(a) Payment. Grantor will make prompt payment, as the same becomes due of all secured obligations.

(b) Existence. Grantor will continuously maintain its existence and its right and good standing to transact business in the State of Texas together with its franchises and trade names.

(c) Taxes. Grantor will promptly pay all income, franchise and other taxes owing by Grantor and any stamp taxes which may be required to be paid with respect to this Security Instrument or any other instrument evidencing or securing any of the secured obligations.

(d) Debts for Construction. Grantor will cause all debts and liabilities of any character, including without limitation all debts and liabilities for labor, material and equipment and all debts and charges for utilities servicing the Property, incurred in the construction, maintenance, operation and development of the Property to be promptly paid, except for those being contested in good faith and in accordance with the applicable provisions of this Security Instrument.

(e) Ad Valorem Taxes. Grantor will cause to be paid prior to delinquency all taxes and assessments heretofore or hereafter levied or assessed against the Property, or any part thereof, or against the Trustee or Obligee for or on account of obligations secured hereby or the interest created by this Security Instrument and will furnish Obligee with receipts showing payment of such taxes and assessments at least 10 days prior to the applicable default date therefor; except that Grantor may in good faith, by appropriate proceedings, contest the validity, applicability, or amount of any asserted tax

or assessment, and pending such contest Grantor shall not be deemed in default hereunder if (i) prior to delinquency of the asserted tax or assessment Grantor establishes an escrow acceptable to Obligees adequate to cover the payment of such tax or assessment and a reasonable additional sum to cover possible costs, interest and penalties (which escrow shall be returned to Grantor upon payment of all such taxes, assessments, interest, costs and penalties); (ii) Grantor pays to Obligees promptly after demand therefor all reasonable costs and expenses incurred by Obligees in connection with such contest; and (iii) Grantor promptly causes to be paid any amount adjudged by a court of competent jurisdiction to be due, with all costs, penalties and interest thereon, promptly after such judgment becomes final; provided, however, that in any event each such contest shall be concluded and the tax, assessment, penalties, interest and costs shall be paid prior to the date any writ or order is issued under which the Property may be sold.

(f) Condemnation.

(i) Grantor's Obligations. Grantor will promptly notify Obligees of any threatened or instituted proceedings for the condemnation or taking by eminent domain of all or any portion of the Real Property by an entity other than Obligees (a "**Taking**"). Grantor shall, at its expense, (A) diligently prosecute these proceedings, (B) deliver to Obligees copies of all papers served in connection therewith, and (C) consult and cooperate with Obligees in the handling of these proceedings. No settlement of these proceedings shall be made by Grantor without Obligees's prior written consent; provided however, if the Senior Lender consents to such settlement, Obligees's consent thereto is deemed automatically granted hereunder. Obligees may participate in these proceedings (but shall not be obligated to do so) and Grantor will sign and deliver all instruments requested by Obligees to permit this participation and to pay all of Obligees's reasonable costs in such participation.

(ii) Obligees's Rights. All condemnation awards, judgments, decrees, or proceeds of sale in lieu of condemnation ("**Award**") are assigned and shall be paid to Obligees. Grantor authorizes Obligees to collect and receive them, to give receipts for them, to accept them in the amount received without question or appeal, and/or to appeal any judgment, decree, or award. Grantor will sign and deliver all instruments requested by Obligees to permit these actions. Obligees shall have the right to apply any Award as payment for the secured obligations. If Grantor receives any Award, Grantor shall promptly deliver the full amount thereof to Obligees without deduction of any kind. Notwithstanding anything in this Security Instrument or at law or in equity to the contrary, none of the Award paid to Obligees shall be deemed trust funds and Obligees may dispose of these proceeds as provided in this Section.

(iii) Effect on Secured obligations. Grantor must continue to pay the secured obligations and perform the obligations as provided herein. Any reduction in the secured obligations due to application of the Award shall take effect only upon Obligees's actual receipt and application of the Award to the secured obligations. If the Real Property shall have been foreclosed, sold pursuant to any power of sale granted hereunder, or transferred by deed-in-lieu of

foreclosure prior to Obligee's actual receipt of the Award, Obligee may apply the Award received to the extent of any deficiency upon such sale against any accrued fees and all costs incurred by Obligee in connection with such sale.

(g) Protection and Defense of Lien. If the validity or priority of this Security Instrument or of any rights, titles, liens or security interests created or evidenced hereby with respect to the Property or any part thereof shall be endangered or questioned or shall be attacked directly or indirectly or if any legal proceedings are instituted against Grantor with respect thereto, Grantor will give prompt written notice thereof to Obligee and at Grantor's own cost and expense will diligently endeavor to cure any defect that may be developed or claimed, and will take all necessary and proper steps for the defense of such legal proceedings, including but not limited to the employment of counsel, the prosecution or defense of litigation and the release or discharge of all adverse claims, and the Trustee and Obligee, or either of them (whether or not named as parties to legal proceedings with respect thereto) are hereby authorized and empowered to take such additional steps as in their judgment and discretion may be necessary or proper for the defense of any such legal proceedings or the protection of the validity or priority of this Security Instrument and the rights, titles, liens and security interests created or evidenced hereby, including but not limited to the employment of counsel, the prosecution or defense of litigation, the compromise or discharge of any adverse claims made with respect to the Property, the purchase of any tax title and the removal of prior liens or security interests (including but not limited to the payment of debts as they mature or the payment in full of matured or nonmatured debts, which are secured by these prior liens or security interests), and all expenses so incurred of every kind and character shall be a demand obligation owing by Grantor and the party incurring such expenses shall be subrogated to all rights of the person receiving such payment.

(h) No Other Liens. Grantor will not, without the prior written consent of Obligee, create, place or permit to be created or placed, or through any act or failure to act, acquiesce in the placing of, or allow to remain, any deed of trust, mortgage, voluntary or involuntary lien, whether statutory, constitutional or contractual (except for the lien for ad valorem taxes on the Property which are not delinquent or mechanic's or materialmen's liens which are being contested in accordance with the provisions of this Security Instrument), security interest, encumbrance or charge, or conditional sale or other title retention document, against or covering the Property, or any part thereof, other than the Permitted Encumbrances, regardless of whether the same are expressly or otherwise subordinate to the lien or security interest created in this Security Instrument, and should any of the foregoing become attached hereafter in any manner to any part of the Property without the prior written consent of Obligee, Grantor will cause the same to be promptly discharged and released. Notwithstanding the foregoing, Grantor may in good faith, by appropriate proceedings, contest the validity, applicability or amount of any asserted mechanic's or materialmen's lien and pending such contest Grantor shall not be deemed in default hereunder if Grantor provides Obligee with security reasonably satisfactory to Obligee and if Grantor promptly causes to be paid any amount adjudged by a court of competent jurisdiction to be due, with all costs and interest thereon, promptly after such judgment.

(i) Further Assurances. Grantor will, on request of Obligee, (i) promptly correct any defect, error or omission which may be discovered in the contents of this Security Instrument or in any other instrument now or hereafter executed in connection herewith or in the execution or acknowledgment thereof; (ii) execute, acknowledge, deliver and record or file such further instruments (including without limitation further deeds of trust, security agreements, financing statements, continuation statements and assignments of rents or leases) and do such further acts as may be reasonably necessary, desirable or proper to carry out more effectively the purposes of this Security Instrument and such other instruments and to subject to the liens and security interests hereof and thereof any property intended by the terms hereof and thereof to be covered hereby and thereby including specifically, but without limitation, any renewals, additions, substitutions, replacements, or appurtenances to the Property; (iii) execute, acknowledge, deliver, procure and record or file any document or instrument (including specifically any financing statement) deemed advisable by Obligee to protect the lien or the security interest hereunder against the rights or interests of third persons; and (iv) provide such certificates, documents, reports, information, affidavits and other instruments and do such further acts as may be necessary, desirable or proper in the reasonable determination of Obligee to enable Obligee to comply with the requirements or requests of any agency having jurisdiction over Obligee or any examiners of such agencies with respect to the obligations secured hereby, Grantor or the Property; and Grantor will pay all costs connected with any of the foregoing.

(j) Fees and Expenses, Indemnification. Grantor will pay all filing and recording fees, inspection fees, survey fees, taxes, brokerage fees and commissions, abstract fees, uniform commercial code search fees, escrow fees, reasonable attorney's fees and all other costs and expenses of every character incurred by Grantor or Obligee in connection with the enforcement of, but not the closing of the transaction in connection with, this Security Instrument, and will reimburse Obligee for all such costs and expenses incurred by it. Grantor shall pay all expenses and reimburse Obligee for any expenditures, including reasonable attorney's fees and legal expenses, incurred or expended in connection with (i) the breach by Grantor of any covenant herein, and (ii) Obligee's exercise of any of its rights and remedies hereunder or Obligee's protection of the Property and its lien and security interest therein. Grantor will indemnify and hold harmless the Trustee and Obligee (for purposes of this Section, the terms "the Trustee" and "Obligee" shall include the directors, officers, partners, employees and agents of the Trustee and Obligee, respectively, and any persons or entities owned or controlled by, owning or controlling, or under common control or affiliated with the Trustee and Obligee, respectively) from and against, and reimburse them for, all claims, demands, liabilities, losses, damages, causes of action, judgments, penalties, costs and expenses (including, without limitation, reasonable attorney's fees) which may be imposed upon, asserted against or incurred or paid by them by reason of, on account of or in connection with any bodily injury or death or property damage occurring in or upon the Property through any cause whatsoever or asserted against them on account of any act performed or omitted to be performed hereunder or on account of any transaction arising out of or in any way connected with the Property or with this Security Instrument. **WITHOUT LIMITATION, IT IS THE INTENTION OF GRANTOR AND GRANTOR AGREES THAT THE FOREGOING INDEMNITIES SHALL APPLY TO EACH INDEMNIFIED PARTY WITH RESPECT TO CLAIMS, DEMANDS,**

**LIABILITIES, LOSSES, DAMAGES, CAUSES OF ACTION, JUDGMENTS, PENALTIES, COSTS AND EXPENSES (INCLUDING WITHOUT LIMITATION, REASONABLE ATTORNEY'S FEES) WHICH IN WHOLE OR IN PART ARE CAUSED BY OR ARISE OUT OF THE NEGLIGENCE OF SUCH (AND/OR ANY OTHER) INDEMNIFIED PARTY OR ANY STRICT LIABILITY. HOWEVER, SUCH INDEMNITIES SHALL NOT APPLY TO ANY INDEMNIFIED PARTY TO THE EXTENT THE SUBJECT OF THE INDEMNIFICATION IS CAUSED BY OR ARISES OUT OF THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF SUCH INDEMNIFIED PARTY.** The foregoing indemnities shall not terminate upon release, foreclosure or other termination of this Security Instrument but will survive foreclosure of this Security Instrument or conveyance in lieu of foreclosure and the repayment of the secured obligations and the discharge and release of this Security Instrument and the other documents evidencing and/or securing the secured obligations. Any amount to be paid under this Section by Grantor to Obligees and/or the Trustee shall be a demand obligation owing by Grantor to Obligees and/or the Trustee and shall be subject to and governed by the provisions of the Section of this Article II entitled "Right of Obligees to Perform". Notwithstanding anything to the contrary contained in the prior paragraph, so long as the City of Austin is the "Obligee" hereunder, Grantor shall not be obligated to indemnify or hold harmless Obligees from damages resulting from an act or omission of Obligees in its ownership of the Property prior to the closing under the MDA (except to the extent that the condition which is the subject of the indemnity or hold harmless has been exacerbated by the negligent or wrongful acts or omissions of any party other than Obligees).

