Travis County and the City of Austin intend to participate in the development and construction of certain roadways and drainage improvements to a portion of Frate Barker Road between Brodie Lane and Manchaca Road.

Travis County is responsible for the development and completion of the Project, including the development of the engineering design, plans and specifications for the roadway improvements and sidewalks, the surveying, right of way acquisition (where required), bidding and contract award, construction, inspection and testing, minority and women-owned business policy compliance, any required permitting and environmental assessments and clearances associated with the Project. The City will provide additional project management for the portion of the Project located within the Austin's city limits. City permit and associated fees shall be required only for any part of the Project within the City's full purpose corporate limits.

The County agrees to pay all costs of the Project as designed and bid by the County. Construction is scheduled to begin December 2011.
