

GREEN SAVER TARIFF

A. APPLICABILITY

Applicable to the residence of any residential customer who (a) occupies an Austin Energy Green Building certified Green Home, minimum three stars, and that uses natural gas for water heating and space heating, or (b) has an energy audit conducted by an auditor certified by Austin Energy (AE), or by an auditor with a Home Energy Rating System certificate, a PE (professional engineer) certification, or a LEED (Leadership in Energy and Environmental Design) certificate.

Applicable to a small commercial customer who occupies an office building that is currently certified three star by the Austin Green Building Program. Applicability is limited to the customer's office(s) in that certified office building.

B. TERRITORY

All areas served by the Company in its Central Texas Service Area whose regulatory body has adopted the Conservation Adjustment Clause for service provided within the corporate limits of each city served by the Company. The Central Texas Service Area includes Austin, Cedar Park, Kyle, Rollingwood, Sunset Valley, and West Lake Hills, Texas.

C. RATE

During each monthly billing period for a period of twenty-four (24) months, a credit per meter per month of \$2.00 will be given to each customer qualifying for this tariff. The credit will be billed during the next billing cycle after the documentation has been submitted and approved by the Company.

All amounts credited to customers shall be recorded and included in the Company's submittal in the annual budget and reconciliation process outlined in the Company's Conservation Adjustment Clause.

D. CONDITIONS

1. Subject in all respects to applicable laws, rules, and regulations from time to time in effect.
2. The customer must provide to the Company proof of qualification under the applicable criteria set forth in Section A above.
3. Eligibility for the "Green Saver" rate will be limited to the number of participants included in the applicable line item in the annual Conservation Program budget submitted to the City each year.
