

## **ZONING CHANGE REVIEW SHEET**

**CASE:** C14-2009-0059 – Texas Association of Nurse Anesthetists      **P.C. DATE:** June 23, 2009  
July 14, 2009  
July 28, 2009

**ADDRESS:** 888 Banister Lane

**OWNER/APPLICANT:** Texas Association of Nurse Anesthetists (Janet H. Morrow)

**AGENT:** Jackson Walker, LLP (Katherine Loayza)

**ZONING FROM:** SF-3      **TO:** LO-MU-CO      **AREA** 0.22 acres (9,583.2 ft<sup>2</sup>)

**SUMMARY STAFF RECOMMENDATION:** Staff recommends the approval of LO-MU-CO (General Office – Mixed Use-Conditional Overlay) district zoning. The conditional overlay associated with the property will limit the allowable trips per day to less than 300, the property will conform to Commercial Design Standards for exterior lighting, and will prohibit the following uses:

Art Gallery  
Art Workshop  
Communications Services  
Medical Offices not exceeding 5,000 sq. ft.  
Medical Offices exceeding 5,000 sq. ft.  
Software Development  
Communication Service Facilities  
Convalescent Services  
Cultural Services  
Day Care Services (Commercial)  
Day Care Services (General)  
Day Care Services (Limited)  
Private Primary Educational Facilities  
Public Primary Educational Facilities  
Public Secondary Educational Facilities  
Safety Services

**PLANNING COMMISSION RECOMMENDATION:** 7/28/09 – The motion to approve staff's recommendation for LO-MU-CO district zoning; was approved by Commissioner Clint Small's motion, Commissioner Sandra Kirk second the motion on a vote of 5-3; Commissioners Chris Ewen, Gerardo Castillo and Dave Anderson voted against the motion (nay); Commissioner Dave Sullivan was ABSENT.

**CITY COUNCIL RECOMMENDATION:** 8/20/09 – Council postponed the case to the September 24<sup>th</sup>, 2009 agenda and left the public hearing open. Council Member Morrison asked the applicant to file a restrictive covenant that provides a rollback provision for the zoning in the case of a cease of use on the property.

**DEPARTMENT COMMENTS:** This property is developed with a 1500 square foot, single family house and zoned SF-3 (Family Residence) district zoning. The property was recently purchased by

the Texas Association of Nurse Anesthetists for use as administrative office space for the non-profit organization. The applicant seeks to rezone the property to LO-CO in order to accommodate an office use on the property. TANA will utilize the existing structure as their office location and will not redevelop the site.

**BASIS FOR RECOMMENDATION**

Zoning changes should promote compatibility with adjacent and nearby uses and should not result in detrimental impacts to the neighborhood character.

*The property is adjacent to commercially zoned projects and multi-family developments..*

Zoning should promote a transition between adjacent and nearby zoning districts, land uses, and development intensities.

*The property follows a pattern of decreasing density away from a major transit corridor, Ben White Boulevard. The office zoning of the property is a transition from the more intense commercial properties located on the corridor.*

## **EXISTING CONDITIONS**

### **ENVIRONMENTAL**

The site is not located over the Edwards Aquifer Recharge Zone. The site is located in the West Bouldin Creek Watershed of the Colorado River Basin, which is classified as an Urban Watershed by Chapter 25-8 of the City's Land Development Code. It is in the Desired Development Zone.

Impervious cover is not limited in this watershed class; therefore the zoning district impervious cover limits will apply.

This site is required to provide on-site structural water quality controls (or payment in lieu of) for all development and/or redevelopment when 5,000 s.f. cumulative is exceeded, and detention for the two-year storm. At this time, no information has been provided as to whether this property has any pre-existing approvals which would preempt current water quality or Code requirements.

According to flood plain maps, there is no flood plain within the project area.

Trees will likely be impacted with a proposed development associated with this rezoning case. Please be aware that an approved rezoning status does not eliminate a proposed development's requirements to meet the intent of the tree ordinances. If further explanation or specificity is needed, please contact the City Arborist at 974-1876. At this time, site specific information is unavailable regarding other vegetation, areas of steep slope, or other environmental features such as bluffs, springs, canyon rimrock, caves, sinkholes, and wetlands.

Standard landscaping and tree protection will be required in accordance with LDC 25-2 and 25-8 for all development and/or redevelopment.

### **Water and Wastewater**

If the landowner intends to serve the site with City of Austin water and wastewater utilities. The landowner, at own expense, will be responsible for providing the water and wastewater utility improvements, offsite main extensions, system upgrades, utility relocations and or abandonments required. The water and wastewater plan must be in accordance with the City of Austin utility design criteria. The water and wastewater utility plan must be reviewed and approved by the Austin Water Utility. All water and wastewater construction must be inspected by the City of Austin. The landowner must pay the City inspection fee with the utility construction. The landowner must pay the tap and impact fee once the landowner makes an application for a City of Austin water and wastewater utility tap permit.

### **Stormwater Detention**

At the time a final subdivision plat, subdivision construction plans, or site plan is submitted, the developer must demonstrate that the proposed development will not result in additional identifiable flooding of other property. Any increase in stormwater runoff will be mitigated through on-site stormwater detention ponds, or participation in the City of Austin Regional Stormwater Management Program if available.

**TRANSPORTATION:**

Additional right-of-way may be required at the time of subdivision or site plan review application.