(k) Tax on Lien. In the event of the enactment after this date of any law of the State of Texas or of any other governmental entity having jurisdiction over the Property deducting from the value of property for the purpose of taxation any lien or security interest thereon, or imposing upon Obligees the payment of the whole or any part of the taxes or assessments or charges or liens herein required to be paid by Grantor, or changing in any way the laws relating to the taxation of deeds of trust or mortgages or security agreements or debts secured by deeds of trust or mortgages or security agreements or the interest of the mortgagee or secured party in the property covered thereby, or the manner of collection of such taxes, so as to affect this Security Instrument or the obligations secured hereby or Obligees, then, and in any such event, Grantor, upon demand by Obligees, shall pay such taxes, assessments, charges or liens, or reimburse Obligees therefor; provided, however, that if in the opinion of counsel for Obligees (i) it might be unlawful to require Grantor to make such payment or (ii) the making of such payment might result in the imposition of interest beyond the maximum amount permitted by law, then and in such event, Obligees may elect, by notice in writing given to Grantor, to declare all of the obligations secured hereby to be and become due and payable sixty (60) days from the giving of such notice.

(l) Change of Name, Identity or Structure. Grantor will not change Grantor's name, identity (including its trade name or names) or, if not an individual, Grantor's corporate, partnership or other structure without notifying Obligees of such change in writing at least 30 days prior to the effective date of such change. Grantor will execute and deliver to Obligees, prior to or contemporaneously with the effective date of any such change, any financing statement or financing statement change required by Obligees to

establish or maintain the validity, perfection and priority of the security interest granted herein. At the request of Oblige, Grantor shall execute a certificate in form reasonably satisfactory to Oblige listing the trade names under which Grantor intends to operate the Property, and representing and warranting that Grantor does business under no other trade name with respect to the Property.

(m) Proceeds of Collateral. Grantor shall account fully and faithfully for and, if Oblige so elects, shall promptly pay or turn over to Oblige the proceeds in whatever form received from disposition in any manner of any of the Collateral, except as otherwise specifically authorized herein. Grantor shall at all times keep the Collateral and its proceeds separate and distinct from other property of Grantor and shall keep accurate and complete records of the Collateral and its proceeds.

(n) Permitted Encumbrances. Grantor will comply with and will perform all of the covenants, agreements and obligations imposed upon it or the Property in the Permitted Encumbrances in accordance with their respective terms and provisions.

(o) Single Asset Entity. Grantor shall not (i) acquire any real or personal property other than the Property and personal property related to the operation and maintenance of the Property; (ii) operate any business other than the management and operation of the Property; (iii) maintain its assets in a way difficult to segregate and identify; or (iv) create, assume, incur or become liable for debt, obligations, or performance of obligations for the benefit of any other entity, except for liabilities incurred in the normal operation of the Property or unsecured loans by Grantor's partners and/or members, as the case may be, to Grantor (other than liabilities secured by the Property).

(p) Executive Order 13224. Neither Grantor, nor any person or entity holding any legal or beneficial interest whatsoever in Grantor, shall hereafter be included in, owned by, or controlled by, or act for or on behalf of, or provide assistance, support, sponsorship, or services of any kind to or otherwise associated with, any of the persons or entities referred to or described in Executive Order 13224 (Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit or Support Terrorism, as amended).

(q) Limited Partnership. Grantor (if a partnership or a limited partnership, which is or becomes subject to the provisions of the Texas Revised Partnership Act) agrees with Oblige that Oblige is not required to comply with Art. 6132b-3.05(d) of the Texas Revised Partnership Act with respect to enforcement of the liability of Grantor hereunder against any general partner of Grantor.

2.3 Right of Oblige to Perform. Grantor agrees that, if Grantor fails to perform any act or to take any action which hereunder Grantor is required to perform or take, or to pay any money which hereunder Grantor is required to pay, or takes any action prohibited hereby, Oblige, in Grantor's name or in its own name, may but shall not be obligated to perform or cause to be performed such act or take such action or pay such money or remedy any action so taken, and any expenses so incurred by Oblige, and any money paid by Oblige in connection therewith, shall be a demand obligation owing by Grantor to Oblige and Oblige, upon making

such payment, shall be subrogated to all of the rights of the person, corporation or body politic receiving such payment. No action on the part of Obligee or payment of any money by Obligee shall be deemed to cure any Event of Default.

#### 2.4 Insurance Requirements.

(a) Property and Time Element Insurance. Grantor shall keep the Property insured for the benefit of Grantor and Obligee (with Obligee named as mortgagee) in the same manner as required by the loan documents concerning the First Lien Security Instrument (i.e., Grantor shall carry the same insurance as required by the Senior Lender and Obligee shall be recognized as an additional mortgagee under such insurance).

(b) Liability and Other Insurance. Grantor shall maintain nonproperty and time element insurance in accordance with the terms of the MDA.

### ARTICLE III

#### Assignment of Rents

3.1 Assignment. In order to provide a source of future payment of the obligations secured hereby, Grantor does hereby absolutely and unconditionally assign, transfer and set over to Obligee all of the rents, income, receipts, revenues, issues, profits and other sums of money (collectively, the “**Rent**”) that are now and/or at any time hereafter become due and payable to Grantor under the terms of any leases (the “**Leases**”) now or hereafter covering the Property, or any part thereof, or arising or issuing from or out of the Leases or from or out of the Property or any part thereof, including but not limited to minimum rents, additional rents, percentage rents, deficiency rents and liquidated damages following default, security deposits (whether cash, one or more letters of credit, bonds or other form of security), advance rents, all proceeds payable under any policy of insurance covering loss of rents resulting from untenability caused by destruction or damage to the Property, and all of Grantor’s rights to recover monetary amounts from any lessee in bankruptcy including, without limitation, rights of recovery for use and occupancy and damage claims arising out of lease defaults, including rejections, under any applicable Bankruptcy Law (as hereinafter defined), including specifically the immediate and continuing right to collect and receive each and all of the foregoing and any and all guaranties of payment of the Rent. Until receipt from Obligee of notice of the occurrence of an Event of Default (a “**Notice of Default**”), each lessee under the Leases may pay Rent directly to Grantor and Grantor shall have the right to receive such Rent provided that Grantor shall hold such Rent as a trust fund to be applied as required by this Security Instrument and Grantor hereby covenants so to apply the Rent, before using any part of the same for any other purposes, first, to the payment of taxes and assessments upon the Property before penalty or interest is due thereon; second, to the cost of insurance, maintenance and repairs required by the terms of this Security Instrument; third, to the satisfaction of all obligations specifically set forth in the Leases; and, fourth, to the payment of obligations becoming due under this Security Instrument. Upon receipt from Obligee of a Notice of Default, each lessee under the Leases is hereby authorized and directed to pay directly to Obligee all Rent thereafter accruing and the receipt of Rent by Obligee shall be a release of such lessee to the extent of all amounts so paid. The receipt by a lessee under the Leases of a Notice of Default shall be sufficient authorization for such lessee to make all future payments of Rent directly to Obligee and each such lessee shall be entitled to rely on such Notice of Default and shall have no liability to Grantor for any Rent paid to Obligee after

receipt of such Notice of Default. Rent so received by Obligees for any period prior to foreclosure under this Security Instrument or acceptance of a deed in lieu of such foreclosure shall be applied by Obligees to the payment (in such order as Obligees shall determine) of (a) all expenses of managing the Property, including but not limited to the salaries, fees and wages of a managing agent and such other contractors or agents as Obligees may deem necessary or desirable; all expenses of operating and maintaining the Property, including but not limited to all taxes, assessments, charges, claims, utility costs and premiums for insurance, and the cost of all alterations, renovations, repairs or replacements; and all expenses incident to taking and retaining possession of the Property and/or collecting the Rent due and payable under the Leases; and (b) the obligations secured by this Security Instrument, reasonable attorneys' and collection fees and other amounts, in such order as Obligees in its sole discretion may determine. In no event will the assignment pursuant to this Section reduce the obligations secured by this Security Instrument, except to the extent, if any, that Rent is actually received by Obligees and applied upon or after said receipt to such obligations in accordance with the preceding sentence, which Obligees shall be obligated to so apply. Without impairing its rights hereunder, Obligees may, at its option, at any time and from time to time, release to Grantor Rent so received by Obligees or any part thereof. As between Grantor and Obligees, and any person claiming through or under Grantor, other than any lessee under the Leases who has not received a Notice of Default pursuant to this Section, the assignment contained in this Section is intended to be absolute, unconditional and presently effective and the provisions of this Section for notification of lessees under the Leases upon the occurrence of an Event of Default are intended solely for the benefit of each such lessee and shall never inure to the benefit of Grantor or any person claiming through or under Grantor, other than a lessee who has not received such notice. It shall never be necessary for Obligees to institute legal proceedings of any kind whatsoever to enforce the provisions of this Section. At any time during which Grantor is receiving Rent directly from lessees under the Leases, Grantor shall, upon receipt of written direction from Obligees, make demand and/or sue for all Rent due and payable under one or more Leases, as directed by Obligees, as it becomes due and payable, including Rent which is past due and unpaid. In the event Grantor fails to take such action, or at any time during which Grantor is not receiving Rent directly from lessees under the Leases, Obligees shall have the right (but shall be under no duty) to demand, collect and sue for, in its own name or in the name of Grantor, all Rent due and payable under the Leases, as it becomes due and payable, including Rent which is past due and unpaid. Obligees shall not be deemed to have taken possession of the Property except on the exercise of its option to do so, evidenced by its demand and overt act for such purpose. Except with respect to the loan from the Senior Lender, or as permitted by the documents evidencing such loan, Grantor shall make no assignment or other disposition of the Rent, nor shall Grantor cancel or amend any Lease or any other instrument under which Rent is to be paid or waive, excuse, condone, discount, set off, compromise or in any manner release any obligation thereunder, nor shall Grantor receive or collect any Rent for a period of more than one month in advance of the date on which payment thereof is due and Grantor shall duly and punctually observe and perform every obligation to be performed by it under each Lease, and shall not do or permit to be done anything to impair the security thereof and shall enforce, to the extent such enforcement would be reasonably prudent under the circumstances, every obligation of each other party thereto. The assignment contained in this Section 3.1 shall terminate upon the release of this Security Instrument but no lessee under the Leases shall be required to take notice of such termination until a copy of a release of this Security Instrument shall have been delivered to such lessee.

## ARTICLE IV

### Event of Default and Remedies

4.1 Defaults. The term “**Event of Default**” as used in this Security Instrument shall mean the occurrence of any of the following events:

(a) Monetary Obligations - Grantor fails to pay any amount required to be paid hereunder when due and such failure continues for a period of 15 days from the date of written notice thereof from the Obligee.

(b) Non-Monetary Obligations - Without limiting any other provision of this Section, Grantor fails to perform any other obligations or duties provided in this Security Instrument, after the time for any cure or the expiration of any grace period specified therefor, or if no such time is specified, within 30 days after the date of written demand by the Obligee to Grantor to perform such obligation and duty, or in the case of a default not susceptible of cure within 30 days, Grantor fails promptly to commence to cure such default and thereafter to prosecute diligently such cure to completion within a reasonable time, but in no event longer than 120 days after the date of the written demand.

(c) Representations - Any representation contained herein was false or misleading in any material respect when made.

(d) Execution Against Property - The Property or any material part thereof is taken on execution or other process of law in any action against Grantor.

(e) Attachment of Grantor's Property - Grantor fails to have discharged within a period of 60 days any attachment, sequestration or similar writ levied upon any property of Grantor.

(f) Failure to Pay Judgment - Grantor fails to pay within 30 days any final money judgment against Grantor.

(g) Default Under Other Debt - The holder of any lien or security interest on the Property (without hereby implying the consent of Obligee to the existence or creation of any such lien or security interest) declares a default thereunder or institutes foreclosure or other proceedings for the enforcement of its remedies thereunder.

(h) Default under the MDA - An Event of Default concerning the payment of money occurs under the sections of the MDA referenced in Section 1.1(b) hereof after the expiration of any grace or cure period.

4.2 Late Payment; Acceleration of Obligations. Any amounts due and owing by Grantor to Obligee and secured by this Security Instrument shall bear interest from the date such amount becomes due until paid at 12% per annum (but in no event greater than the maximum amount allowed by law) and shall be a part of the secured obligations and shall be secured by this Security Instrument and by any other instrument securing the secured obligations. Upon the occurrence of an Event of Default, Obligee shall have the option of declaring all secured obligations in their entirety to be immediately due and payable, and the liens and security

interests evidenced hereby shall be subject to foreclosure in any manner provided for herein or provided for by law as Obligee may elect.

