Dear Victoria,

On behalf of Heritage Neighborhood Association, as a Co Chair of CANPAC, I would like to request a postponement today for items 41 & 42, zoning change/ a plan amendment, on the City Council agenda (3/05/09) regarding 3301 King's Lane. I hope that NPZD as well as the City Council will be able to honor this request. Thank you for your attention and help. Sincerely, Mary Ingle, Co Chair of CANPAC
