PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date, or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

Comments: PEACEFUL HILL & RALPH Ablanedo are well overdue for appropriate development. 'CS' is a perfect fit for the area. There should be some considration regarding hours of operation because this is directly across from the old PARKRIDGE subdivision.

Comments: This is a transitional area. I feel that the development as commercial use will help the rest of the area to develop. Also, commercial use gives the landowners a change to earn income to pay the ridiculous property taxes they are burdened with.

Hearing Date: December 18, 2008

Dear Wendy:

The Park Ridge Homeowners' Association and the owners of the above property have not been able to meet concerning a proposed restrictive covenant Park Ridge will require the Owner enter into in order for Park Ridge to agree to the requested zoning change. Therefore, we respectfully request that the hearing be rescheduled to the next hearing date in January, 2009 to allow time for the drafting of the private restrictive covenant. We would appreciate it if you would consent to this request by having the appropriate person sign below and return a copy of this letter to us by return email or facsimile at (512) 457-7001.

Please feel free to call me or Gloria Meraz, Park Ridge HOA President, at (512) 457-7095 with any questions. As always, thank you for your assistance in this matter.

Wendy,

I am writing to let you know that the applicant and the neighborhood are jointly requesting a postponement of this item for 2 weeks to January 29, 2009. Susan Hambright was not aware that the item was coming up this week and will not be able to attend. In addition, we have not finalized our private restrictive covenant yet. While both sides are still in agreement, the additional 2 weeks will give us time to finalize the agreement and allow Susan to attend. Thanks.

Wendy, February 12 is fine with the neighborhood. I have an unavoidable work conflict on the 29th. Jeff, thanks for being agreeable to the postponement and please let me know when you want to visit to discuss how we should proceed. We very much appreciate the postponement and look forward to working with you to a mutually acceptable conclusion. As I said to Jeff and Amanda yesterday, we are still very supportive of the use that they seek and want to work with them to see that it happens.

Hi Susan,
Thank you for your e-mail. Could you tell me which date the Neighborhood will be requesting postponement of City Council consideration on the Peaceful Hill case? February 12th is the next available Council meeting date and Jeff is agreeable to postponing this case to that date.

The Staff has not prepared an ordinance or public Restrictive Covenant as we are awaiting direction from the Applicant on how he would like to proceed with this case given that the building maintenance services use is not allowed in the GR district, as well as supporting documentation that identifies how the Smitheal trust is set up (needed in order to prepare the public RC).

Thank you,
Wendy

Subject: RE: Item No. 101 on the 1/15/2009 City Council Agenda - Peaceful Hill Rezoning

Wendy, the neighborhood would like to request another postponement of the City Council hearing. We do not believe we are in a position to support any CS zoning and firmly believe that the Zoning Commission would not have supported this, either. We would be supportive of Jeff Howard's suggested zoning of W-LO. As you recall, the Commission was reluctant to even grant GR zoning but did so at the urging of the neighborhood because of the agreement we had made with Applicant. The neighborhood does not believe that this issue is ready to go before City Council as it currently stands as we have seen no conditional overlay document from the City and we also have not entered into the private restrictive covenant with the Applicant. The Commission's ruling was conditional upon all of these issues being taken care of before this went to City Council.

Please let me know if you need anything else to consider this request for postponement or a conveyance back to ZAP.