A traffic impact analysis was not required for this case because the traffic generated by the proposed zoning does not exceed the threshold of 2,000 vehicle trips per day. [LDC, 25-6-113]

**Existing Street Characteristics:**

Name	ROW	Pavement	Classification	Sidewalks	Bike Route	Capital Metro

**SITE PLAN**

Any new development is subject to Subchapter E: Design Standards and Mixed Use. Additional comments will be made when the site plan is submitted.

### **Restrictive Covenant**

This Restrictive Covenant is executed by Texas Association of Nurse Anesthetists, Inc., a Texas nonprofit corporation (the "*Owner*") and Galindo Elementary Neighborhood Association (the "*Association*").

#### **Recitals:**

A. The Owner and the Association have agreed to impress certain covenants and restrictions in connection with the City of Austin (the "*City*") Zoning Case No. C14-2009-0059 for the real property located at 888 Banister Lane in Austin, Travis County, Texas, and more fully described as follows (the "*Property*"):

Approximately 0.22 of an acre of land, being the west 50 feet of Lot 5, Block 4, Free Water Addition, according to the plat thereof recorded at Volume 2, Page 235 of the Plat Records of Travis County, Texas; and being the same property conveyed to Owner by the General Warranty Deed recorded at Document No. 2009077446 of the Official Public Records of Travis County, Texas; and known locally as 888 Banister Lane, Austin, Texas 78704.

B. The Owner is seeking LO-CO-MU zoning for the Property. The Association has agreed not to oppose the rezoning in consideration of the various concessions and agreements made by the Owner which are more fully set forth.

#### **Agreements:**

NOW, THEREFORE, for Ten and No/100 Dollars (\$10.00) and other good and valuable consideration paid by the Association to the Owner, the receipt and sufficiency of which are acknowledged, and in consideration of the mutual covenants and benefits herein, Owner and Association covenant and agree as follows:

1. In the event that the Property is sold, neither the Owner nor its successors or assigns in ownership shall assert a protest against a rollback in zoning by the City to a residential classification.
2. If any person or entity shall violate or attempt to violate this Restrictive Covenant, it shall be lawful for the Association or its successor organizations to prosecute proceedings at law or in equity against such person or entity violating or attempting to violate this Restrictive Covenant.
3. This agreement may be modified, amended, or terminated only by joint action of both (a) the Board of Directors and a similar body of the Association or such other organization as may succeed the Association, and (b) the owner(s) of the Property at the time of such modification, amendment, termination.
4. This Restrictive Covenant shall be a covenant running with the land and shall

be binding upon and inure to the benefit of the Owner, the Association, and their respective successors and assigns.

5. If any part of this agreement or covenant shall be declared invalid, by judgment or court order, the same shall in no way affect any of the other provisions of this agreement, and such remaining portion of this agreement shall remain in full effect.

EXECUTED this 11<sup>th</sup> day of September, 2009.

888 Banister Lane requested rezoning

Motion passed unanimously at the GENA Executive Committee August meeting:

Whereas, GENA's general membership does not support the rezoning of 888 Banister from residential zoning;

Therefore, the GENA Executive Committee resolves to pursue a Restrictive Covenant, as suggested by the Austin City Council, that requires TANA to apply for a rollback in zoning to SF-3 should they sell the property or discontinue their stated use for the property. Said Restrictive Covenant will be applied with any upzoning, if granted by Council. TANA shall secure the Restrictive Covenant with a \$25,000 bond.

Re: C14-2009-0059  
888 Banister Lane Rezoning Request

Resolution passed unanimously by the Executive Committee as follows:

Whereas, a similar request for up-zoning at 888 Banister Lane was recently not supported by the neighborhood;

Whereas, the neighborhood wishes to maintain the current contiguous residential use along Banister Lane; and

Whereas, the neighborhood believes it necessary to take a comprehensive look at any proposed commercial rezoning along Banister Lane,

Therefore, the Galindo Elementary Neighborhood Association Executive Committee does not support the zoning request from SF-3 to GO.

## PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date, or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

To the Honorable Mayor and Council Members:

I am opposed to the rezoning at 888 Banister Lane from SF-3 to LO-MU-CO. As a resident of the Galindo Elementary Neighborhood Association I support the current Neighborhood Plan to keep the inner core residential. Commercial development needs to be kept on the perimeter of the neighborhood for the following reasons:

- \*It creates unsafe traffic for pedestrians and bicyclists.
- \*It increases commercial traffic in a residential neighborhood.
- \*It alters the landscape and environment by removing trees and diminishing the aesthetic value.
- \*It promotes vagrancy in empty office buildings left vacant at night and on weekends.

I want the property at 888 Banister Lane to continue to be zoned as residential. Please consider the above and support the citizens of the Galindo Elementary Neighborhood Association.

To the Honorable Mayor and Council Members:

I am opposed to the rezoning at 888 Banister Lane from SF-3 to LO-MU-CO. As a resident of the Galindo Elementary Neighborhood Association I support the current Neighborhood Plan to keep the inner core residential. Commercial development needs to be kept on the perimeter of the neighborhood for the following reasons:

- \*It creates unsafe traffic for pedestrians and bicyclists.
- \*It increases commercial traffic in a residential neighborhood.
- \*It alters the landscape and environment by removing trees and diminishing the aesthetic value.
- \*It promotes vagrancy in empty office buildings left vacant at night and on weekends.

I want the property at 888 Banister Lane to continue to be zoned as residential. Please consider the above and support the citizens of the Galindo Elementary Neighborhood Association.
