**Prior Council Action:** December 11, 2008 - Council directed the City Manager to establish a procedure for public notice and input for development regulations and construction standards proposed by a governmental entity.

---

On December 11, 2008, Council approved a resolution directing the City Manager to establish a procedure for public notice and input during the review of a request for an interlocal agreement specifying development regulations and construction standards for projects proposed by a governmental entity.

The proposed code amendment will accomplish the following:

1. Establish notification requirements (mail-out and published notice) for both the Land Use Commission and City Council public hearings.
2. Require a public hearing before the Land Use Commission and City Council.
3. Establish deadlines for public hearings and council action on proposed interlocal agreements.
