The International Residence Apartments Annexation Area (approximately 4 acres) is located in southern Williamson County at the northeast corner of the intersection of Copper Creek Drive and Pond Woods Road. This area is currently in the city's extraterritorial jurisdiction and includes the balance of a multifamily property that was annexed in December 2008. This area is adjacent to the city's full purpose jurisdiction on the north and west sides. Annexation of this area will help ensure appropriate emergency dispatch and increase efficiency in the delivery of public safety services to this area.
