**Law**  
**RECOMMENDATION FOR COUNCIL ACTION****Item No. 31**

---

**Subject:** Approve a corrective ordinance amending Sections 15-2-6 and 15-2-7 of the City Code relating to the Drainage Utility.

**Prior Council Action:** August 27, 2009 - Council approved an ordinance regarding vertical construction.

---

On August 27, 2009, City Council amended several sections in Chapter 15-2 (Drainage Utility) to provide for a vertical construction charge. Certain language in Ordinance 20090827-052 needs to be removed to clarify the findings related to the calculation of the drainage charge, and to consistently use the defined terms.
