### INFORMATION ON PUBLIC HEARINGS

The Planning and Development Review Department has filed an application for zoning/rezoning to implement a neighborhood plan. This notice has been mailed to you because City Ordinance requires that all property owners, registered environmental or neighborhood organizations and utility service addresses located within 500 feet of a proposed development be notified that an application for development has been filed.

This request for zoning/rezoning will be reviewed and acted upon at two public hearings: First, before the Planning Commission and then before the City Council. After a public hearing, the Planning Commission reviews and evaluates City staff recommendation and public input and then sends its own recommendation on the zoning/rezoning request to the City Council. Meeting dates and locations are shown on this notice.

If you have any questions concerning this notice, please contact the City of Austin Planning and Development Review Department at the number shown on the first page. If you would like to express your support or opposition to this request, you may do so in several ways:

- by attending the Planning Commission hearing and conveying your concerns at that meeting
- by writing to the Planning Commission, using the form provided on the top of this page

Comments: Why not Make a gated Community in order to keep out the prostitutes and the people who deal with drugs. The neighborhood association just might back that Idea up!
