PERFORMANCE

Related Department Goal

Prevent the spread of communicable disease and reduce the risk of health complications due to disease and unhealthy behaviors.

Outputs/Outcomes

COA HHSD and its subcontractor, Morningside, will:

1. Share digital raw data collected by COA HHSD SRTS Project from self-report surveys on student mode of transportation to and from school during Spring, 2009, Spring, 2010, and Fall 2010 semesters at the 10 schools included in the COA HHSD SRTS Project.
2. Share digital raw data from parent media surveys administered by Morningside during the Spring 2009 semester.
3. Distribute and collect parent attitudinal surveys designed by TAMU in the Spring of 2010 at the 10 schools included in the COA HHSD SRTS Project.

Texas A&M University will:

1. Share data analysis of the first parent attitudinal survey administered in April 2007, and the second parent attitudinal survey administered during the Spring 2010 semester in the form of descriptive statistics for each survey question and bivariate analyses for selected survey questions.
