#### **VERTICAL MIXED USE OPT-IN FORM**

Neighborhood Planning & Zo

This form was prepared for the Cherrywood Neighborhood (a Subdistrict of the Upper Boggy Creek (UBC) Neighborhood Planning Area). It includes all properties within the Cherrywood Subdistrict, as well as the area within the large trapezoid formed by Manor Road, IH35E Frontage Road, Dean Keaton and La Fayette, which is not within the boundaries of UBC, but which is within the boundaries of the Cherrywood Neighborhood Association.

#### SPECIAL REQUEST FROM CHERRYWOOD SUBDISTRICT

Because we anticipate that some, if not all, of the other four subdistricts that comprise UBC will take advantage of the opportunity to amend their plans over the 45 day amendment period, and because Cherrywood does NOT plan to amend its plan, we hereby request that Council consider and accept our recommendations regarding VMU for our subdistrict ONLY out of sequence and as soon as possible. Because we understand that one possible obstacle to doing this is the fact that the entire UBC Planning Area must agree upon the Affordable Housing %of MFI, UBC has agreed NOT to amend its recommendation of 60% of MFI which we assume removes this obstacle.

#### **ACCEPTING ALL DEVELOPMENT INCENTIVES**

For ALL VMU properties, Cherrywood recommends OPT-IN to all development incentives (Dimensional Standards, Parking Reductions for commercial uses, Ground Floor Uses in NO, LO and GO districts, and all VMU related standards.

#### TRAPEZOID FORMED BY MANOR ROAD, IH35E, DEAN KEATON & LA FAYETTE

OPT-IN:

Manor Road (north side only):

1114 - 1820

IH35E:

2329-2601

Dean Keaton (south side):

1201-1309

La Fayette (west side):

2304-2314

#### CHERRYWOOD NEIGHBORHOOD SUBDISTRICT

#### VMU OVERLAY DISTRICT PROPERTIES

Manor Road (north side only):

1900 - 4021

(We accept all commercially zoned properties fronting on the North side of Manor Road as being within the VMU overlay)

Airport Blvd (west side only):

3712-3750, 4020-4300

(We accept all commercially zoned properties fronting on the west side of Airport Blvd as being within the VMU overlay)

JUN 0 4 ZUU1

IH35E:

OPT-IN:

2901-4021

Naighborhood Planning & Zonli

E38th½ (north side only):

1204-1406 (all properties from IH35 to the RR tracks)

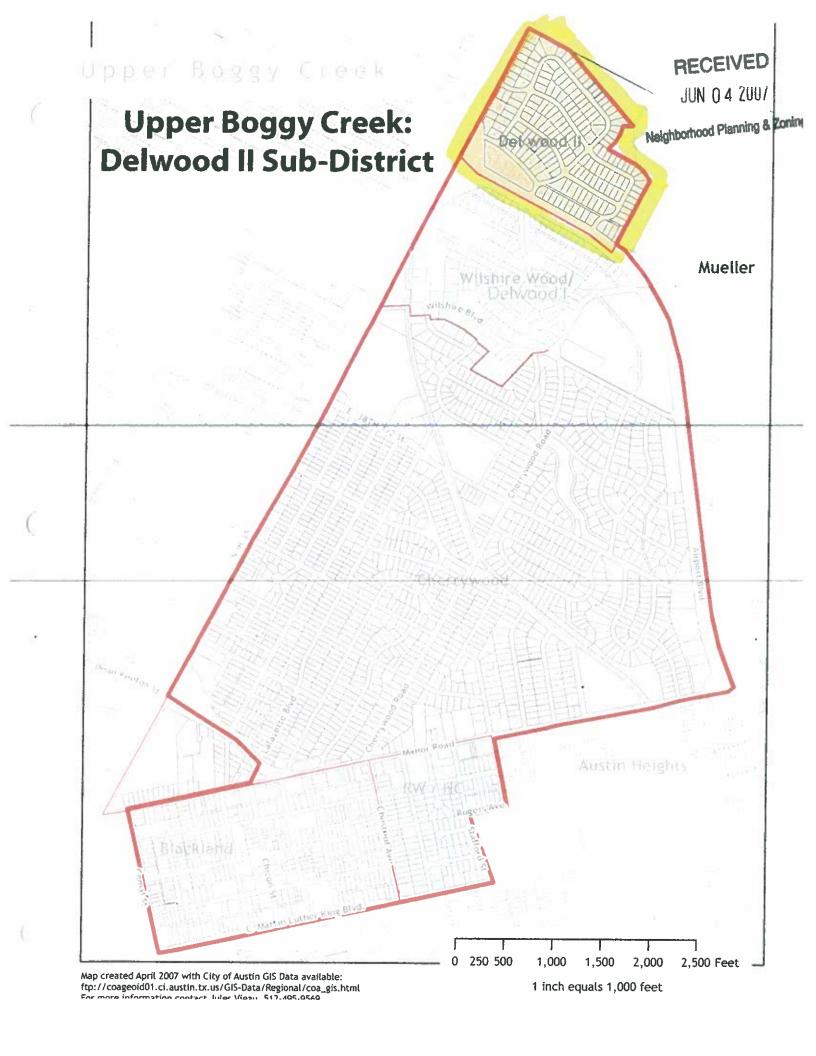

Additionally, there are several properties that front on Manor Road and IH35 which have addresses on side streets (E.33th Larry Lane & Randolph). Where these properties are oriented to these major streets, we intend for them to have the VMU designation

#### MF PROPERTIES:

Note that there are several properties that are zoned MF that front on the north side of Manor Road (2504 – 2604 & 2700-2706), as well as properties which have addresses sid streets, but which front on Manor Road and IH35 (E32nd, Walnut, Larry Land & Randolph). Cherrywood is working with the Planning Commission subcommittee to rezone these properties to a commercial zoning mixed-use designation (CS-MU, LO-MU, etc.) so that they can receive the VMU designation. The Cherrywood Subdistrict requests that these properties be approved by Council to receive the VMU designation, pending a zoning change that would-make them eligible. Thus, we want ALL properties that front on Manor Road and IH35E, both commercial and MF, to have the VMU designation.

#### AFFORDABLE HOUSING

Cherrywood supports the UBC decision to recommend 60% MFI for the affordable housing threshold, and although it is not anticipated, we would support any amendment to that decision that may arise in order not to delay the VMU designations within our subdistrict.
