**Prior Council Action:** June 18, 2009 - Council approved the Whisper Valley and Indian Hills Development Agreement.

---

This action will set a public hearing on the authorization of the Whisper Valley Public Improvement District (PID), as requested in petitions submitted to the City by Taurus Development. Texas Local Government Code, Chapter 372, requires that the governing body of the municipality hold a public hearing on the advisability of a Public Improvement District. Upon conclusion of this hearing, the governing body is to make certain findings by resolution. As a condition of the 2010 petition of property owners, which requested authorization of the PID at that time, the PID expires after forty-four and one-half years (January 2055). Prior to the public hearing, City staff will provide notification to property owners as required by Chapter 372. The signed petitions submitted by Taurus Development represent over 50% of the appraised value of all taxable real property liable for assessment under the proposed PID authorization and constituted over 50% of the area of all taxable real property liable for assessment under the proposal. As certified by the City Clerk, the number of signatures is greater than the number required by Chapter 372 of the Texas Local Government Code and meets the requirements of state law for a petition requesting reauthorization of the PID.

The Whisper Valley Area (approximately 2,066 acres) is located in Travis County east of FM 973 and approximately 782 feet north of the intersection of FM 969 and Taylor Lane. This area is being proposed for consensual limited purpose annexation in accordance with the development agreement approved by the Austin City Council June 18, 2009.
