This purchase of influenza vaccine will allow HHSD flu clinics to immunize approximately 7,500 high-risk patients early in the flu season. Patients receiving the vaccine will include the elderly, homeless, immuno-depressed, and low-income children. Vaccine purchased for HRD, AFD, and EMS will be made available to approximately 4,600 City employees who are either at high risk of complications from influenza or who serve as first-responders with a primary health-care focus.

The Sanofi Pasteur vaccine (Fluzone) is available via the CPA term contract at the rate of \$95.92 per 10-dose vial.
