William Cannon Dr.

To: Austin City Council

We, the undersigned owners of property affected by the requested zoning change described in the referenced file, do hereby protest against any change of the Land Development Code which would zone the property to any classification other than current **LO-CO with the limit of 2,000 trips and prohibited access onto Alford Dr.**

*We object to the requested change in the zoning due to the applicant's unwillingness to contact the adjacent property owners and the neighborhood regarding this zoning change and his disregard of the spirit and intent of the 1996 negotiations and agreement that established the current zoning.*