4.3 Possession. Upon the occurrence of an Event of Default hereunder, Obligee is authorized prior or subsequent to the institution of any foreclosure proceedings to enter upon the Property, or any part thereof, and to take possession of the Property and of all books, records and accounts relating thereto and to exercise without interference from Grantor any and all rights which Grantor has with respect to the management, possession, operation, protection or preservation of the Property, including the right to rent the same for the account of Grantor and to deduct from such Rents all costs, expenses and liabilities of every character incurred by Obligee in collecting such Rents and in managing, operating, maintaining, protecting or preserving the Property and to apply the remainder of such Rents on the obligations secured hereby in such manner as Obligee may elect. All such costs, expenses and liabilities incurred by Obligee in collecting such Rents and in managing, operating, maintaining, protecting or preserving the Property, if not paid out of Rents as hereinabove provided, shall constitute a demand obligation owing by Grantor and shall bear interest from the date of expenditure until paid at 12% per annum (but in no event greater than the maximum amount allowed by law), all of which shall constitute a portion of the secured obligations. If necessary to obtain the possession provided for above, Obligee may invoke any and all legal remedies to dispossess Grantor, including specifically one or more actions for forcible entry and detainer, trespass to try title and restitution. **IN CONNECTION WITH ANY ACTION TAKEN BY OBLIGEE PURSUANT TO THIS SECTION, OBLIGEE SHALL NOT BE LIABLE FOR ANY LOSS SUSTAINED BY GRANTOR RESULTING FROM ANY FAILURE TO LET THE PROPERTY, OR ANY PART THEREOF, OR FROM ANY OTHER ACT OR OMISSION OF OBLIGEE IN MANAGING THE PROPERTY (REGARDLESS OF WHETHER SUCH LOSS IS CAUSED BY THE NEGLIGENCE OF OBLIGEE) UNLESS SUCH LOSS IS CAUSED BY THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF OBLIGEE, NOR SHALL OBLIGEE BE OBLIGATED TO PERFORM OR DISCHARGE ANY OBLIGATION, DUTY OR LIABILITY UNDER ANY LEASE COVERING THE PROPERTY OR ANY PART THEREOF OR UNDER OR BY REASON OF THIS SECURITY INSTRUMENT OR THE EXERCISE OF RIGHTS OR REMEDIES HEREUNDER. GRANTOR SHALL AND DOES HEREBY AGREE TO INDEMNIFY OBLIGEE FOR, AND TO DEFEND AND HOLD OBLIGEE HARMLESS FROM, ANY AND ALL LIABILITY, LOSS OR DAMAGE WHICH MAY OR MIGHT BE INCURRED BY OBLIGEE UNDER ANY SUCH LEASE OR UNDER OR BY REASON OF THIS SECURITY INSTRUMENT OR THE EXERCISE OF RIGHTS OR REMEDIES HEREUNDER AND FROM ANY AND ALL CLAIMS AND DEMANDS WHATSOEVER WHICH MAY BE ASSERTED AGAINST OBLIGEE BY REASON OF ANY ALLEGED OBLIGATIONS OR UNDERTAKINGS ON ITS PART TO PERFORM OR DISCHARGE ANY OF THE TERMS, COVENANTS OR AGREEMENTS CONTAINED IN ANY SUCH LEASE, REGARDLESS OF WHETHER SUCH LIABILITY, LOSS, DAMAGE, CLAIMS OR DEMANDS ARE THE RESULT OF THE NEGLIGENCE OF OBLIGEE OR ANY STRICT LIABILITY BUT NOT OBLIGEE'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.** Should Obligee incur any such liability, the amount thereof, including costs, expenses and reasonable attorney's fees, shall be secured hereby and Grantor shall reimburse Obligee therefor immediately upon demand. Nothing in this Section shall impose any duty, obligation or responsibility upon Obligee for the control, care, operation, management or repair of the Property, nor for the

carrying out of any of the terms and conditions of any such lease; nor shall it operate to make Obligee responsible or liable for any waste committed on the Property by the tenants or by any other parties or for any dangerous or defective condition of the Property, **OR FOR ANY NEGLIGENCE (BUT NOT GROSS NEGLIGENCE OR WILLFUL MISCONDUCT) IN THE OPERATION, MANAGEMENT, UPKEEP, REPAIR OR CONTROL OF THE PROPERTY RESULTING IN LOSS OR INJURY OR DEATH TO ANY TENANT, LICENSEE, EMPLOYEE OR STRANGER OR ANY STRICT LIABILITY.** Grantor hereby assents to, ratifies and confirms any and all actions of Obligee with respect to the Property taken under this Section other than Obligee's gross negligence or willful misconduct. For purposes of this Section, the term "Obligee" shall include the directors, officers, employees, attorneys and agents of Obligee and any persons or entities owned or controlled by, owning or controlling, or under common control or affiliated with Obligee.

4.4 Foreclosure. Upon the occurrence of an Event of Default, the Trustee, his successor or substitute, is authorized and empowered and it shall be his special duty at the request of Obligee to sell the Real Property or any part thereof situated in the State of Texas at the courthouse of any county in the State of Texas in which any part of the Real Property is situated, at public vendue to the highest bidder for cash between the hours of 10 o'clock a.m. and 4 o'clock p.m. on the first Tuesday in any month after having given notice of such sale in accordance with the statutes of the State of Texas then in force governing sales of real estate under powers conferred by deed of trust. Any sale made by the Trustee hereunder may be as an entirety or in such parcels as Obligee may request, and any sale may be adjourned by announcement at the time and place appointed for such sale without further notice except as may be required by law. The sale by the Trustee of less than the whole of the Real Property shall not exhaust the power of sale herein granted, and the Trustee is specifically empowered to make successive sale or sales under such power until the whole of the Real Property shall be sold; and, if the proceeds of such sale of less than the whole of the Real Property shall be less than the aggregate of the obligations secured hereby and the expense of executing this trust as provided herein, this Security Instrument and the lien hereof shall remain in full force and effect as to the unsold portion of the Real Property just as though no sale had been made; provided, however, that Grantor shall never have any right to require the sale of less than the whole of the Real Property but Obligee shall have the right, at its sole election, to request the Trustee to sell less than the whole of the Real Property. After each sale, the Trustee shall make to the purchaser or purchasers at such sale good and sufficient conveyances in the name of Grantor, conveying the property so sold to the purchaser or purchasers in fee simple with general warranty of title, and shall receive the proceeds of said sale or sales and apply the same as herein provided. Payment of the purchase price to the Trustee shall satisfy the obligation of purchaser at such sale therefor, and such purchaser shall not be responsible for the application thereof. The power of sale granted herein shall not be exhausted by any sale held hereunder by the Trustee or his substitute or successor, and such power of sale may be exercised from time to time and as many times as Obligee may deem necessary until all of the Real Property has been duly sold and all secured obligations has been fully paid. In the event any sale hereunder is not completed or is defective in the opinion of Obligee, such sale shall not exhaust the power of sale hereunder and Obligee shall have the right to cause a subsequent sale or sales to be made hereunder. Any and all statements of fact or other recitals made in any deed or deeds given by the Trustee or any successor or substitute appointed hereunder as to nonpayment of the obligations secured hereby, or as to the occurrence of any Event of Default, or as to Obligee having declared all of such obligations to be due and payable, or as to the request to sell, or as to notice of time, place and

terms of sale and of the properties to be sold having been duly given, or as to the refusal, failure or inability to act of the Trustee or any substitute or successor, or as to the appointment of any substitute or successor trustee, or as to any other act or thing having been duly done by Obligee or by such Trustee, substitute or successor, shall be taken as prima facie evidence of the truth of the facts so stated and recited. The Trustee, his successor or substitute, may appoint or delegate any one or more persons as agent to perform any act or acts necessary or incident to any sale held by the Trustee, including the posting of notices and the conduct of sale, but in the name and on behalf of the Trustee, his successor or substitute.

4.5 Judicial Foreclosure. This Security Instrument shall be effective as a mortgage as well as a deed of trust and upon the occurrence of an Event of Default may be foreclosed as to any of the Property in any manner permitted by the laws of the State of Texas or of any other state in which any part of the Property is situated, and any foreclosure suit may be brought by the Trustee or by Obligee. In the event a foreclosure hereunder shall be commenced by the Trustee, or his substitute or successor, Obligee may at any time before the sale of the Property direct the said Trustee to abandon the sale, and may then institute suit for the collection of the secured obligations, and for the foreclosure of this Security Instrument. It is agreed that if Obligee should institute a suit for the collection of the secured obligations and for the foreclosure of this Security Instrument, Obligee may at any time before the entry of a final judgment in said suit dismiss the same, and require the Trustee, his substitute or successor to sell the Property in accordance with the provisions of this Security Instrument.

4.6 Receiver. In addition to all other remedies herein provided for, Grantor agrees that upon the occurrence and during the continuation of an Event of Default hereunder, Obligee shall as a matter of right be entitled to the appointment of a receiver or receivers for all or any part of the Property, whether such receivership be incident to a proposed sale of such property or otherwise, and without regard to the value of the Property or the solvency of any person or persons liable for the payment of the obligations secured hereby, and Grantor does hereby consent to the appointment of such receiver or receivers, waives, to the extent permitted by applicable law, any and all defenses to such appointment and agrees not to oppose any application therefor by Obligee, but nothing herein is to be construed to deprive Obligee of any other right, remedy or privilege it may now have under the law to have a receiver appointed; provided, however, that the appointment of such receiver, trustee or other appointee by virtue of any court order, statute or regulation shall not impair or in any manner prejudice the rights of Obligee to receive payment of the Rents and income pursuant to Section 3.1 hereof. Any money advanced by Obligee in connection with any such receivership shall be a demand obligation owing by Grantor to Obligee and shall bear interest from the date of making such advancement by Obligee until paid at the rate of 12% per annum (but in no event greater than the maximum amount allowed by law) and shall be a part of the secured obligations and shall be secured by this Security Instrument and by any other instrument securing the secured obligations.

4.7 Proceeds of Sale. The proceeds of any sale held by the Trustee or any receiver or public officer in foreclosure of the liens evidenced hereby shall be applied:

FIRST, to the payment of all necessary costs and expenses incident to such foreclosure sale, including but not limited to all court costs and charges of every character in the event foreclosed by suit, and a reasonable fee to the Trustee acting under the provisions of the Section of this Article IV entitled "Acceleration" if foreclosed by power of sale as provided in said Section, not exceeding 5% of the proceeds of such sale;

SECOND, to the payment in full of the secured obligations (including specifically without limitation reasonable attorney's fees and the amounts due and unpaid and owed to Obligor under this Security Instrument) in such order as Obligor may elect; and

THIRD, the remainder, if any, shall be paid to Grantor or to such other party or parties as may be entitled thereto by law.

4.8 Obligor as Purchaser. Obligor shall have the right to become the purchaser at any sale held by any Trustee or substitute or successor or by any receiver or public officer, and Obligor shall have the right to credit upon the amount of the bid made therefor, to the extent necessary to satisfy such bid, the secured obligations owing to Obligor, or if Obligor holds less than all of such obligations the pro rata part thereof owing to Obligor, accounting to all other lenders not joining in such bid in cash for the portion of such bid or bids apportionable to such nonbidding lender or lenders.

