In Fiscal Year 2010-2011, the City of Austin expects to receive \$14.1 million through four HUD programs: Community Development Block Grant (CDBG), HOME Investment Partnership (HOME), Emergency Shelter Grant (ESG), and Housing Opportunities for Persons with AIDS (HOPWA). In order to receive these grants, the City must submit an annual Action Plan to HUD. The annual Action Plan is a one-year report that describes the community needs, resources, priorities and proposed activities to be funded with regard to housing, community and economic development, and public services for the upcoming Fiscal Year. The report must show progress towards meeting the established goals in the Fiscal Year's 2009-14 Consolidated Plan, which is the City's five-year strategic plan. Pursuant to the Citizen Participation Plan, NHCD seeks input from the community during two public hearings on needs assessment and two public hearings on the Draft Action Plan. NHCD also gathers statistical data to prepare the draft report.

The City must submit the final Action Plan for Fiscal Year 2010-2011 to HUD before August 15, 2010.
