RE: Input on sound permit for ATX Sports Bar

Dear Ms. Hilling:

I oppose the outdoor sound permit for the following reasons:

1. The sound disrupts the use and enjoyment of my property.
2. The sound requires me to continue to make expensive modifications of windows and insulation.
3. The sound drastically reduces the use and fair market value of my property either at its present use or any future use.

You can contact me at: 512 -422-8275

Or mail me at: 1607 E. 7<sup>th</sup> Street, Austin Texas 78702. or 509 Alabama, San Marcos 78666

Thanks for you help,