4.9 Uniform Commercial Code. Upon the occurrence of an Event of Default, Obligor may exercise its rights of enforcement with respect to the Collateral under the Texas Business and Commerce Code, as amended, and in conjunction with, in addition to or in substitution for those rights and remedies:

(a) Obligor may enter upon the Property to take possession of, assemble and collect the Collateral or to render it unusable; and

(b) Obligor may require Grantor to assemble the Collateral and make it available at a place Obligor designates which is mutually convenient to allow Obligor to take possession or dispose of the Collateral; and

(c) written notice mailed to Grantor as provided herein 10 days prior to the date of public sale of the Collateral or prior to the date after which private sale of the Collateral will be made shall constitute reasonable notice; and

(d) any sale made pursuant to the provisions of this Section shall be deemed to have been a public sale conducted in a commercially reasonable manner if held contemporaneously with the sale of the Real Property under power of sale as provided herein upon giving the same notice with respect to the sale of the Collateral hereunder as is required for such sale of the Real Property under power of sale; and

(e) in the event of a foreclosure sale, whether made by the Trustee under the terms hereof, or under judgment of a court, the Collateral and the Real Property may, at the option of Obligor, be sold as a whole; and

(f) it shall not be necessary that Obligor take possession of the Collateral or any part thereof prior to the time that any sale pursuant to the provisions of this Section is conducted and it shall not be necessary that the Collateral or any part thereof be present at the location of such sale; and

(g) prior to application of proceeds of disposition of the Collateral to the secured obligations, such proceeds shall be applied to the reasonable expenses of retaking, holding, preparing for sale or lease, selling, leasing and the like and the reasonable attorney's fees and legal expenses incurred by Obligor; and

(h) any and all statements of fact or other recitals made in any bill of sale or assignment or other instrument evidencing any foreclosure sale hereunder as to nonpayment of the obligations or as to the occurrence of any Event of Default, or as to Obligees having declared all of such obligations to be due and payable, or as to notice of time, place and terms of sale and of the properties to be sold having been duly given, or as to any other act or thing having been duly done by Obligees, shall be taken as prima facie evidence of the truth of the facts so stated and recited; and

(i) Obligees may appoint or delegate any one or more persons as agent to perform any act or acts necessary or incident to any sale held by Obligees, including the sending of notices and the conduct of the sale, but in the name and on behalf of Obligees.

4.10 Partial Foreclosure. Upon the occurrence of an Event of Default in the payment of any part of the secured obligations, Obligees shall have the right to proceed with foreclosure of the liens and security interests evidenced hereby without declaring the entire secured obligations due, and in such event any such foreclosure sale may be made subject to the unmatured part of the secured obligations; and any such sale shall not in any manner affect the unmatured part of the secured obligations, but as to such unmatured part this Security Instrument shall remain in full force and effect just as though no sale had been made. The proceeds of any such sale shall be applied as provided in the Section of this Article IV entitled "Proceeds of Sale" except that the amount paid under Subsection SECOND thereof shall be only the matured portion of the secured obligations and any proceeds of such sale in excess of those provided for in Subsections FIRST and SECOND (modified as provided above) shall be applied to the obligations secured hereby in the inverse order of due dates. Several sales may be made hereunder without exhausting the right of sale for any unmatured part of the secured obligations.

4.11 Remedies Cumulative. All remedies herein expressly provided for are cumulative of any and all other remedies existing at law or in equity and are cumulative of any and all other remedies provided for in any other instrument securing the payment of the secured obligations, or any part thereof, or otherwise benefiting Obligees, and the Trustee and Obligees shall, in addition to the remedies herein provided, be entitled to avail themselves of all such other remedies as may now or hereafter exist at law or in equity for the collection of the secured obligations and the enforcement of the covenants herein and the foreclosure of the liens and security interests evidenced hereby, and the resort to any remedy provided for hereunder or under any such other instrument or provided for by law shall not prevent the concurrent or subsequent employment of any other appropriate remedy or remedies.

4.12 Resort to Any Security. Obligees may resort to any security given by this Security Instrument or to any other security now existing or hereafter given to secure the payment of the secured obligations, in whole or in part, and in such portions and in such order as may seem best to Obligees in its sole and uncontrolled discretion, and any such action shall not in anywise be considered as a waiver of any of the rights, benefits, liens or security interests evidenced by this Security Instrument.

4.13 Waiver. To the full extent Grantor may lawfully do so, Grantor agrees that Grantor will not at any time insist upon, plead, claim or take the benefit or advantage of any law now or hereafter in force pertaining to the rights and remedies of sureties or redemption, and Grantor, for Grantor and Grantor's heirs, devisees, representatives, successors and assigns, and for any and all persons ever claiming any interest in the Property, to the extent permitted by

applicable law, hereby waives and releases (except to the extent otherwise provided herein or in the MDA) all rights of redemption, valuation, appraisal, stay of execution, notice of intention to mature or declare due the whole of the secured obligations, notice of election to mature or declare due the whole of the secured obligations and all rights to a marshaling of the assets of Grantor, including the Property, or to a sale in inverse order of alienation in the event of foreclosure of the liens and security interests hereby created. Except to the extent applicable law requires otherwise, Grantor shall not have or assert any right under any statute or rule of law pertaining to the marshaling of assets, sale in inverse order of alienation, the exemption of homestead, the administration of estates of decedents or other matters whatever to defeat, reduce or affect the right of Obligees under the terms of this Security Instrument to a sale of the Property for the collection of the secured obligations without any prior or different resort for collection, or the right of Obligees under the terms of this Security Instrument to the payment of such obligations out of the proceeds of sale of the Property in preference to every other claimant whatever. If any law referred to in this Section and now in force, of which Grantor or Grantor's heirs, devisees, representatives, successors and assigns and such other persons claiming any interest in the Property might take advantage despite this Section, shall hereafter be repealed or cease to be in force, such law shall not thereafter be deemed to preclude the application of this Section.

4.14 Delivery of Possession After Foreclosure. In the event there is a foreclosure sale hereunder and at the time of such sale Grantor or Grantor's heirs, devisees, representatives, successors or assigns or any other persons claiming any interest in the Property by, through or under Grantor are occupying or using the Property, or any part thereof, each and all shall immediately become the tenant of the purchaser at such sale. Such tenancy shall be a tenancy from day-to-day, terminable at the will of either landlord or tenant, at a reasonable rental per day based upon the value of the portion of the Property occupied, such rental to be due daily to the purchaser. In the event the tenant fails to surrender possession of the portion of the Property upon demand, the purchaser shall be entitled to institute and maintain an action for forcible entry and detainer of the Property in the Justice of the Peace Court in the Justice Precinct in which the Property, or any part thereof, is situated.

4.15 Collection Expenses. Upon the occurrence of an Event of Default, Grantor shall reimburse Obligees for all expenses incurred by Obligees as a result of such Event of Default, including, but not limited to, all travel costs, third-party appraisal fees, environmental report preparation and testing fees, architectural and engineering expenses, and reasonable legal fees and expenses.

## ARTICLE V

### Miscellaneous

5.1 Defeasance. If all of the secured obligations be paid as the same become due and payable and if all of the covenants, warranties, undertakings and agreements made in this Security Instrument are kept and performed, then and in that event only, all rights under this Security Instrument shall terminate and the Property shall become wholly clear of the liens, security interests, conveyances and assignments evidenced hereby, which shall be released by Obligees in due form at Grantor's cost.

5.2 Successor Trustee. The Trustee may resign by an instrument in writing addressed to Obligees, or the Trustee may be removed at any time with or without cause by an instrument in

writing executed by Obligee. In case of the death, resignation, removal or disqualification of the Trustee or if for any reason Obligee shall deem it desirable to appoint a substitute or successor trustee to act instead of the herein named trustee or any substitute or successor trustee, then Obligee shall have the right and is hereby authorized and empowered to appoint a successor trustee, or a substitute trustee, without other formality than appointment and designation in writing executed by Obligee and the authority hereby conferred shall extend to the appointment of other successor and substitute trustees successively until the obligations secured hereby has been paid in full or until the Property is sold hereunder. In the event the obligations secured hereby is owned by more than one person or entity, the holder or holders of not less than a majority in the amount of such obligations shall have the right and authority to make the appointment of a successor or substitute trustee provided for in the preceding sentence. Such appointment and designation by Obligee or by the holder or holders of not less than a majority of the obligations secured hereby shall be full evidence of the right and authority to make the same and of all facts therein recited. If Obligee is a corporation and such appointment is executed in its behalf by an officer of such corporation, such appointment shall be conclusively presumed to be executed with authority and shall be valid and sufficient without proof of any action by the board of directors or any superior officer of the corporation. Upon the making of any such appointment and designation, all of the estate and title of the Trustee in the Property shall vest in the named successor or substitute trustee and he shall thereupon succeed to and shall hold, possess and execute all the rights, powers, privileges, immunities and duties herein conferred upon the Trustee; but nevertheless, upon the written request of Obligee or of the successor or substitute Trustee, the Trustee ceasing to act shall execute and deliver an instrument transferring to such successor or substitute Trustee all of the estate and title in the Property of the Trustee so ceasing to act, together with all the rights, powers, privileges, immunities and duties herein conferred upon the Trustee, and shall duly assign, transfer and deliver any of the properties and moneys held by said Trustee hereunder to said successor or substitute Trustee. All references herein to the Trustee shall be deemed to refer to the Trustee (including any successor or substitute appointed and designated as herein provided) from time to time acting hereunder. Grantor hereby ratifies and confirms any and all acts which the herein named Trustee or his successor or successors, substitute or substitutes, in this trust, shall do lawfully by virtue hereof.

**5.3     Liability and Indemnification of Trustee.   THE TRUSTEE SHALL NOT BE LIABLE FOR ANY ERROR OF JUDGMENT OR ACT DONE BY THE TRUSTEE IN GOOD FAITH, OR BE OTHERWISE RESPONSIBLE OR ACCOUNTABLE UNDER ANY CIRCUMSTANCES WHATSOEVER (INCLUDING THE TRUSTEE'S NEGLIGENCE), EXCEPT FOR THE TRUSTEE'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.** The Trustee shall have the right to rely on any instrument, document or signature authorizing or supporting any action taken or proposed to be taken by him hereunder, believed by him in good faith to be genuine. All moneys received by the Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated in any manner from any other moneys (except to the extent required by law), and the Trustee shall be under no liability for interest on any moneys received by him hereunder. **GRANTOR WILL REIMBURSE THE TRUSTEE FOR, AND INDEMNIFY AND SAVE HIM HARMLESS AGAINST, ANY AND ALL LIABILITY AND EXPENSES (INCLUDING REASONABLE ATTORNEYS' FEES) WHICH MAY BE INCURRED BY HIM IN THE PERFORMANCE OF HIS DUTIES HEREUNDER (INCLUDING ANY LIABILITY AND EXPENSES RESULTING FROM THE TRUSTEE'S OWN NEGLIGENCE) EXCEPT FOR THE TRUSTEE'S GROSS**

**NEGLIGENCE OR WILLFUL MISCONDUCT.** The foregoing indemnity shall not terminate upon release, foreclosure or other termination of this Security Instrument.

5.4 Waiver by Obligor. Obligor may at any time and from time to time (a) waive or not enforce compliance by Grantor with any covenant herein, (b) consent to Grantor doing any act which Grantor is prohibited from doing hereunder, or consent to Grantor failing to do any act which Grantor is required to do hereunder, (c) release any part of the Property, or any interest therein, from the lien and security interest of this Security Instrument without the joinder of the Trustee, or (d) release any party liable, either directly or indirectly, for the secured obligations without impairing or releasing the liability of any other party. No such act shall in any way impair the rights of Obligor hereunder except to the extent specifically agreed to by Obligor in writing.

5.5 Actions by Obligor. The lien, security interest and other security rights of Obligor hereunder shall not be impaired by any indulgence, moratorium or release granted by Obligor, including but not limited to (a) any renewal, extension, increase or modification which Obligor may grant with respect to any secured obligations, (b) any surrender, compromise, release, renewal, extension, exchange or substitution which Obligor may grant in respect of the Property, or any part thereof or any interest therein, or (c) any release or indulgence granted to any endorser, guarantor or surety of any secured obligations. The taking of additional security by Obligor shall not release or impair the lien, security interest or other security rights of Obligor hereunder or affect the liability of Grantor or of any endorser or guarantor or other surety or improve the right of any permitted junior lienholder in the Property.

