitation. A Bidder may be represented by an agent if such agent provides evidence demonstrating the agent's authority.
- (7) **BROKER.** A person or entity that fills orders by purchasing or receiving supplies from a third party supplier rather than out of its own existing inventory, and provides no Commercially Useful Function other than acting as a conduit between his or her supplier and his or her customer.
- (8) **BUSINESS ENTERPRISE or FIRM.** A corporation, partnership, sole proprietorship, Joint Venture, joint stock company, professional association or any other legal entity, that is properly licensed and/or otherwise authorized to do business in the State of Texas.
- (9) **CITY and CITY LIMITS.** The City of Austin, Texas and its full purpose annexed boundaries, as established by Chapter 90, page 634, Special Laws of Texas, 1909, 31st Legislature, as the same may be amended from time to time and as extended by ordinances of the City of Austin enacted subsequent thereto.
- (10) **CITY MANAGER.** The person serving as the chief administrative and executive officer of the City, as appointed and serving under Art. V, Section 1 of the Austin City Charter (or any successor provision) and includes his or her designee.
- (11) **CITY MARKETPLACE.** The geographic and procurement areas in which the City contracts on an annual basis.
- (12) **COMMERCIALLY USEFUL FUNCTION.** A Firm is responsible for the execution of a distinct element of the work of the Contract and carries out its responsibilities by actually performing, managing, and supervising the work

involved, or fulfilling its responsibilities as Joint Venturer. To determine whether a Firm is performing a Commercially Useful Function, the City will evaluate the amount of work subcontracted, normal industry practices and other relevant factors. In determining whether a MBE/WBE Firm is performing a Commercially Useful Function, the following considerations shall be counted:

- (a) A MBE/WBE performs a Commercially Useful Function when it is responsible for the work of the Contract and is carrying out its responsibilities by actually performing, managing, and supervising the work involved. To perform a Commercially Useful Function, the MBE/WBE must also be responsible, with respect to materials and supplies used on the Contract, for negotiating price, determining quality and quantity, ordering the material, and installing (where applicable) and paying for the material itself. The determination that a MBE/WBE is performing a Commercially Useful Function will be determined by the amount of work subcontracted, normal industry practices, whether the amount the Firm is to be paid under the Contract is commensurate with the work it is actually performing, and other relevant factors.
  - (b) A MBE/WBE does not perform a Commercially Useful Function if its role is limited to that of an extra participant in a transaction, Contract, or project through which funds are passed in order to obtain the appearance of MBE/WBE participation.
  - (c) Generally, if a MBE/WBE does not perform or exercise responsibility for at least 30 percent of the total cost of its Contract with its own work force, or the MBE/WBE subcontracts a greater portion of the work of a Contract than would be expected on the basis of normal industry practice for the type of work involved, it is not performing a Commercially Useful Function.
- (13) COMPLIANCE PLAN. The plan submitted with the Bid/Proposal detailing the Bidder/Proposer's achievement of the Goals or Subgoals or its Good Faith Efforts to meet the Goals or Subgoals for all elements of the Solicitation, as defined in Section 2-9C-21 (*Pre-Award Compliance Procedures*), subject to the rules established by the relevant Contract Awarding Authority. A Compliance Plan must be submitted with a

Bid/Proposal for any City project for which Goals or Subgoals have been established.

- (14) **CONSTRUCTION.** The construction, repair, rehabilitation, alteration, conversion or extension of buildings, parks, utilities, streets or other improvements or alterations to real property.
- (15) **CONSULTANT.** A person or Business Enterprise that submits a Proposal to provide professional or nonprofessional services to the City by Contract, and any person who supplies or provides professional or nonprofessional services to the City by Contract.
- (16) **CONTRACT.** Includes the entire and integrated binding legal agreement between the City and a Contractor or Consultant to provide or procure labor, materials, equipment, supplies and services to, for or on behalf of the City. Except as otherwise specifically defined in this section, a Contract does not include:
  - (a) awards made by the City with federal/state grant or City general fund monies to a non-profit entity where the City offers assistance, guidance, or supervision on a project or program and the recipient of the grant award uses the grant monies to provide services to the community;
  - (b) sales transactions where the City sells its personal or real property;
  - (c) a loan transaction where the City is acting as a debtor or a creditor;
  - (d) lease and franchise agreements;

  - (g) interlocal or intergovernmental agreements between or among political subdivisions; or
  - (h) procurements of commodities or services that are sole source by virtue of intellectual property rights or other exclusive rights and for which there are no other subcontracting opportunities.

It is the intent of this Program to complement any federally funded contracts subject to a federally promulgated affirmative action program. In these instances, the City shall administer this Program to complement the federal program.

- (17) **CONTRACT AWARDING AUTHORITY.** The City official or department authorized to enter into contracts on behalf of the City.

