**Public Hearings and Possible Actions**  
**RECOMMENDATION FOR COUNCIL ACTION**

**Item No. 93**

---

**Subject:** Conduct a public hearing and consider an ordinance amending City Code Section 25-10-152 to prohibit the relocation of billboards within 500 feet of a residential use.

**For More Information:** Clara Hilling, 974-2686; Sylvia Arzola, 974-6448.

**Prior Council Action:** October 22, 2009 - Council approved a resolution directing the City Manager to initiate a code amendment prohibiting relocation of billboards within 500' of a legal residential use.

---

Current billboard regulations prohibit the placement of relocated billboards closer than 500 feet from a residential structure in a residential base district; however, the Code does not provide similar protections for the increasing number of residents that live in multi-family communities located in non-residential zoned areas.

Approval of this ordinance will amend Section 25-10-152 (Nonconforming Signs) to prohibit the relocation of billboards within 500 feet of a legal residential use.