5.6 Rights of Obligor. Obligor may waive any default or Event of Default without waiving any other prior or subsequent default or Event of Default. Obligor may remedy any Event of Default without waiving the Event of Default remedied. Neither the failure by Obligor to exercise, nor the delay by Obligor in exercising, any right, power or remedy upon any Event of Default shall be construed as a waiver of such Event of Default or as a waiver of the right to exercise any such right, power or remedy at a later date. No single or partial exercise by Obligor of any right, power or remedy hereunder shall exhaust the same or shall preclude any other or further exercise thereof, and every such right, power or remedy hereunder may be exercised at any time and from time to time. No modification or waiver of any provision hereof nor consent to any departure by Grantor therefrom shall in any event be effective unless the same shall be in writing and signed by Obligor and then such waiver or consent shall be effective only in the specific instances, for the purpose for which given and to the extent therein specified. No notice to or demand on Grantor in any case shall of itself entitle Grantor to any other or further notice or demand in similar or other circumstances. Acceptance by Obligor of any payment in an amount less than the amount then due on any secured obligations shall be deemed an acceptance on account only and shall not in any way affect the existence of an Event of Default hereunder.

5.7 Notification of Account Debtors. Obligor may at any time after the occurrence and during the continuance of an Event of Default by Grantor notify the account debtors or obligors of any accounts, chattel paper, negotiable instruments or other evidences of obligations included in the Collateral to pay Obligor directly.

5.8 Financing Statement. A carbon, photographic or other reproduction of this Security Instrument or of any financing statement relating to this Security Instrument shall be sufficient as a financing statement. Grantor hereby irrevocably authorizes Obligor at any time and from time to time to file, without the signature of Grantor, in any jurisdiction any

amendments to existing financing statements and any initial financing statements and amendments thereto that (a) indicate the Property (i) as “all assets of Grantor and all proceeds thereof, and all rights and privileges with respect thereto” or words of similar effect, regardless of whether any particular asset comprised in the Property falls within the scope of Article/Chapter 9 of the UCC, or (ii) as being of an equal or lesser scope or with greater detail; (b) contain any other information required by subchapter E of Article/Chapter 9 of the UCC for the sufficiency or filing office acceptance of any financing statement or amendment, including whether Grantor is an organization, the type of organization and any organization identification number issued to Grantor; and (c) are necessary to properly effectuate the transactions described herein, as determined by Obligor in its discretion. Grantor agrees to furnish any such information to Obligor promptly upon request. Grantor further agrees that a carbon, photographic or other reproduction of this Security Instrument or any financing statement describing any Property is sufficient as a financing statement and may be filed in any jurisdiction by Obligor.

5.9 Fixture Filing. This Security Instrument shall be effective as a financing statement filed as a fixture filing with respect to all fixtures included within the Property and is to be filed for record in the real estate records in the Office of the County Clerk where the Property (including said fixtures) is situated. This Security Instrument shall also be effective as a financing statement covering as-extracted collateral and is to be filed for record in the real estate records of the county where the Property is situated. The mailing address of Grantor and the address of Obligor from which information concerning the security interest may be obtained are the addresses of Grantor and Obligor set forth on the first page of this Security Instrument.

5.10 Filing and Recordation. Grantor will cause this Security Instrument and all amendments and supplements hereto and substitutions for this Security Instrument and all financing statements and continuation statements relating hereto to be recorded, filed, re-recorded and refiled in such manner and in such places as the Trustee or Obligor shall reasonably request, and will pay all such recording, filing, re-recording and refiling taxes, fees and other charges. Grantor hereby authorizes Obligor or the Trustee to file any financing statement or financing statement amendment covering the Collateral or relating to the security interest created herein without the signature of Grantor, as debtor.

5.11 Dealing with Successor. In the event the ownership of the Property or any part thereof becomes vested in a person other than Grantor, Obligor may, without notice to Grantor, deal with such successor or successors in interest with reference to this Security Instrument and to the obligations secured hereby in the same manner as with Grantor, without in any way vitiating or discharging Grantor’s liability hereunder or for the payment of the obligations secured hereby.

5.12 Place of Payment. The secured obligations which may be owing hereunder at any time by Grantor shall be payable at the address in the first paragraph hereof, or if no such designation is made, at the office of Obligor at the address indicated in this Security Instrument, or at such other place in Travis County, Texas as Obligor may designate in writing.

5.13 Application of Obligations. If any part of the secured obligations cannot be lawfully secured by this Security Instrument or if any part of the Property cannot be lawfully subject to the lien and security interest hereof to the full extent of such obligations or if the lien and security interest of the secured obligations of this Security Instrument are invalid or unenforceable as to any part of the secured obligations or as to any part of the Property, then all

payments made on the secured obligations, whether voluntary or under foreclosure or other enforcement action or procedure, shall be applied on said obligations first in discharge of that portion thereof which is unsecured in whole or in part by this Security Instrument.

5.14 Usury. It is the intent of Obligee and Grantor in the execution of this Security Instrument to contract in strict compliance with applicable usury law. If the interest received for the actual period of existence of the obligation exceeds the applicable maximum lawful rate, Obligee shall, at its option, either refund to Grantor the amount of such excess or credit the amount of such excess against the secured obligations then outstanding and thereby shall render inapplicable any and all penalties of any kind provided by applicable law as a result of such excess interest. Grantor acknowledges that it believes this transaction to be non-usurious and agrees that if, at any time, Grantor should have reason to believe that this transaction is in fact usurious, it will give Obligee notice of such condition and Grantor agrees that Obligee shall have 90 days after receipt of such notice in which to make appropriate refund or other adjustment in order to correct such condition if in fact such exists.

5.15 Notice. Any notice, request, demand or other communication required or permitted hereunder shall be given in writing, sent by (a) personal delivery, or (b) expedited delivery service with proof of delivery, or (c) United States Mail, postage prepaid, registered or certified mail, return receipt requested, addressed as follows:

5.16 Assignment. Obligee shall have the right to assign any portion of its rights hereunder and to disseminate to such assignee or any proposed assignee any information it has pertaining thereto.

5.17 Heirs, Successors and Assigns. The terms hereof are binding upon Grantor, and the heirs, devisees, representatives, successors and assigns of Grantor including all successors in interest of Grantor in and to all or any part of the Property, and shall inure to the benefit of the Trustee and Obligee and their respective heirs successors, substitutes and assigns and shall constitute covenants running with the land.

5.19 Modification or Termination. This Security Instrument may only be modified or terminated by a written instrument or instruments executed by the party against which enforcement of the modification or termination is asserted. Any alleged modification or termination which is not so documented shall not be effective as to any party.

5.20 USA Patriot Act Notification. Grantor hereby acknowledges that Obligee has notified Grantor that pursuant to the requirements of the USA Patriot Act, Obligee is required to obtain, verify and record information that identifies Grantor, which information includes the name and address of Grantor and other information that will allow Obligee to identify Grantor in accordance with the USA Patriot Act.

5.21 Partial Releases. Grantor may, from time to time, obtain partial releases from the lien and security interest created by this Security Instrument upon satisfaction of the following terms and conditions:

(a) There shall be paid for such partial release an amount equal to any amount required to be paid under Section 6.4 (Affordable Housing – Density Bonus) and, if applicable because of prorated uses, Section 6.1 (Infrastructure Payment) of the MDA.

(b) At least 5 days prior to the date of such partial release, Grantor shall deliver to the Obligee at Grantor's expense (i) the form of the partial release to be executed by the Obligee (which form of partial release must be satisfactory to the Obligee in form and substance); and (ii) a certificate which sets forth the (A) anticipated closing date, (B) square footage of the Property to be released, (C) amount of the density bonus to be paid to the Obligee under Section 6.4 and, if applicable, the amount to be paid to the Obligee under Section 6.1 of the MDA for such released portion of the Property, and (D) percentage of units in the Property that have already been released (but only prior to payment in full of the Infrastructure Payment).

(c) At the time of such partial release and the request therefor, there shall exist no "Event of Default" hereunder or under the MDA or any condition or event which after

notice and/or the lapse of time would constitute an "Event of Default" hereunder or under the MDA.

(d) Prior to or contemporaneously with the execution and delivery of the partial release, Grantor shall pay, or cause to be paid, all costs and expenses incident to the preparation of the partial release and the consummation of the transaction specified therein, including without limitation recording fees, mortgage taxes, transfer taxes, any other applicable taxes and fees and reasonable expenses of legal counsel to the Obligee. Grantor shall indemnify the Obligee from any other cost or expense incurred by the Obligee in connection with the partial release.

5.22 Miscellaneous. If any term or provision hereof is declared by a court of competent jurisdiction to be illegal or invalid, such illegal or invalid term or provision shall not affect the balance of the terms and provisions hereof. This Security Instrument shall be governed by and construed and enforced in accordance with the laws of the State of Texas. This Security Instrument is to be deemed to have been prepared jointly by the parties hereto, and if any inconsistencies or ambiguities exist herein, they shall not be interpreted or construed against either party as the drafter. All paragraph headings are inserted for convenience only and shall not be used in any way to modify, limit, construe or otherwise affect this Security Instrument.

1. Design Approval.

(a) No substantial improvement will be commenced or constructed upon the Property, nor will any substantial exterior addition to or substantial exterior change or alteration thereof be made, unless and until the site plan, the exterior facades and the landscape plans therefor (and any material exterior modifications thereto) will have first been submitted to and reasonably approved in writing by the Declarant. Except as provided in Section 2 hereof and pursuant to the Declarant's regulatory capacity, the Declarant will not have any rights to review or approve interior aspects of the improvements.

(b) Each request for Declarant's approval (a "**Design Approval Request**") under section (a) above must be accompanied by plans and specifications showing the partition layout, site layout, exterior elevations, exterior materials and colors, landscaping, drainage, lighting, irrigation and such other information related to the exterior appearance of the improvements as Declarant may reasonably require (the "**Plans**"); which Plans must be submitted for Declarant's approval through a Design Approval Request at the conclusion of the following 2 planning stages – (A) upon completion of conceptual Plans (i.e., prior to commencement of detailed construction drawings) and (B) upon completion of "50% construction drawings".

(c) In reviewing a Design Approval Request, Declarant may consider any factors it reasonably deems relevant, including, without limitation, visual and environmental impact, ecological compatibility, natural platforms and finish grade elevation, and harmony of the proposed external design with surrounding structures and environment.

(d) If Declarant fails to notify applicant in writing of its approval, disapproval or comments to the complete Design Approval Request within 30 days of Declarant's deemed receipt thereof, applicant may provide Declarant a second written Design Approval Request (containing a statement in all bold and capital letters that reads "**FAILURE TO RESPOND TO THIS DESIGN APPROVAL REQUEST WITHIN 15 DAYS SHALL CONSTITUTE DEEMED APPROVAL OF THIS DESIGN APPROVAL REQUEST**") which if not responded to by Declarant within 15 days after deemed receipt will be deemed approval of the Design Approval Request. In such event and on the applicant's written request to the Declarant, the Declarant will provide written confirmation to the applicant of such deemed approval. Declarant will notify the applicant in writing of any materials that Declarant believes are missing to make a Design Approval Request complete. Declarant may: (i) approve the Design Approval Request with or without conditions; (ii) approve a portion of the Design Approval Request and disapprove other portions specifying the segments or features that are objectionable and suggestions, if any, to address the objectionable portions; or (iii) disapprove the Design Approval Request.

(e) If Declarant approves the Design Approval Request with conditions, approves a portion of the Design Approval Request and disapproves other portions and a revised Design Approval Request with revised Plans is submitted, Declarant shall notify the applicant in writing of the final determination on any such revised Design Approval

Request no later than 15 days after its receipt of such revised Design Approval Request and all required submissions.

(f) Following such approval, Declarant shall promptly apply for and diligently pursue regulatory approval (e.g., building permit, site plan) concerning such approved construction. If construction does not commence within the period required by such regulatory approval, the approval granted hereunder shall automatically expire, and the applicant must reapply for approval before commencing any activities. Once construction is commenced, it shall be diligently pursued to completion.

2. Minimum Square Footage and Units. The Property will be a mixed use facility comprised of the following:

(a) At least 15,000 gross square feet of retail space on the ground level of the Improvements (the “**Retail Space**”); provided that such square footage may be decreased by 10% without the prior written approval of the Declarant; and

(b) At least 425 units of for-sale residential or for-rent residential or some combination thereof; provided that the number of such units may be decreased by 15% without the prior written approval of the Declarant; provided however, any such unit may be combined with any other unit on the Property to form one unit and for the purposes of this paragraph will be counted as two separate units.

