

**RESOLUTION NO. 20091001-038**

**WHEREAS**, the City of Austin uses water treated by the Austin Water Utility, water reclaimed from wastewater facilities, and raw water drawn directly from the Colorado River; and

**WHEREAS**, the City of Austin has established restrictions on water use during periods of drought or other periods necessary to protect public health, safety, or welfare; and

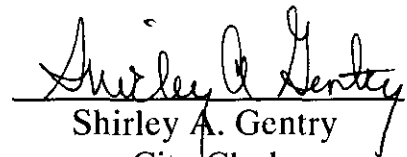

**WHEREAS**, the City Council believes City of Austin should use water in a manner consistent with those restrictions; **NOW, THEREFORE**,

**BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:**

The City Manager is directed to review and revise any city department policy that involves the use of treated and raw water to ensure city use of treated and raw water is consistent with Chapter 6-4, Article 2 of the Code of the City of Austin, and with City Council policy related to the use of water.
