The Peninsula annexation area was included in the City's Municipal Annexation Plan (MAP) on December 15, 2005. The Peninsula annexation area includes approximately 432 acres in Travis County located west of Westlake Drive approximately 210 feet south of the intersection of Westlake Drive and Trailview Mesa Drive. The area is bounded by the existing full purpose City limits on the east along Lake Austin and portions of the area are currently in the City's limited purpose jurisdiction. Most of the area is subdivided into large single family lots in addition to a few apartment and condominium complexes, utility facilities, and parking lots for adjacent commercial uses.

Being included in the Municipal Annexation Plan started a three-year process leading to annexation. The process included notification, an inventory of existing services, public hearings and the negotiation and arbitration of an annexation service plan. At this point all of the steps in the process have been completed and approval of the ordinance will annex the area with an effective date of January 29, 2009.
