A best value invitation for bid process was used for this solicitation. An Austin Energy team with expertise in scaffolding evaluated all the bids and selected the top four of those submitted as being the best value to the City. Evaluation criteria included experience, qualifications and total evaluated cost. The annual expenditure for these services is estimated to be approximately \$153,000 per year. A bid tabulation is on file in the Purchasing Office and is on the City of Austin, FASD Purchasing Office website.
