**SUBJECT:**

The Water and Wastewater Commission recommends approval to adopt an ordinance to waive all City fees associated with the City's subdivision process, Austin City Code Title 30, and authorize use of Austin Water Utility engineering and surveying services for a one-acre lot located at **4000 Prairie Lane within the Northridge Acres Subdivision** in order for the lot be subdivided in accordance with local and State legal requirements into three separate lots, for which two of the three lots can then obtain retail water service from the City.