3. Construction. Each holder of fee simple title to all or any part of the Property (each such party, an “**Owner**”) agrees to perform its respective construction: (i) where approval is required, in accordance with such approved Plans; (ii) with due diligence to completion and in a good and workmanlike manner, using first class materials; (iii) so as not to unreasonably interfere with any construction work being performed on any other portion of the Property or with the use, occupancy and enjoyment of any other portion of the Property; (iv) except with respect to the initial development of the Property as provided in Section 3.3(e) of the MDA, to comply with the then current private and governmental requirements applicable thereto (including amendments and modifications), including, without limitation, the Urban Design Guidelines for Austin (f/k/a the Downtown Austin Design Guidelines), Great Streets, building, environmental and zoning laws of the state, county, municipality or other subdivision in which the Property is situated, and all laws, ordinances, orders, rules, regulations and requirements of all federal, state, county and municipal governments and the appropriate departments, commissions, agencies, boards and officers thereof (collectively, “**Legal Requirements**”).

- (g) Keeping sidewalks and driveways in good condition, repair and appearance.
- (h) Complying with all government, health, safety and police requirements applicable to its portion of the Property in all material respects.
- (i) Repainting of improvements.

Each Owner shall also be responsible for maintaining landscaping and common areas within that portion of any adjacent public right-of-way, plaza, common area, street or alley provided that the Owner has been granted and accepted a license from the Declarant in its regulatory capacity to do so.

The responsibility for maintenance includes responsibility for repair and replacement. Each Owner shall carry property insurance for the full replacement cost of all insurable improvements on its Property, less a reasonable deductible, unless another entity (e.g., a condominium or owners association) carries such insurance. Within 180 days after any damage to or destruction of any improvement constructed upon the Property, the applicable Owner shall promptly repair or reconstruct the improvement in a manner consistent with the original construction or such other plans and specifications as are approved hereunder. Alternatively, the applicable Owner shall clear its Property of debris and maintain it in a neat and attractive landscaped condition.

5. Permitted Uses in the Retail Space. Generally, it is the intent of the Declarant that the Retail Space be used only for retail purposes. Specifically, the Retail Space may only be used for: (a) the sale of goods to the public, (b) a restaurant, bar, lounge, or other eating, drinking, or live music establishment, (c) a movie theater, (d) "quasi-retail" uses (e.g., travel agency, establishment that sells glasses but also has an optometrist on site, cell phone store, etc.), (e) "service retail" (e.g., copy service, cleaners, tailor/alterations, salon, travel agent, etc.), (f) brokerage offices (which use is preapproved by Landlord despite being office use), and (g) other office uses (e.g., insurance agency, medical or dental offices, law offices, income tax preparation, etc.) authorized in writing by the Declarant after written request; provided however, the uses described in (d), (e), (f), and (g) above shall not exceed 25% of the gross area of the Retail Space.

6. Other Restrictions And Requirements.

(a) Green Building. Owner will cause the shell portion of the improvements Property (i.e., not including individual condominium units or other commercial interiors) to be constructed to achieve at least a Gold certification under the Leadership in Energy and Environmental Design (LEED) NC (New Construction) Green Building Rating

(b) Bicycle Racks/Storage. Owner will construct bicycle storage facilities on the Property meeting the requirements of (i) the LEED requirements at the time of the Property's certification or (ii) the Legal Requirements, whichever is more stringent.

7. Modifications and Termination. This Declaration may be modified or terminated upon the written consent of (a) Declarant, and (b) (i) the declarant under any condominium regime affecting the Property until such declarant is required to turn over control of the condominium association to the owners of the condominium units, and (ii) thereafter the Owner(s) of at least fifty-one percent (51%) of the floor area of the improvements within the building located on the Property; provided however, the City may remove any portion of the Property from this Declaration if it owns fee title to said portion of the Property.

8. Term. The term of this Declaration will commence upon the date of filing this instrument for record in the land records of Travis County, Texas and will continue for a term of forty (40) years; thereafter this Declaration will be renewed automatically for successive twenty (20) years terms unless, at any time, terminated pursuant to Section 7 of this Declaration, and such termination is filed of record.

9. Default.

(a) In the event of a default of the terms and conditions of this Declaration by any Owner, such Owner will have 20 days in which to cure such default after receipt of notice of said default from Declarant or another Owner. Declarant shall also deliver such written notice to any unaffiliated, third party lender ("**Lender**") of such defaulting Owner if Declarant is provided notice of such Lender in writing (with a contact name and address) prior to such default and such Lender will have the same right of cure hereunder as the defaulting Owner and the timeframe for cure will run concurrently with such Owner's cure period. If the default can not be cured, using reasonable due diligence, within 20 days of receipt of the notice of default, then the defaulting Owner or the applicable Lender will have such additional time as may be reasonably necessary to cure such default, conditioned upon the defaulting Owner or applicable Lender commencing the cure within such 20 day period and diligently pursuing the curing of the default through conclusion; provided however, such additional time will not apply for any situations, conditions or issues in which the health or safety of the public at large is compromised. If that the default cannot be cured in a timely manner as required in this Section, Declarant or the notifying Owner will have the right to obtain an injunction from an applicable court of law to enforce specific performance on the part of the defaulting Owner, the amount of any bond for same being not more than \$100. In addition to the foregoing, the Declarant will have the authority and standing to pursue all legal and equitable remedies available to enforce the provisions of this Declaration against the defaulting Owner. With respect to a default of maintenance responsibilities under Section 4 hereof, following the notice and cure period set forth above, the Declarant may perform such maintenance responsibilities and assess all costs incurred by the Declarant

against such defaulting Owner; provided, Declarant may assign its right to conduct such maintenance to any appropriate entity. **THE DECLARANT AND ANY NOTIFYING OWNER AND THEIR RESPECTIVE OFFICERS, DIRECTORS, AGENTS, OR EMPLOYEES WILL NOT BE HELD LIABLE TO ANY PERSON FOR EXERCISING THE RIGHTS GRANTED BY THIS DECLARATION (INCLUDING LIABILITIES RESULTING FROM DECLARANT'S OR NOTIFYING OWNER'S NEGLIGENCE OR STRICT LIABILITY) UNLESS SUCH LOSS, DAMAGE, OR INJURY IS DUE TO THE WILLFUL MISCONDUCT, GROSS NEGLIGENCE, OR BAD FAITH OF THE DECLARANT OR NOTIFYING OWNER, AS THE CASE MAY BE, OR ONE OR MORE OF THEIR RESPECTIVE OFFICERS, DIRECTORS, AGENTS, OR EMPLOYEES.**

(b) In the event of a default hereunder which is not cured within any time herein specified, it will not terminate this Declaration nor the obligations of any of the Owners, nor terminate the rights of any other Owner with respect to its portion of the Property, nor withhold the benefits of this Declaration from any other Owner by reason of any default by such Owner, it being the express understanding that, subject to any other terms hereof, this Declaration will continue in effect throughout its term, notwithstanding any default by any Owner.

10. Approval. Unless expressly stated otherwise herein to the contrary, any approval (including without limitation, approval of any amendment), agreement, determination, consent, waiver, estoppel certificate, estimate or joinder by the Declarant required hereunder may be given by the City Manager of the Declarant or its designee; *provided however*, except for minor amendments, modifications or clarifications, the City Manager does not have the authority to execute any substantial modification or termination of this Declaration without the approval of the Austin City Council. With respect to any plan approvals, the City Manager may enlist any individual or party to assist in such approval.

11. Miscellaneous.

(a) Capacity of Declarant. **GENERALLY, APPROVALS UNDER THIS DECLARATION ARE NOT A SUBSTITUTE FOR ANY APPROVALS OR REVIEWS REQUIRED BY ANY GOVERNMENTAL AUTHORITY OR ENTITY HAVING JURISDICTION OVER ARCHITECTURAL OR CONSTRUCTION MATTERS. THE DECLARANT UNDER THIS DECLARATION IS A GOVERNMENTAL ENTITY, HOWEVER, ALL ACTIONS OF DECLARANT TAKEN SOLELY WITH RESPECT TO THIS DECLARATION WILL BE ACTIONS TAKEN IN ITS CAPACITY AS A LANDOWNER (I.E., A SELLING LANDOWNER) INSTEAD OF IN ITS CAPACITY AS A GOVERNMENTAL ENTITY. BY WAY OF EXAMPLE AND NOT OF LIMITATION, APPROVAL BY DECLARANT OF THE PLANS WILL NOT CONSTITUTE APPROVAL TO COMMENCE CONSTRUCTION (I.E., A BUILDING PERMIT) BY THE CITY OF AUSTIN IN ITS REGULATORY CAPACITY. NOTHING IN THIS SECTION IS DEEMED TO WAIVE OR INHIBIT ANY SOVEREIGN IMMUNITY RIGHTS. OWNER ACKNOWLEDGES THAT THE DECLARANT CANNOT CONTRACT**

**IN ANY MANNER REGARDING THE EXERCISE OF ITS SOVEREIGN POWERS.**

(d) Covenants Run with the Land. The terms of this Declaration constitute covenants running with, and will be appurtenant to, the land affected by this Declaration for the term hereof. All terms of this Declaration will inure to the benefit of and be binding upon the parties which have an interest in the benefited or burdened land and their respective successors and assigns in title. This Declaration is not intended to supersede, modify, amend, or otherwise change the provisions of any prior instrument affecting the land burdened hereby. All provisions of this Declaration that govern the conduct of the Owner and that provide for sanctions against the Owner for the breach hereof will also apply to all occupants (including lessees), guests, and invitees. Every Owner shall cause all occupants (including lessees) of the Owner's portion of the

Property to comply with this Declaration and any rules and regulations adopted, and will be responsible for all violations and losses caused by those occupants (including lessees), notwithstanding the fact that those occupants (including lessees) of the Owner's portion of the Property are fully liable and may be sanctioned for any violation of this Declaration and rules and regulations adopted pursuant thereto.

(e) Estoppel. Upon 30 days' prior written notice and not more than once in any 12-month period, the Declarant agrees to deliver to any lender of Owner an estoppel certifying compliance with Sections 1-6 hereof, in form and content reasonably acceptable to the Declarant and such Owner and its lender. The estoppel may only be relied upon by the party requesting the estoppel and any parties specifically identified by name in the request, may only be used to estop the responding party from claiming that the facts are other than as set forth in the estoppel, and may not be relied upon by any person or entity, even if named in such estoppel, who knows that the facts are other than as set forth in such estoppel.

(f) Singular and Plural. Whenever required by the context of this Declaration, the singular will include the plural, and vice versa, and the masculine will include the feminine and neuter genders, and vice versa.

(g) Negation of Partnership or Other Entity. None of the terms or provisions of this Declaration will be deemed to create a partnership between or among the Owners in their respective businesses or otherwise, nor will it cause them to be considered joint venturers or members of any joint enterprise. Each Owner will be considered a separate owner, and no Owner will have the right to act as an agent for another Owner, unless expressly authorized to do so herein or by separate written instrument signed by the Owner to be charged.

(h) Not a Public Dedication. Nothing herein contained will be deemed to be a gift or dedication of any portion of the Property or portion thereof to the general public, or for any public use or purpose whatsoever. Except as herein specifically provided, no rights, privileges or immunities of the Owner will inure to the benefit of any third party, nor will any third party be deemed to be a beneficiary of any of the provisions contained herein.

(i) Severability. Invalidation of any of the provisions contained in this Declaration, or of the application thereof to any person by judgment or court order will in no way affect any of the other provisions hereof or the application thereof to any other person and the same will remain in full force and effect.

(j) Captions and Capitalized Terms. The captions preceding the text of each article and/or section are included only for convenience of reference. Captions will be disregarded in the construction and interpretation of this Declaration. Capitalized terms are also selected only for convenience of reference and do not necessarily have any connection to the meaning that might otherwise be attached to such term in a context outside of this Declaration.

(k) Time. Time is of the essence of this Declaration.

