We reconfirm our written statement submitted to City Council before the Aug 19-2010 meeting, oral declaration made before Council at the Aug 26-2010 meeting, and again stated at the second hearing by the Planning Commission on Sep 14-2010, that we had agreed to gift the house, pending action by the City Council to deny historic zoning for 408 E 33 Street.

Interested parties eagerly await the council's action on Sep 30-2010.
