Dear Chief Acevedo:

On behalf of the Downtown Austin Alliance, I would like to confirm our intentions regarding the continued funding of the Downtown Rangers program.

The DAA Board recently approved the fiscal year 09-10 (May 1, 2009 through April 30, 2010) operating budget. Within this budget is funding not to exceed \$516,239 for Rangers staffing for the entire year. Our plan behind the budget is to increase Rangers staffing from its current level of 11 full-time equivalent positions to 13 FTE's as soon as those positions can be posted and filled.

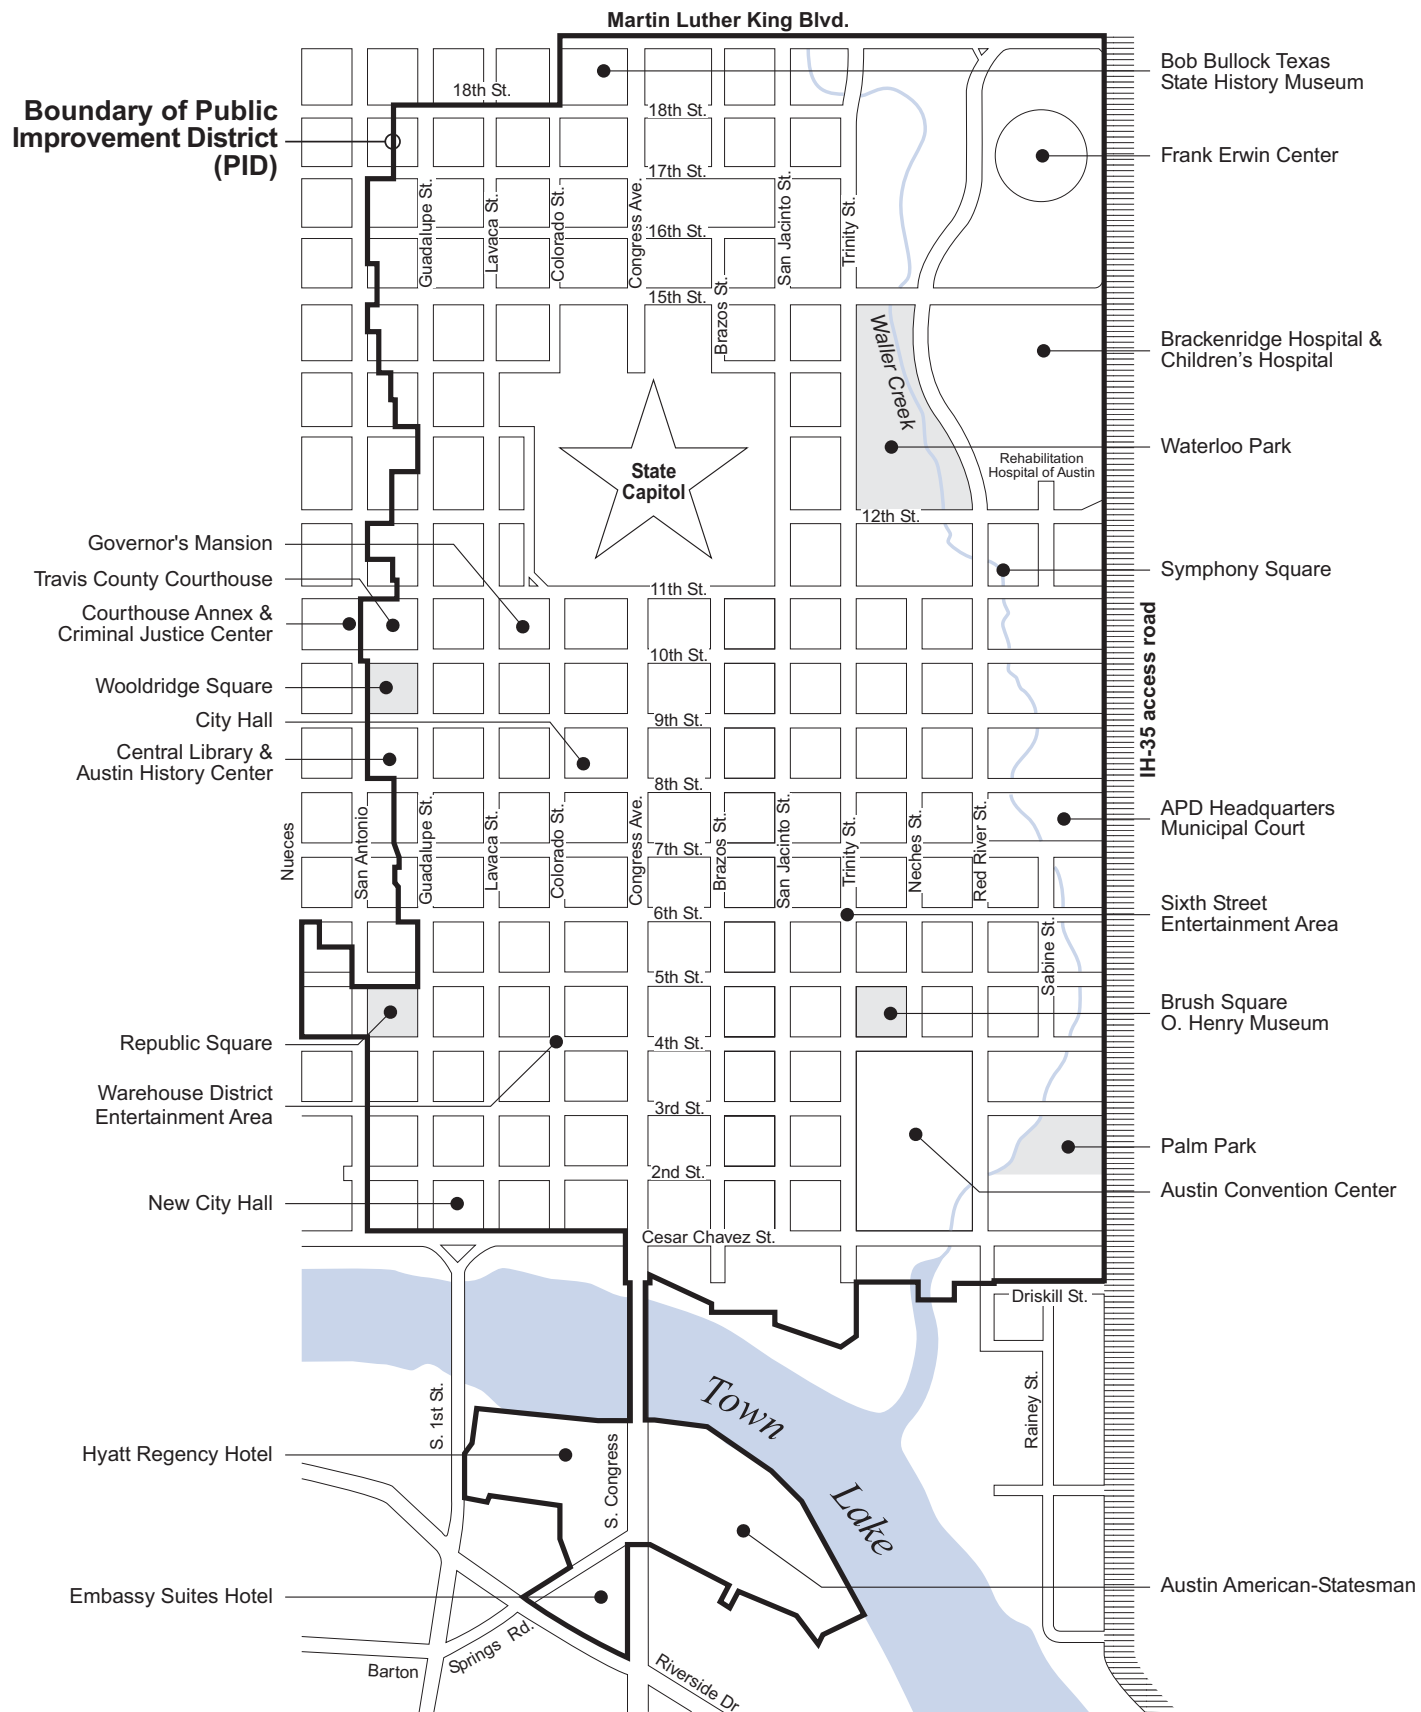

The DAA appreciates your attention to downtown public safety issues and your support of the Downtown Rangers program as an important component of our police department. If you wish to speak with me about the DAA's budget commitment for the Rangers, or any other matters, please contact me by calling 381-6264.

Sincerely,

Charles Betts