**PART 10.** Subsection (A) of Section 2-9C-19 of the City Code is amended to read:

**§ 2-9C-19 ESTABLISHMENT OF MBE/WBE PARTICIPATION LEVELS FOR INDIVIDUAL CONTRACTS IN NONPROFESSIONAL SERVICES.**

- (A) The city council recognizes that the availability of MBEs and WBEs is not uniformly present across all areas of Contracting. Therefore, the Director, where appropriate, and pursuant to criteria established by rule, may establish project participation Goals and/or Subgoals for individual Contracts, based on:
- (1) normal industry practice with respect to Nonprofessional Services, as determined in consultation with the User Department;
  - (2) the availability of at least three certified MBEs or WBEs to perform the functions of those individual Contracts; ~~[and]~~
  - (3) the City's utilization of MBEs and WBEs to date, so as to achieve the Annual Participation Goals and Subgoals, if any; and
  - (4) any additional relevant factors.

**PART 11.** Subsection (G) of Section 2-9C-21 of the City Code is amended to read:

**§ 2-9C-21 PRE-AWARD COMPLIANCE PROCEDURES.**

- (G) The Director shall review the compliance plan prior to award, including the scope of work, ~~[and the letters of intent from any MBE/WBE Subcontractors]~~ within a reasonable time so as not to unduly delay award of the Contract.
- (1) If the Director determines that the compliance plan demonstrates that the Goals or Subgoals have been achieved, then the Contract Awarding Authority, with the concurrence of the Director, after the Contract Awarding Authority and Director review the letters of intent, shall recommend award to the city council. For all competitively Bid projects, signed letter(s) of intent between the certified low Bidder and the MBE and/or WBE Subcontractor(s) must be received by the Contract Awarding Authority within three business days of notification of the status as certified low Bidder. For procurements conducted through the request for Proposal or request for qualifications process, no later than after final execution of a professional or nonprofessional services agreement but before the issuance of a notice to proceed, the successful Proposer must deliver

signed subcontracts between itself and the MBE and/or WBE Subcontractor(s) and/or Subconsultant(s) for the scope of work reflected in the Proposal as awarded.

- (2) In the event the applicable Goal(s) or Subgoals have not been achieved, then the Director shall evaluate the Bidder's/Proposer's Good Faith Efforts to achieve those Goals or Subgoals as documented in the compliance plan. The Director shall evaluate the compliance plan based on the criteria established in Subsection (E) of this section. The Director may request clarification in writing of items listed in the compliance plan, provided such clarification is minor and shall not include the opportunity to augment listed MBE/WBE participation or Good Faith Efforts.
- (3) If the Director finds that a Bidder/Proposer did not make sufficient Good Faith Efforts, the Director shall communicate his finding to the Contract Awarding Authority or other appropriate City official. The Director shall recommend to the Contract Awarding Authority that the Bid/Proposal be rejected based on failure to comply with this chapter. The Contract Awarding Authority may reject the Bid/Proposal as not in compliance with this chapter, or may advise the City Manager of additional considerations which may form the basis for accepting the Bid/Proposal as being in the best overall interest of the Program and the City.
- (4) If the Contract Awarding Authority finds that the Bid/Proposal does not comply with this chapter, a Bidder/Proposer may request a protest hearing. The City Manager has the authority to make the final decision, subject to council action, if required. In determining whether compliance with this section has been met, the City Manager may determine that the effort of the Bidder/Proposer substantially complies with the purpose of this chapter and such determination is in the best interest of the Program and the City.

**PART 12.** Subsection (I) of Section 2-9C-21 of the City Code is amended to read:

**§ 2-9C-21 PRE-AWARD COMPLIANCE PROCEDURES.**

- (I) The City purchasing officer or relevant Contract Awarding Authority may waive minor informalities in the compliance plan. A minor informality is one that does not affect the competitiveness of the Bid/Proposal.

**PART 13.** Subsection (F) of Section 2-9C-22 of the City Code is amended to read:

**§ 2-9C-22 POST-AWARD COMPLIANCE PROCEDURES.**

- (F) Notice of appeal from an Adverse Decision under Subsection (E) must be filed with the Purchasing Office or relevant Contract Awarding Authority within 14 calendar days from the date of receipt of the finding[~~with the Purchasing Office~~], including any written documentation to demonstrate how the Contractor or Consultant, as the case may be, has complied with the contracted Goals or Subgoals. The Purchasing Office or relevant Contract Awarding Authority shall hold a hearing within 15 calendar days of receipt of notice of appeal on whether the Contractor or Consultant has complied with the contracted Goals or Subgoals. The Contract Awarding Authority, the project or Contract manager, the Director, and the Contractor or Consultant shall participate. The Purchasing Office or relevant Contract Awarding Authority shall make a finding in writing within 15 calendar days after the close of the hearing date, along with a recommendation for resolution of the Adverse Decision, if appropriate.

**PART 14.** Subsection (A) of Section 2-9C-23 of the City Code is amended to read:

**§ 2-9C-23 POST-SUBMISSION CHANGES TO THE COMPLIANCE PLAN.**

- (A) The Contractor or Consultant cannot make changes to the compliance plan or substitute[~~MBE/WBE~~] Subcontractors or Subconsultants listed in the compliance plan without the prior written approval of the Director. Unauthorized changes or substitutions shall be a violation of this chapter, and may constitute grounds for rejection of the Bid or Proposal or cause termination of the executed Contract for breach, and/or subject the Bidder/Proposer to Contract penalties or other sanctions.

**PART 15.** Section 2-9C-26 of the City Code is amended to read:
