B-4. BUILDING LOCATION. No building shall be located on any lot nearer to the front lot line than 25 feet minimum, 35 feet maximum, nor nearer than 10 feet to the side line if said line is a street. No building shall be located on any lot nearer than 5 feet to the interior lot line and must comply with city zoning ordinances. No building shall be located nearer than 15 feet to the rear lot line. For the purpose of these covenants, eaves, steps, and open porches shall not be considered as a part of a building, provided, however, that this shall not be construed to permit any portion of a building on a lot to encroach upon another lot. No fence, wall or hedge shall be erected, placed or altered on any lot nearer to any street than the front wall of any house.

B-5. LOT AREA AND WIDTH. No dwelling shall be erected or placed on any lot having a width of less than 50 feet at the minimum building set back line, nor shall any building be erected or placed on any lot having an area of less than 5,000 square feet, except as shown on the recorded plat.

* B-6. EASEMENTS. Public utility easements are reserved as shown on the recorded plat and over the rear seven and one half feet of each lot. These easements are reserved for installation and maintenance of public utilities and public drainage facilities, and they are also reserved in each block as needed for adequate surface drainage of the other lots within the block. Easements five feet in width are also reserved on each side of all side lot lines as needed for adequate surface drainage of the other lots within the block. Within these easements, no structure, planting or other material shall be placed or permitted to remain which may change the direction of flow in the drainage channels or swales in the easements or which may obstruct or retard the flow of water through the drainage channels or swales in the easements. The easement area in each lot and all improvements in it shall be maintained by the owner of the lot except for those improvements for which a public authority or utility company is responsible. *

* B-7. NUISANCES. No noxious or offensive activities shall be carried on upon any lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood. *

B-8. TEMPORARY STRUCTURES. No structure of a temporary character, trailer, basement, tent, shack, detached garage, barn or other out building shall be erected, altered, placed, or permitted to remain on any lot at any time, either temporary or permanent without the prior written consent of the Architectural Control Committee. No building constructed elsewhere shall be moved upon any lot in this addition.

B-9. SIGNS AND SALES PROGRAM. No signs of any kind shall be displayed for public view on any lot except one professional sign of not more than one square foot, one sign of not more than 5 square, advertising the property for sale or rent or signs used by a builder to advertise the property during the construction and sale period. All merchandising, advertising, and sales programs in this subdivision shall be subject to approval by the developer and shall be in conformity with the general marketing plan for the subdivision.

B-10. OIL AND MINING OPERATIONS. No oil drilling, oil development operations, oil refining, quarrying or mining operations at any time shall be permitted upon or in any lot, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any lots. No derrick or other structure designed for use in drilling for oil or natural gas shall be erected, maintained or permitted upon any lot.

B-11. LIVESTOCK AND POULTRY. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot, except that dogs, cats or other household pets may be kept provided that they are not kept, bred or maintained for any commercial purposes.
