The purpose of this project is to construct 800 linear feet with new 8-inch diameter wastewater line on Fletcher Street and Euclid Avenue. The work will include the abandonment of old, deteriorated lines in easements behind homes located on these streets and reconnection of the services to the new lines.

The project is generally located along Fletcher Street from Euclid Avenue to Wilson Street, on Euclid Avenue from Fletcher Street to West Live Oak, and in a new wastewater easement on Wilson Street in a private driveway. The project is located within zip code 78704.

A 5% contingency in funding has been included to allow for the expeditious processing of any change orders. The contract allows 120 calendar days for completion of this project.
