Please note that it has been brought to our attention that members of LULAC District 12 stated that Texas LULAC and its six hundred (600) delegates at their annual convention in June 2010 adopted a position to not support item #33 on your August 19, 2010 Council Agenda as it relates to renaming the Mexican American Cultural Center to the Emma Barrientos Mexican American Cultural Center. Please note that Texas LULAC nor National LULAC did not address nor did it take any form of position against this local issue. The information members of LULAC District 12 (Mr. Marcelo Tafuya and Mr. Gavino Fernandez) was inaccurate and false.

If you should have any questions please feel free to call Ms. Linda Chavez, LULAC State Deputy Director and Austin Convention Chair at 512-441-8786.

Subject: Re: Item #33 - An Ordinance Renaming the MACC the Emma S. Barrientos Mexican American Cultural Center

Dear Mayor and Council,

As Chairman of the MACC Board I wanted to further correct and clarify the actual vote taken last night at our Board meeting in regards to the proposed renaming of the MACC in honor of Mrs. Emma S. Barrientos. The issue happened to be put on the board agenda one month ago for discussion only, but by coincidence the council renaming ordinance was scheduled for Council action this week. For the record, there was never any opposition from anyone on our Board regarding the name change; in fact all of us hold Mrs. Barrientos in the upmost regard and esteem and continue to respect her years of service and leadership to our community. The awkward part of our discussion was related to Chapter 14 of the city ordinance to rename a city facility and more specifically, that our board was unfamiliar with this language. In addition, for some, there was concern of creating a perception on potentially limiting public input and/or participation. The end result was a 4-1-1 vote to recommend that the city follow the renaming process including Chapter 14 of the ordinance. The vote was NOT to oppose the renaming of the MACC in honor of Mrs. Barrientos as misreported by the Infact Daily.

In retrospect, I do however want to go on record in stating that almost immediately following the unfortunate passing of Mrs. Barrientos, conversations within and among the Hispanic community were initiated regarding a potential renaming of the MACC in her honor. Over the course of this year, I have seen emails and social media entries demonstrating a strong support to rename the MACC in memory of Mrs. Barrientos.

Finally let me acknowledge that I am now keenly aware that the Austin City Council may exercise the right and power as elected officials to sponsor an ordinance and rename a City facility and I would personally offer my support to move forward with Item#33 to honor the memory and work of Mrs. Barrientos.

Sincerely,

Juan Oyervides, Chair
MACC Advisory Board
