Robert,

Thank you very much for forwarding this information to Bob. As the registered representative of the Old Austin Neighborhood Association, I request a postponement of this agenda item, to the next City Council meeting. This will allow the Neighborhood Association to assess the change(s) in the application and hopefully take a position pro or con on the application. The Neighborhood Association has a scheduled meeting this Monday, February 16th when we'd be able to discuss the new aspects of this case.

I've left you a voicemail about this, too. Please call me at **657-5414** with any questions.

Best,

Ted Siff