(l) Non-Waiver. The failure of any party to insist upon strict performance of any of the terms, covenants or conditions hereof will not be deemed a waiver of any rights or remedies which that party may have hereunder or at law or equity and will not be deemed a waiver of any subsequent breach or default in any of such terms, covenants or conditions.

(m) No Merger. The subsequent merger of title in and to any one or more of portions of the Property, or any portions thereof, by sale, transfer or other conveyance, will not operate as a merger or termination of any other rights created and established hereunder, it being the intent that such rights will survive notwithstanding the merger of title.

(n) Legal Fees. In any action to enforce this Declaration, the prevailing party will be entitled to recover all costs, including, without limitation, reasonable attorneys fees and court costs reasonably incurred in such action.

(o) Mortgage Subordination. Any mortgage or deed of trust affecting any portion of the Property will at all times be subject and subordinate to the terms of this Declaration and any party foreclosing any such mortgage or deed of trust, or acquiring title by deed in lieu of foreclosure or trustee's sale, will acquire title subject to all of the terms and provisions of this Declaration.

(p) Binding Effect. Every agreement, declaration, covenant, promise undertaking, condition, right, privilege, option and restriction made, declared, granted or assumed, as the case may be, in this Declaration is not only for the benefit of each Owner personally but also as Owners of a portion of the Property, and will constitute an equitable servitude on the portion of the Property owned or leased by such party appurtenant to and for the benefit of the other portions of the Property, and the benefits and burdens thereof will run with the title to the Property. Any transferee of any part of the Property will automatically be deemed, by acceptance of the title to any portion of the Property, to have assumed all obligations of this Declaration relating thereto to the extent of its interest in its portion of the Property and to have agreed with the then Owner or Owners of all other portions of the Property to execute any and all instruments and to do any and all things reasonably required to carry out the intention of this Declaration at no cost to such Owners. Upon the completion of such transfer, the transferor will be relieved of all further liability under this Declaration except liability with respect to matters remaining unsatisfied which arose during its period of ownership of the portion of the Property so conveyed. All obligations and restrictions set out in this Declaration will run with the land, be binding upon and inure to the benefit of all of the Owners of the Property.

(q) Remedies Cumulative. All of the remedies permitted or available to the Declarant or Owners under this Declaration, or at law or in equity, will be cumulative and not alternative, and the invocation of any such remedy will not constitute a waiver or election of remedies with respect to any other permitted or available remedy.

(r) Effect of Declaration. Reference in any deed, mortgage, trust deed or any other recorded documents to the restrictions and covenants herein described or to this Declaration will be sufficient to create and reserve such covenants to the respective grantees, mortgagees, or trustees of such parcels as fully and completely as if those restrictions and covenants were fully related and set forth in their entirety in said documents.

(s) Effect of Force Majeure. If the Declarant or an Owner is delayed, hindered, or prevented from performance of any of its respective obligations under this Declaration by reason of acts of God, strikes, lockouts or other industrial disturbances, shortages of labor or materials, war, acts of public enemies, terrorism, order of any kind of the government of the United States, the State of Texas, Travis County, Texas, City of Austin, or any other civil or military authority, insurrections, riots, epidemics, landslides, earthquakes, lightning, fires, hurricanes, storms, floods, washouts, other natural disasters, acts of public enemies, orders of any kind of the government of the United States, the State of Texas, Travis County, Texas, City of Austin, or any other civil or military authority, insurrections, riots, epidemics, landslides, earthquakes, lightning, fires, hurricanes, storms, floods, washouts, other natural disasters, a party not receiving a governmental permit, license, approval or inspection in time to meet a contractual time period imposed hereunder provided that party, in good faith, was diligent in the application or request for and prosecution of the process to obtain that permit, license, approval or inspection, restraint of government and people, civil disturbances, explosions, acts or omissions of either party (or a subdivision thereof) to this Declaration or other causes not reasonably within the control of the party claiming such inability (other than (a) financial inability to perform, or (b) acts of the party claiming such inability, or a subdivision thereof, including without limitation any ordinances, regulations, orders or similar action by such party or a subdivision thereof), and if such party has not otherwise committed an event of default hereunder which is continuing, the time for performance of such obligation is automatically extended for the period of such delay, provided that the following requirements are complied with by the affected party:

(i) The affected party shall give prompt written notice of such occurrence to the other party; and

(ii) The affected party shall diligently use commercially reasonable efforts to remove, resolve, or otherwise eliminate any such event within the reasonable control of such affected party, keep the other party advised with respect thereto, and commence performance of its affected obligations hereunder immediately upon such removal, resolution, or elimination.

THE STATE OF TEXAS     §  
                                      §     KNOW ALL MEN BY THESE PRESENTS THAT:  
COUNTY OF TRAVIS     §

1.     Grant.     THE CITY OF AUSTIN, a Texas home rule city and municipal corporation ("**City**"), for and in consideration of the sum of Ten Dollars (\$10.00) and other valuable consideration paid to City by \_\_\_\_\_ ("**Developer**"), the receipt and sufficiency of which are hereby acknowledged, does hereby GRANT, SELL, CONVEY, ASSIGN and DELIVER to Developer the real property described in Exhibit A-1 attached hereto and made a part hereof, together with all buildings and other improvements situated thereon, all fixtures and other property affixed thereto and all and singular the rights and appurtenances pertaining to such real property (the "**Property**"), subject to the encumbrances described in Exhibit B attached hereto and made a part hereof and the reservations in Sections 6 and 8(the "**Permitted Encumbrances**").

2.     Warranty.     TO HAVE AND TO HOLD the Property, together with all and singular the rights and appurtenances thereto in anywise belonging unto Developer, its successors and assigns, forever, and City does hereby bind itself and its successors and assigns to warrant and forever defend all and singular the said premises unto Developer, its successors and assigns against every person whomsoever lawfully claiming, or to claim the same, or any part thereof by, through or under City, but not otherwise; subject, however, to the Permitted Encumbrances.

3.     AS-IS.     **EXCEPT AS EXPRESSLY SET FORTH HEREIN OR IN THAT ECC MASTER DEVELOPMENT AGREEMENT DATED \_\_\_\_\_, 2010 BETWEEN CITY AND \*\*\*\*\*[DEVELOPER]\*\*\*\*\* RELATING TO THE PROPERTY (THE "MDA") TO THE CONTRARY, IT IS UNDERSTOOD AND**

AGREED THAT THE PROPERTY IS BEING SOLD AND CONVEYED HEREUNDER “AS IS” WITH ANY AND ALL FAULTS AND LATENT AND PATENT DEFECTS WITHOUT ANY EXPRESS OR IMPLIED REPRESENTATION OR WARRANTY BY CITY. CITY HAS NOT MADE AND DOES NOT HEREBY MAKE AND HEREBY SPECIFICALLY DISCLAIMS (EXCEPT AS EXPRESSLY SET FORTH HEREIN AND IN THE MDA) ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND OR CHARACTER WHATSOEVER, EXPRESS OR IMPLIED, WITH RESPECT TO THE PROPERTY (OTHER THAN AS SET FORTH IN THE MDA AND CITY’S SPECIAL WARRANTY OF TITLE CONTAINED HEREIN), ITS CONDITION (INCLUDING WITHOUT LIMITATION ANY REPRESENTATION OR WARRANTY REGARDING SUITABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE), ITS COMPLIANCE WITH ENVIRONMENTAL LAWS OR OTHER LAWS, OR ANY OTHER MATTER OR THING RELATING TO OR AFFECTING THE PROPERTY AND CITY HEREBY DISCLAIMS AND RENOUNCES ANY OTHER REPRESENTATION OR WARRANTY. DEVELOPER ACKNOWLEDGES AND AGREES THAT IT IS ACCEPTING THIS SPECIAL WARRANTY DEED WITHOUT RELYING (EXCEPT AS EXPRESSLY SET FORTH HEREIN AND THE MDA) UPON ANY SUCH REPRESENTATION, WARRANTY, STATEMENT OR OTHER ASSERTION, ORAL OR WRITTEN, MADE BY CITY OR ANY REPRESENTATIVE OF CITY OR ANY OTHER PERSON ACTING OR PURPORTING TO ACT FOR OR ON BEHALF OF CITY WITH RESPECT TO THE PROPERTY BUT RATHER IS RELYING UPON ITS OWN EXAMINATION AND INSPECTION OF THE PROPERTY. DEVELOPER REPRESENTS THAT IT IS A KNOWLEDGEABLE PURCHASER OF REAL ESTATE AND THAT IT IS RELYING (EXCEPT AS EXPRESSLY SET FORTH HEREIN AND IN THE MDA) SOLELY ON ITS OWN EXPERTISE AND THAT OF ITS CONSULTANTS IN PURCHASING THE PROPERTY (EXCEPT AS EXPRESSLY SET FORTH HEREIN AND IN THE MDA). DEVELOPER FURTHER ACKNOWLEDGES AND AGREES THAT THE PROVISIONS OF THIS SECTION WERE A MATERIAL FACTOR IN CITY’S DETERMINATION OF THE CONSIDERATION FOR THE TRANSFER OF THE PROPERTY TO DEVELOPER.

4. Terms. Capitalized terms used herein but not defined have the meanings assigned to such terms in the MDA and the following terms shall have the meanings assigned:

“**Commencement of Construction**” means the date construction commences by Developer on the Property.

“**Delinquency Interest Rate**” means a per annum rate of interest equal to the lesser of (1) the Prescribed Rate plus 3% or (2) the then highest lawful contract rate which Developer is authorized to pay and the City is authorized to charge under the laws of the State of Texas with respect to the relevant obligation.

“**Dry-In Condition**” means the Improvements have been completed to a “dried in” and “weather tight” condition (i.e. completion of the foundation and shell of the building with windows, doors, final roof and final exterior facing) and the surrounding property landscaped (as appropriate based on seasonal conditions and construction

phasing of a building), each in accordance with plans approved by the City, and consistent with the Declaration, the MDA and Legal Requirements.

“**Force Majeure**” means acts of God, strikes, lockouts or other industrial disturbances, shortages of labor or materials, war, acts of public enemies, terrorism, orders of any kind of the government, or any other civil or military authority, insurrections, riots, epidemics, landslides, earthquakes, lightning, fires, hurricanes, storms, floods, washouts, other natural disasters, restraint of government and people, civil disturbances, explosions, or other causes not reasonably within the control of the party claiming such inability.

“**Owner**” means the owner of the Property.

“**Prescribed Rate**” means the “prime rate” published in The Wall Street Journal as being the base rate on corporate loans at large U.S. money center commercial banks on the first Business Day (as defined in the MDA) following the due date of such payment. If The Wall Street Journal ceases to publish such a prime rate, the Prescribed Rate will be the per annum interest rate which a large U.S. money center commercial bank doing business in Texas designated by the City publicly announces (whether or not actually charged in each instance) from time to time (adjusted daily) as its “prime rate” (or if there is no “prime rate,” a similar borrowing reference rate).

5. Liquidated Damages – Work Stoppage.

(a) Upon Commencement of Construction, Owner agrees to diligently and in good faith prosecute the construction of the Improvements (as defined in the MDA) to Dry-In Condition (as defined in the MDA).

(b) If, following Commencement of Construction, the good faith and bona-fide construction of the Improvements ceases for a period of 30 or more consecutive days (a “**Delay Period**”), such event will be deemed an event of default hereunder and Owner will pay to City as liquidated damages the sum of \$1,000 per day for each day past the Delay Period which bona-fide construction does not occur (such amount, “**Liquidated Damages - Work Stoppage**”). The calculation of each potential Delay Period will be extended on a day for day basis for each Business Day of actual delay due to Force Majeure which would otherwise be within such Delay Period. City and Owner agree that the Liquidated Damages - Work Stoppage has been set as liquidated damages for such event because of the difficulty and uncertainty of determining actual damages for such event. The Liquidated Damages - Work Stoppage will be due and payable monthly on the 10th day of the month following the month in which they accrue and any unpaid Liquidated Damages - Work Stoppage which are not paid within 10 days of the date which they are due and payable will accrue interest at a per annum interest rate equal to the Delinquency Interest Rate.

