

Parks and Recreation Department Board

Tuesday, March 24, 2009

Regular Meeting

Item for Action

Make a recommendation to City Council regarding the Downtown Wastewater Tunnel Project at multiple park sites.

Applicant's Request: Permanent and temporary use of parkland at five park sites, form Butler Ball fields (Toomey Road)to Kreig Fields, to install access shafts.

Board Member Chimenti moved to approve the recommendation, seconded by Board Member Bostick Motion carried 6-0.

Tino Garcia, Parks Board Liaison
