Subject: Montopolis CDC Nomination Results

Candy:

On Saturday, March 7th, the Montopolis Neighborhood Advisory Board held an election to nominate someone to fill the vacant Montopolis seat on the CDC. Through a democratic process, the members present at the meeting elected Susana Almanza as our nominee to be presented to council to become the commissioner to represent Montopolis on the CDC. It is my understanding that you will ensure the necessary next steps are taken in a timely manner.

Please do not hesitate to contact me if there is any additional information you need. Also, if you would, please let me know as soon as you have submitted Susana to Councilmember Morrison's office as the Montopolis nominee. I'd like to follow this process as closely as possible.

Many thanks,
Larry Gross
Election Chairperson
Montopolis Neighborhood Advisory Board
