

Resource Management Commission
April 21, 2009 Agenda Item 6.a.
Proposed Austin Water Utility Drought Contingency Plan

RESOLUTION

The Resource Management Commission approves the revised Drought Contingency Plan presented by the Austin Water Utility at its April 21, 2009 meeting and recommends that the City Council pass a resolution adopting the plan in place of existing Council Resolution No. 20050428-011.

Adopted on April 21, 2009, by a vote of 5 to 0.

Christine Herbert
Chair

Further, the Commission resolves that the Austin Water Utility will continue to consult and work with the Commission to revise and update the Plan to provide additional terms and details to recommend to the City Council for adoption within the next year.