(c) Upon termination of the Liquidated Damages – Work Stoppage provision (including payment of any Liquidated Damages – Work Stoppage) and receipt of a written request from the Owner, City will execute and deliver in recordable form a notice

of termination of the Liquidated Damages – Work Stoppage. This Section 5 will automatically terminate upon Dry-In Condition being achieved (but will not release Owner for any unpaid Liquidated Damages – Work Stoppage).

6. Reservation of Declaration. City is executing and encumbering, or has executed and encumbered, the Property with the Declaration. The execution and encumbrance of the Property pursuant to the Declaration is also deemed to be pursuant to a reservation of such rights hereunder and will be superior to any vendor's lien, deed of trust, mortgage, assignment and/or security interest which burdens the Property.

7. Estoppel. Upon 30 days' prior written notice and not more than once in any 12-month period, the City agrees to deliver to any lender of Owner an estoppel certifying compliance with Section 5 hereof, in form and content reasonably acceptable to the City and such Owner and its lender. The estoppel may only be relied upon by the party requesting the estoppel and any parties specifically identified by name in the request, may only be used to estop the responding party from claiming that the facts are other than as set forth in the estoppel, and may not be relied upon by any person or entity, even if named in such estoppel, who knows that the facts are other than as set forth in such estoppel.

8. Reservation of Easement. City reserves unto itself the exclusive right and easement in, on, across and under the real property described in Exhibit A-2 attached hereto (which is a portion of the Property) (such portion, the "Easement Property") for use only as a recreational facility, park, open space, stormwater transmission facility, stormwater detention facility, water quality facility and scenic area and for no other purpose (the "Easement"), subject to the following terms:

(a) The Easement is perpetual and irrevocable unless the Easement Property is dedicated to the public at which time the Easement will automatically terminate. Any other transfer of the Easement Property will be subject to the Easement.

(b) The City may make or enforce rules and regulations for the Easement Property.

(c) No trash or garbage will be stored or dumped by Owner on the Easement Property. No hazardous or toxic materials will be stored or dumped by Owner on the Easement Property.

(d) No underground storage tanks will be placed or used by Owner on the Easement Property.

(e) No new structures or other improvements will be placed, constructed or modified on or under the Easement Property by Owner without the prior written approval of City.

(f) No billboard or advertising material may be erected by Owner on the Easement Property.

(g) Removal, destruction and cutting of trees, shrubs, or other vegetation is prohibited except for:

(i) Reasonable maintenance of existing accesses or construction and maintenance of accesses permitted within the provisions of the Easement; or

(ii) Application of good husbandry practices including the prevention or treatment of disease; or

(iii) Maintenance and repair of the Easement Property.

9. Obligations and Other General Rights.

(a) Subject to appropriation and Force Majeure, the City shall maintain the Easement Property in good condition and repair as a first class trail system including without limitation providing vegetation and trash management, silt and debris removal, maintaining operational functionality and structural integrity of the trail system. Because the City's obligations under this paragraph are subject to appropriation, Owner acknowledges that the City's maintenance may be discontinued, suspended, curtailed or reduced at any time and from time to time.

(b) If the City fails to maintain the Easement Property as provided in Section 9(a) above, Owner has the option (but not the obligation), at Owner's sole cost and expense, to maintain the Easement Property in good condition and repair as a first class trail system including without limitation providing vegetation and trash management, silt and debris removal, maintaining operational functionality and structural integrity of the trail system. In addition, even though the City is maintaining the Easement Property as provided in Section 9(a) above, Owner may, at Owner's sole cost and expense, provide additional maintenance to the Easement Property.

(c) Owner will provide insurance over the Easement Property in accordance with the City's procedures and requirements for obtaining a license agreement, as amended from time to time, and such other insurance as reasonably requested by the City.

(d) Monetary damages would not be an adequate remedy for the breach of any of the terms, conditions and restrictions herein contained, and therefore, in the event that Owner, violates or breaches any of such terms, conditions and restrictions herein contained, the City may institute a suit, and will be entitled, to enjoin by temporary and/or permanent injunction such violation and to require the restoration of the Easement Property to its prior condition. The City, by any prior failure to act will not waive or forfeit, and will not be deemed to have waived or forfeited, the right to take any action as may be necessary to insure compliance with the terms, conditions and purposes of the Easement.

(e) The Easement Property cannot be subdivided without the prior written consent of the City.

(f) Owner will indemnify and hold City and its respective officers, directors, employees and agents harmless from, and reimburse City and its respective officers, directors, employees and agents for and with respect to, all claims, demands, actions, damages, losses, liabilities, judgments, costs and expenses, including, without limitation, reasonable legal fees and court costs (each a “Claim”) which are suffered by, recovered from or asserted against City or its respective officers, directors, employees and agents to the extent any such Claim arises from or in connection with any event of default by Owner (including its contractors, agents, employees, licensees or invitees) hereunder; provided, however, such indemnification, hold harmless and reimbursement does not include any Claim to the extent caused by, arising from, or in connection with (i) the established or admitted negligent or wrongful act or omission of the City and/or any agents, contractors, representatives or employees of the City or (ii) any environmental condition, whether known or unknown, existing on, under, or otherwise with respect to the Easement Property (including offsite areas impacted by migration from the Easement Property, if any) as of the date hereof unless (and only to the extent) it can be established that the condition has been exacerbated by the negligent or wrongful acts or omissions of Owner or any agents, contractors, representatives or employees of Owner with respect to the deconstruction of existing improvements and/or the construction of any improvements on the Easement Property, and the City releases and discharges Owner and its affiliated entities, together with their respective officers, directors, partners, employees and agents, with respect to any such Claim under clause (ii) above. If City notifies Owner of any Claim, Owner shall assume on behalf of City and conduct with due diligence and in good faith the investigation and defense thereof and the response thereto with counsel selected by Owner but reasonably satisfactory to City; provided, that City shall have the right to be represented by advisory counsel of its own selection and at its own expense; and provided further, that if any such Claim involves Owner and City, and City shall have been advised in writing by counsel that there may be legal defenses available to it which are inconsistent with those available to Owner, then City shall have the right to select separate counsel to participate in the investigation and defense of and response to such Claim on its own behalf, and Owner shall pay or reimburse City for all reasonable legal fees and costs incurred by City because of the selection of such separate counsel. If any Claim arises as to which the indemnity provided for in this section applies, and Owner fails to assume within 20 days after being notified of the Claim the defense of City, then City may contest (or settle, with the prior written consent of Owner, which consent will not be unreasonably withheld, conditioned or delayed) the Claim at Owner’s expense using counsel selected by City; provided, that if any such failure by Owner continues for 30 days or more after Owner is notified thereof, no such contest need be made by City and settlement or full payment of any Claim may be made by City without Owner’s consent and without releasing Owner from any obligations to City under this section so long as, in the written opinion of reputable counsel to City, the settlement or payment in full is clearly advisable. So long as Owner does not admit liability or agree to affirmative obligations on behalf of City, Owner is authorized to settle a Claim for itself and City. City shall (i) use its best efforts to provide prompt written notice to Owner of a Claim, and (ii) reasonably cooperate with Owner in the investigation and defense of a Claim. In the event City breaches its obligations contained in the previous

sentence, the liability of Owner under this section shall be reduced by the amount such breach directly caused a material impairment of the defense of the Claim.

(g) Owner shall transfer the Easement Property only to the purchaser of the Property in connection with the sale of the Property (whether in total or by undivided interests), but subject to the Easement. It is the intent of the parties that the ownership of the Easement Property be held by the same person who owns the remainder of the Property.

(h) Owner's rights and responsibilities hereunder may be delegated to any condominium association(s) which have authority over the Property.

10. Run with the Land. The terms of this Special Warranty Deed constitute covenants running with, and will be appurtenant to, the land affected by this Special Warranty Deed.

11. Miscellaneous. If any term or provision hereof is declared by a court of competent jurisdiction to be illegal or invalid, such illegal or invalid term or provision shall not affect the balance of the terms and provisions hereof. If any action or suit is brought by reason of any breach of this Special Warranty Deed or any other dispute between the parties concerning this Special Warranty Deed, then the prevailing party shall be entitled to have and recover from the other party all costs and expenses of suit, including reasonable attorney's fees. This Special Warranty Deed shall be governed by and construed and enforced in accordance with the laws of the State of Texas. This Special Warranty Deed is to be deemed to have been prepared jointly by the parties hereto, and if any inconsistencies or ambiguities exist herein, they shall not be interpreted or construed against either party as the drafter. All paragraph headings are inserted for convenience only and shall not be used in any way to modify, limit, construe or otherwise affect this Special Warranty Deed. This Special Warranty Deed shall be binding upon and inure to the benefit of City and Owner and their respective heirs, successors, legal representatives and assigns.

**EXHIBIT A**  
**TO CWSA HOLDBACK ESCROW AGREEMENT**

Relevant Provisions from MDA

**DEFINITIONS FROM MDA**

“**CWMOU**” means a Chilled Water Memorandum of Understanding between Developer and Austin Energy concerning the delivery of chilled water to the Property.

“**CWSA**” means a Chilled Water Service Agreement between Developer and Austin Energy concerning delivery of chilled water to the Property.

“**CWSA Holdback Escrow Agreement**” means the CWSA Holdback Agreement substantially in the form attached hereto as Exhibit I.

**TEXT OF CWSA AGREEMENTS**

5.1(e) CWSA Holdback.

(i) The parties anticipate that a CWMOU will be executed prior to the Takedown. During the development of the Property, Developer and Austin Energy will work together to execute a CWSA.

(ii) At the Takedown, \$100,000 (the “CWSA Holdback”) of the Transfer Price will be deposited by the Title Company into an interest-bearing escrow account (which interest-bearing component will be applicable to the extent allowable to obtain FDIC insurance on the entire CWSA Holdback) with a federally insured financial institution reasonably approved by the City. Any interest earned on the CWSA Holdback will accrue to the CWSA Holdback and be utilized in the same manner. The Title Company shall not commingle the CWSA Holdback with other funds held by it. If at any time the financial institution that actually holds the CWSA Holdback or its parent entity (A) is the subject of a bankruptcy, insolvency, conservatorship, receivership, custodianship or similar proceeding; (B) is otherwise adjudicated as, or determined by any governmental authority to be, insolvent or bankrupt; (C) is the subject of a cease and desist order by any governmental authority and such cease and desist order is not resolved within 20 days after the issuance of such order, or (D) admits in any filing that it is not able to continue as a going concern, Title Company shall promptly move the CWSA Holdback to another financial institution reasonably approved by the City.

(iii) If a CWSA (A) is not executed because of an act or omission of Austin Energy, or (B) is executed but a default occurs thereunder by Austin Energy (following the expiration of all grace, notice and/or cure periods) as a result of Austin Energy’s failure to complete the chilled water delivery system and deliver chilled water to the

Property in accordance with the CWSA, Developer may, within 60 days following such default, deliver written notice to the Title Company of such event in which case the Title Company shall deliver the CWSA Holdback to Developer. The obligations of Austin Energy as set forth herein are informative only and no expectations should be derived therefrom, it being the intent of the parties that the obligations of Austin Energy with respect to the chilled water delivery to the Property be set forth solely in the CWMOU and CWSA.

(iv) If a CWSA is executed and chilled water is delivered to the Property, Developer or the City shall deliver written notice to the Title Company of such event and the Title Company must immediately disburse the CWSA Holdback to the City.

(v) At the Takedown, City, Developer and the Title Company must execute a CWSA Holdback Escrow Agreement which reflects the agreements of this subsection.

(vi) If Austin Energy incurs reasonable cost to design the chilled water piping and related infrastructure to serve the Property and Developer does not execute a CWSA, then Developer shall be obligated to reimburse Austin Energy for all such reasonable incurred costs at an interest rate equal to Austin Energy's cost of capital, expressly including costs of engineering, but in no event in excess of \$100,000; provided that Developer has no obligation under this subsection 0 unless and until Takedown occurs. Austin Energy will not install any capital infrastructure unless a CWSA is executed. If a CWSA is executed and the Developer commits a default thereunder, the remedies for such default will be set forth in the CWSA (including the remedy for reimbursement of design costs as set forth in this subsection).
