This action will set a public hearing for the Central West Austin Combined Neighborhood Plan. This combined neighborhood planning area includes the West Austin Neighborhood Group & Windsor Road Neighborhood Planning Areas. Associated with this plan are the West Austin Neighborhood Group & Windsor Road Neighborhood Plan Combining Districts.

Neighborhood Planning staff have been meeting with neighborhood stakeholders, including neighborhood associations, homeowners, renters, business owners, developers, and non-resident property owners and their representatives since March 2007 to develop the neighborhood plan. The first workshop was held on June 21, 2007, followed by a series of specific topic meetings and land use workshops approximately twice a month. In addition, two surveys were conducted by mail and over the internet to collect feedback from the stakeholders. A process update was held on April 26, 2008 and the final workshop was held on March 4, 2010.

Attached is a boundary map of the Central West Austin Combined Neighborhood Planning Area. The Plan will be considered by the Planning Commission on May 25, 2010.
